

APPENDIX, PART 6

legislature voting to raise taxes is remote. Even if the City could legally increase property tax rates, doing so would not increase the City's revenues because the City has reached its practical taxable limit, *i.e.*, tax saturation, meaning that any further tax increases on Detroit residents most likely would (a) exacerbate the City's already high tax collection delinquency rate, (b) continue the flight of residents and businesses from the City, (c) discourage inflow of prospective residents and businesses, (d) destabilize growth and (e) ultimately reduce the City's overall tax revenues. The loss of population in Detroit has compounded the City's financial difficulties and led to additional cutbacks in municipal services – which cutbacks, in turn, have led to continuing losses of population, industry and tax revenues. Increasing the tax burden on Detroit residents would only perpetuate this vicious cycle.

8. The effect of dismissal of the City's Chapter 9 Case would be the issuance of myriad judgment levies under State law.³⁹ In a dismissal scenario, the Revised Judicature Act would require the City to satisfy any judgments obtained by creditors either through bond issuances or property tax levies.⁴⁰ If the Chapter 9 Case were dismissed, the City's creditors would not realize greater recoveries than they would receive under the Plan because the City

³⁹ See M.C.L. § 600.6093.

⁴⁰ See *id.*

would lack the resources and ability to satisfy such judgment levies. In such a scenario, the City's pension obligations alone likely would quickly eradicate any meaningful recoveries for other unsecured creditors outside of chapter 9.

9. Dismissal of the Chapter 9 Case would deprive the City of the benefit of the Reinvestment Initiatives. Without such reinvestment, the City's ability to provide basic services would continue to decline below even today's inadequate levels. Without the ability to provide adequate levels of basic services, the City would be unable to reverse the exodus of residents and businesses from the City that has depleted the City's tax base, reduced land values and led to widespread abandonment and blight. In addition, the Plan offers financial benefits that would be unavailable to the City in the event of dismissal, including the \$816 million that will be contributed to the Retirement Systems in connection with the Grand Bargain, the Exit Facility and the cost savings to be realized by the Reinvestment Initiatives and the Settlements under the Plan.

10. *Feasibility.* The Plan is feasible, within the meaning of section 943(b)(7) of the Bankruptcy Code. On and after the Effective Date, it is more likely than not that the City will be able to (a) make all payments contemplated by the Plan without a significant probability of default and

(b) sustainably provide adequate municipal services to its residents.⁴¹ The City has demonstrated a reasonable prospect that the City will successfully implement the Plan and the Reinvestment Initiatives.⁴²

11. The City's revenue and expense projections contained in (a) the ten-year summary of the Reinvestment Initiatives (the "10-Year Reinvestment Initiative Summary") introduced into evidence as City Exhibit 108 (July 2014); (b) the ten-year statement of projected cash flows (the "10-Year Forecast") introduced into evidence as City Exhibits 109 (July 2014), 733 (September 2014), 780 (October 2014), 781 (October 2014) and 782 (October 2014); (c) the forty-year statement of projected cash flows (the "40-Year Forecast") introduced into evidence as City Exhibits 111 (July 2014), 734 (September 2014), 779 (October 2014) and 793 (October 2014); and (d) the ten-year statement of projected cash flows of the City's water and sewage disposal funds introduced into evidence as part of City Exhibit 3 (collectively with the 10-Year Reinvestment Initiative Summary, the 10-Year Forecast and the 40-Year Forecast, the "Projections"), are reasonable, made in good faith, accurate,

consistent with other financial projections made by the City and based upon assumptions that are reasonable when considered individually or collectively.⁴³

12. The City will have employees that have the necessary skill and commitment to implement, and perform according to the terms of, the Plan. The City will also have adequate systems, controls and procedures (as modified, modernized and developed by the Reinvestment Initiatives) to (a) monitor the City's financial and operational performance and (b) minimize and eliminate fraud, abuse and waste (both in the City's day-to-day operations and in the implementation of the Reinvestment Initiatives).⁴⁴

13. The City is beginning to implement appropriate controls to reasonably ensure the City's ongoing compliance with the terms of the Plan.⁴⁵ These controls include, but are not limited to: (a) the Michigan Financial Review Commission (the "Financial Review Commission") established pursuant to Public Act 181 of 2014, M.C.L. §§ 141.1631, *et seq.* ("PA 181" or the "Financial Review Commission Act"); (b) the requirements imposed by Public Act 182 of 2014,

⁴³ See Court's Exhibit 12000 (Expert Report of Martha E.M. Kopacz), at 10, 200-01; Court's Exhibit 12001 (Supplemental Expert Report of Martha E.M. Kopacz), at 3-4; Court's Exhibit 12002 (Second Supplemental Expert Report of Martha E.M. Kopacz), at 5-6.

M.C.L. § 117.4s-t ("PA 182" and, together with PA 181, the "Grand Bargain Legislation"), that the City (i) adopt a sound, multi-year financial plan, (ii) appoint a Chief Financial Officer and (iii) post its financial forecasts and contracts to the City's official website; and (c) the adoption of governance and financial oversight mechanisms for the Retirement Systems in connection with the State Contribution Agreement. The Financial Review Commission will have broad authority, under the Grand Bargain Legislation, to obtain and review the City's financial records on an ongoing basis, and to conduct financial audits of the City.⁴⁶

14. The Reinvestment Initiatives provide for the reinvestment of approximately \$1.7 billion in the City between the Effective Date and June 30, 2023. The Reinvestment Initiatives will allow the City to achieve approximately \$483 million in additional revenue and \$358 million in cost savings during that same period, resulting in net reinvestment in the City of approximately \$877 million. The Reinvestment Initiatives are reasonably designed to, and more likely than not will, ensure that the City will be able to (a) remedy its service delivery insolvency and provide adequate municipal services to its residents, (b) meet its financial obligations on a prospective basis, (c) promote the stability of

⁴⁶ See M.C.L. § 141.1636.

the City's population and (d) provide a platform for the growth of both the City's resident and business populations.⁴⁷

15. The costs associated with the Reinvestment Initiatives are reasonable. The goals of the Reinvestment Initiatives are achievable.⁴⁸ The City can arrest the reinforcing trends of population loss, declining property values and declining revenues if adequate services are restored, blight is remediated and the City becomes a more attractive place to live and work. The Reinvestment Initiatives will accelerate investment in the City by business, community and philanthropic organizations.

16. Absent the Reinvestment Initiatives, the City cannot provide a sustainable level of services to its residents. The Reinvestment Initiatives are necessary to (a) remedy the City's service delivery insolvency, (b) reduce blight and strengthen neighborhoods, (c) improve the efficiency of, and adequately fund, the City's operations (including, but not limited to, its administrative and support departments and the operations of the 36th District Court), (d) allow elected officials to more effectively manage the City, (e) enhance the City's revenues, (f) reduce the City's costs and (g) ensure the provision of

adequate and significantly improved municipal and public safety services to City residents and businesses.⁴⁹ The Mayor's office and the City Council have been consulted in connection with the City's restructuring and are committed to working in concert to implement the Plan and the Reinvestment Initiatives.⁵⁰

17. It is more likely than not that the Plan is sustainable over the long term.⁵¹ Based on the Projections, the City will have sufficient liquidity to sustain normal municipal operations, issue and perform under the New Securities, satisfy the Settlements and otherwise meet its financial obligations after the Effective Date. The amount and terms of the Exit Facility are reasonable. The City will have sufficient resources to service the Exit Facility. The Plan and the Exit Facility will enable the City to resolve onerous debts related to the City's excessive prepetition borrowing. The City's commitment, under the Plan, to use its best efforts to prepay the New LTGO Bonds on the Effective Date, or as soon as reasonably practicable thereafter, is both reasonable and feasible. Credit markets

⁵⁰ See Joint Notice of Transition Plan (Docket No. 7681), Exhibit A (Detroit City Council Resolution adopted Sept. 25, 2014), at 2-3 ("The City Council supports the confirmation and implementation of a Plan of Adjustment.... After, and assuming, confirmation of the Plan of Adjustment, the City Council will support the City's implementation of the confirmed Plan of Adjustment.").

likely (a) will be receptive to the newly de-leveraged City and (b) would be closed to the City absent the restructuring to be implemented pursuant to the Plan and the Reinvestment Initiatives. Although future economic risks cannot be predicted with certainty, and some economic risk factors are outside of the City's control, under the Plan, the City more likely than not will be able to adapt to unforeseen circumstances as necessary to preserve its revitalization.

18. Under the Plan, the DWSD will have sufficient resources to make the capital improvements necessary to enable the DWSD to continue to provide an adequate level of water and sewer service to its customers, and the DWSD's current capital improvement plans are reasonable for this purpose. There is no material risk of a system-wide failure that would prevent the DWSD from providing adequate levels of service. In addition, the DWSD Pension Funding does not negatively impact the feasibility of the Plan with respect to other creditors or the reinvestment initiatives.

EXECUTORY CONTRACTS

O. Pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code (incorporated into this Chapter 9 Case by section 901 of the Bankruptcy Code), upon the occurrence of the Effective Date, Section II.D of the Plan provides for the assumption, assumption and assignment or rejection of certain Executory Contracts and Unexpired Leases. The City's determinations regarding the

assumption, assumption and assignment or rejection of Executory Contracts and Unexpired Leases are based on and within the sound business judgment of the City, are necessary to the implementation of the Plan and are in the best interests of the City, holders of Claims and other parties in interest in the Chapter 9 Case.

The City has filed Exhibit II.D.6 to the Plan (as it may have been amended or supplemented) and either has provided or will provide notice of the City's determinations regarding the assumption, assumption and assignment or rejection of Executory Contracts or Unexpired Leases and any related Cure Amount Claims consistent with the procedures (collectively, the "Contract Procedures") set forth in the Order, Pursuant to Sections 365, 901 and 1123 of the Bankruptcy Code,

(A) Establishing Procedures with Respect to the Proposed Assumption and Rejection of Executory Contracts and Unexpired Leases and (B) Approving the Form and Manner of Notice Thereof (Docket No. 6512), entered on August 4, 2014 (the "Contract Procedures Order").

SETTLEMENTS AND RELEASES

P. Pursuant to Bankruptcy Rule 9019(a) or otherwise, and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan.

Q. Based upon the representations and arguments of counsel to the City, the Retiree Committee, the Retirement Systems, Syncora, FGIC, the State, DIA Corp., the RDPFFA and the DRCEA, and all other testimony either actually given or proffered and other evidence introduced at the Confirmation Hearing and the full record of this Chapter 9 Case, the findings and conclusions of which are hereby incorporated by reference as if fully set forth herein, this Order constitutes the Court's approval of all Settlements provided for herein or in the Plan because, among other things, all aspects of such Settlements have been fully disclosed and such Settlements (and, as applicable, the agreements underlying such Settlements): (1) were negotiated and entered into in good faith and at arm's length; (2) comport with the policies and purposes of chapter 9 of the Bankruptcy Code; (3) reflect a reasonable balance between certainty and the risks and expenses of both future litigation and the continuation of the Chapter 9 Case; (4) fall well within the range of reasonableness for the resolution of complex litigation; (5) are fair, equitable and reasonable and in the best interests of the City, its creditors and other parties in interest; (6) represent appropriate exercises of the City's business judgment; (7) are essential to the successful implementation of the Plan; and (8) meet the standards for approval under sections 105(a) and 1123(b) of the Bankruptcy Code, Bankruptcy Rule 9019(a) and other applicable law.

R. The DIA Settlement. The DIA Settlement resolves a substantial dispute surrounding the extent of the City's property rights with respect to the DIA Assets. Under the DIA Settlement, as reflected in Section IV.E.2 of the Plan, the City will irrevocably transfer all of its right, title and interest in and to the DIA Assets to DIA Corp., as trustee, to hold in perpetual charitable trust, and within the City limits, for the primary benefit of the residents of the City and the Counties and the citizens of the State.⁵²

1. The City cannot be compelled to liquidate the DIA Collection.⁵³ Even if such a liquidation could be compelled, however, many works in the DIA Collection are subject to donor restrictions and, contrary to the City's position, the Michigan Attorney General and DIA Corp. assert that the entire DIA Collection is held in trust.⁵⁴ The City's likelihood of success in potential litigation over whether the City has sufficient interest in the DIA Assets (or in any of them) to permit it to sell any such assets and use the proceeds of sale for its own purposes, including payment of operating expenses or debt, is uncertain. Any such litigation would likely take substantial time and cause the City to incur substantial expense.

⁵² See Plan, at Exhibit I.A.127 (DIA Settlement Documents).

⁵³ See *supra*, ¶ N.2; 11 U.S.C. § 904.

⁵⁴ See Michigan Attorney General Opinion No. 7272 (June 13, 2013).

2. For the reasons set forth in the Confirmation Opinion, even if the City were to prevail in whole or in part in such litigation over the City's ability to sell the DIA Assets, it would not be in the City's best interests to liquidate the DIA Assets because (a) the City's ability to realize, on a timely basis, the full value of each of the DIA Assets it would be permitted to sell is uncertain and (b) a forced liquidation of the DIA Collection likely would yield only a fraction of the DIA Collection's true economic value. A proposed sale or other deaccession of the DIA Assets would have been resisted, and likely would have provoked adverse action, including litigation, by (a) DIA Corp. and donors to DIA Corp. and to the DIA and (b) the international art community. Preservation of the DIA Assets and the DIA is strongly in the interest of the City and its residents, is an important element in the revitalization of the City, critical to the feasibility of the Plan and to the City's future and therefore is in the interest of its creditors, who are receiving under the Plan payments over a period of time.

3. The compromises and settlements embodied in the DIA Settlement (a) accurately reflect and effectively resolve a substantial dispute surrounding the extent of the property rights the City possesses with respect to the DIA Assets, (b) avoid objections to confirmation of the Plan regarding the Plan's treatment of Pension Claims, (c) resolve pending appeals regarding the Court's ability to impair pensions under chapter 9 of the Bankruptcy Code, and (d) are,

collectively, a key compromise upon which several provisions of the Plan rest.

In the absence of the DIA Settlement, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses.

4. The DIA Settlement has not been entered into fraudulently, nor with the intent to hinder, delay or defraud any entity to which the City is, or may become, indebted on or after the Effective Date. The DIA Settlement is not a fraudulent transfer under state or federal law.

5. The transfer of the DIA Assets to the DIA Corp. serves the public purpose of providing civic, artistic and cultural activities to the general public. Such transfer is authorized by law, including by Section 4k of the Michigan Home Rule City Act, M.C.L. § 117.4k, and Section 1-102 of the Detroit City Charter.

6. The DIA Settlement (a) eliminates the risk and expense of litigation regarding the DIA Assets and the Plan's treatment of Pension Claims and (b) leverages the DIA Assets for the benefit of the City's pensioners while also protecting the DIA Assets from the threat of liquidation and preserving the DIA Assets for the benefit of the City, its residents and surrounding communities. Based on the evidence of (a) the amount of the consideration to be provided under the DIA Settlement directly to the Retirement Systems, (b) DIA Corp.'s commitments to the City under the DIA Settlement, including the obligation to

maintain for the benefit of the public an encyclopedic art museum the permanent primary situs of which will be in the City, and (c) the settlement of litigation over the extent of the City's right, title or interest in the DIA Assets, the DIA Settlement and the transfer of the DIA Assets as provided in the DIA Settlement are for fair value and fair consideration and are fair, equitable, reasonable and in the best interests of the City and its creditors and residents.

S. The UTGO Settlement. After sufficient notice and opportunity for all parties to be heard, and after due deliberation, based on the Court's thorough review and full consideration of the UTGO Settlement Agreement and good and sufficient cause appearing therefor, the Court makes the following findings of fact and conclusions of law with respect to the UTGO Settlement:

1. The UTGO Settlement described in the Plan and the UTGO Settlement Agreement are fair, equitable, reasonable and in the best interests of the City and its creditors and residents. The UTGO Settlement Agreement is the result of extensive arm's length negotiations among the City and the Settling UTGO Bond Insurers – all of whom were represented by sophisticated counsel. The compromises and settlements embodied in the UTGO Settlement (a) resolve all disputes with respect to claims classified in Class 8 under the Plan and the issues raised by the Settling UTGO Bond Insurers in the UTGO Litigation and (b) are, collectively, a key compromise upon which several provisions of the

Plan rest. In the absence of such compromises and settlements, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses.

2. The UTGO Settlement and the UTGO Settlement

Agreement: (a) were negotiated and entered into in good faith; (b) comport with the policies and purposes of chapter 9; (c) are fair, equitable and reasonable; (d) are in the best interests of the City and its creditors and residents as they not only fully resolve the UTGO Litigation but also permit the City's assignees to receive value from the Assigned UTGO Bond Tax Proceeds as set forth in the Plan, which receipt fulfills a requirement of the State Contribution Agreement; (e) are within the range of reasonable results if the disputes resolved by the UTGO Settlement, including the UTGO Litigation, were instead litigated to a conclusion; (f) fall above the lowest point in the range of reasonableness; and (g) meet the standards for approval under sections 105(a) and 1123(b) of the Bankruptcy Code, Bankruptcy Rule 9019(a) and other applicable law.

3. Without limiting any of the foregoing, the Court hereby finds that:

- The Plan incorporates the UTGO Settlement Agreement, and the effectiveness of the Plan is expressly conditioned upon: (a) the MFA board having approved the issuance of the Restructured UTGO Bonds and such bonds having been issued;

and (b) the City having obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of the UTGO Settlement Agreement.⁵⁵

- As of the Effective Date, the Plan represents a full, final and complete compromise, settlement, release and resolution of, among other matters, all disputes and pending or potential litigation (including any appeals), including, without limitation, the UTGO Litigation, regarding the allowability, amount, priority and treatment of the Unlimited Tax General Obligation Bond Claims. The treatment of Class 8 Unlimited Tax General Obligation Bond Claims under the Plan is a component of a settlement and compromise of the UTGO Litigation.⁵⁶
- Good and valuable consideration has been provided for all releases and exculpations granted pursuant to the UTGO Settlement Agreement, including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the UTGO Settlement Agreement. Such provisions are fair, equitable, reasonable and integral elements of the UTGO Settlement Agreement.⁵⁷
- The Court confirms that, as of the Effective Date and pursuant to Emergency Manager Bond Order No. 4, the Municipal Obligation shall be secured, to the extent permitted by law, including, without limitation, Section 12(1)(x) of PA 436, by a lien granted by the City on the UTGO Bond Tax Levy

⁵⁵ See Plan, at §§ III.A.9, III.A.10.

⁵⁶ See Plan, at § II.B.3.o.ii, Exhibit I.A.360.

⁵⁷ See Plan, at Exhibit I.A.360.

for so long as either the Municipal Obligation or the Stub UTGO Bonds are outstanding.⁵⁸

- As of the Effective Date, the UTGO Bond Tax Levy shall constitute "special revenues," as defined in section 902 of the Bankruptcy Code, and "pledged special revenues," as that term is used in section 922(d) of the Bankruptcy Code.⁵⁹
- As of the Effective Date, the MFA shall possess a valid and enforceable statutory fourth lien and trust on the shared revenue payments that the City is entitled to receive from the State under the Michigan Constitution and Michigan Public Act 140 of 1971, the Glenn Steil State Revenue Sharing Act, M.C.L. §§ 141.901, *et seq.*, as amended ("Distributable State Aid"), as provided in Section 15(2) of Michigan Public Act 227 of 1985, the Shared Credit Rating Act, M.C.L. §§ 141.1051, *et seq.*, or as otherwise provided under applicable law.⁶⁰
- As of the Effective Date, Holders of the Restructured UTGO Bonds shall possess all of the MFA's rights and interest in the Municipal Obligation including all the rights and interest provided herein and under the UTGO Settlement Agreement, subject to the reservation by the MFA of rights to indemnification and to make all determinations and approvals and receive all notices accorded to it under the Municipal Obligation and related documents. Accordingly, the Restructured UTGO Bonds will be payable from and secured by (a) payments made by the City on the Municipal Obligation and to the extent

⁵⁸ See *id.*

⁵⁹ See *id.*; 11 U.S.C. §§ 902, 922(d).

⁶⁰ See Plan, at Exhibit I.A.360.

permitted by law, including, without limitation, Section 12(1)(x) of PA 436, a lien on the portion of the UTGO Bond Tax Levy allocable to the Municipal Obligation, pledged by the City to secure the Municipal Obligation; and (b) a lien, made a statutory lien as provided by the Shared Credit Rating Act, on moneys in the funds and accounts established for the Restructured UTGO Bonds under the authorizing resolution for such bonds, including payments pledged by the City and received and held by the MFA or its trustee for the Restructured UTGO Bonds, which include, without limitation, all payments of (i) the proceeds of the UTGO Bond Tax Levy and (ii) Distributable State Aid.⁶¹

T. The LTGO Settlement. The LTGO Settlement Agreement and all Sections of the Plan pertaining to recoveries upon Limited Tax General Obligation Bond Claims, including Sections II.B.3.n and II.B.3.p.i.A of the Plan (such sections of the Plan, collectively with the LTGO Settlement Agreement, the "LTGO Settlement") are fair, equitable, reasonable and in the best interests of the City and its creditors and residents. The LTGO Settlement is the result of extensive arm's length negotiations among the City, the LTGO Insurer and BlackRock Financial Management (on behalf of certain managed funds and accounts) ("BlackRock"). The compromises and settlements embodied in the LTGO Settlement (1) resolve all disputes with respect to (a) the Plan and any objections filed by the LTGO Insurer or BlackRock related to the Plan, (b) the

⁶¹ See *id.*

Claims classified in Class 7 under the Plan and (c) all issues relating to Limited Tax General Obligation Bonds raised in the adversary proceeding brought before the Bankruptcy Court, captioned as *Ambac Assurance Corp. v. City of Detroit, Michigan*, No. 13-5310 (Bankr. E.D. Mich.) (the "Ambac Action"); and (2) are, collectively, a key compromise upon which several provisions of the Plan rest.⁶² In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.

The treatment of Limited Tax General Obligation Bonds and related Limited Tax General Obligation Bond Claims under the Plan is part of the settlement of the Ambac Action, as such proceeding relates to such Bonds and Claims.

U. The OPEB Settlement. The OPEB Settlement is the result of extensive arm's length negotiations between the City and the Retiree Committee, which was represented by sophisticated counsel, and is an integral component of the City's global settlement of pension-related and other labor-related issues negotiated with, among others, the Retiree Committee. The compromises and settlements embodied in the OPEB Settlement (1) resolve all disputes with respect to the aggregate valuation of Claims classified in Class 12 under the Plan and the issues raised by the Retiree Committee in the Retiree Health Care Litigation; and

⁶² See Plan, at Exhibit I.A.237 (LTGO Settlement Agreement).

(2) are, collectively, a key compromise upon which several provisions of the Plan rest. In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.

1. The OPEB Settlement is in the best interests of the City and its creditors and residents as it fully resolves (a) the dispute between the City and the Retiree Committee regarding the aggregate valuation of OPEB Claims and the treatment of OPEB Claims under the Plan and (b) the Retiree Health Care Litigation. The OPEB Settlement is within the range of reasonable results if the disputes resolved by the OPEB Settlement, including the Retiree Health Care Litigation, were instead litigated to a conclusion.

V. The 36th District Court Settlement. The 36th District Court Settlement is the result of extensive arm's length negotiations among the City, the 36th District Court and the Settling 36th District Court Claimants. The compromises and settlements embodied in the 36th District Court Settlement resolve all disputes with respect to (1) the Plan and any objections filed by Settling 36th District Court Claimants related to the Plan and (2) the treatment of Indirect 36th District Court Claims under the Plan. In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been

delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.

1. The 36th District Court Settlement is in the best interests of the City and its creditors and residents as it not only resolves the treatment of Indirect 36th District Court Claims under the Plan, but also provides for the payment of the Settling 36th District Court Claimants' Claims at a significant discount while enabling the City to avoid further litigation with the Settling 36th District Court Claimants regarding the City's power to impair Indirect 36th District Court Claims under the Plan. The 36th District Court Settlement is within the range of reasonable results if the disputes resolved by the 36th District Court Settlement were instead litigated to a conclusion.

W. The Syncora Settlement. The Syncora Settlement is the result of extensive arm's length negotiations among the City, Syncora and other interested parties impacted by the Syncora Settlement, including the Retiree Committee and the LTGO Insurer. The Syncora Settlement includes a long term commitment by Syncora to the revitalization of core areas of the City and a partnership between Syncora and the City focused on the City's growth. Without limiting the foregoing, the Court hereby finds as follows with respect to the Syncora Settlement:

1. The compromises and settlements embodied in the Syncora Settlement resolve all disputes between the City and Syncora with respect to (a) any Class 9 Claim or Class 14 Claim held by Syncora, (b) the Plan and all objections filed by Syncora related to the Plan (including any objection related to the UTGO Settlement) and (c) all issues arising in connection with the Dismissed Syncora Litigation, including, but not limited to, issues arising in connection with the COP Swap Settlement and the Tunnel Lease. In the absence of the Syncora Settlement, the City's emergence from chapter 9 likely would have been delayed by additional litigation and burdened with additional expenses, with no assurance of a better result for the City. The Syncora Settlement is (a) a reasonable exercise of the City's business judgment and (b) within the range of reasonable results if the disputes resolved by the Syncora Settlement were instead litigated to a conclusion.

2. As part of the Syncora Settlement and to resolve all pending litigation involving the City and Syncora, the parties have agreed to enter into certain transactions (collectively, the "Syncora Redevelopment Transactions"), which include: (a) the amendment, assumption and extension of the Tunnel Lease;⁶³ (b) the Syncora Development Agreement;⁶⁴ and (c) the agreement between the City and Pike Pointe Holdings, LLC (the "Developer"), a subsidiary of

⁶³ See Plan, at Exhibit I.A.344.

⁶⁴ See Plan, at Exhibit I.A.340.

Syncora, that provides the Developer, for a period of one year following the Effective Date, with the option to enter into a 30-year concession agreement to operate and maintain the Grand Circus Parking Garage. The Syncora Redevelopment Transactions will provide the City with benefits that the City otherwise would be unable to realize, including by laying the groundwork for a decades-long partnership between the City and Syncora that promises to provide substantial investment in, and rehabilitation of, City assets on a mutually beneficial basis. In addition, pursuant to the Syncora Settlement, the City will pay Syncora the sum of \$5 million (the "Swap-Related Consideration") in consideration for Syncora's (a) dismissal of Syncora's appeals of the COP Swap Settlement Approval Order (Docket No. 4094) and the Order Regarding Casino Revenues and Automatic Stay (Docket No. 670) and (b) withdrawal of Syncora's other litigation claims arising from the COP Swap Documents.⁶⁵ The Swap-Related Consideration, and any consideration provided by the City to Syncora in connection with the Syncora Redevelopment Transactions, is separate and distinct from, and constitutes no part of, the treatment under the Plan of Class 9 COP Claims. The Syncora Development Agreement is solely for the benefit of Syncora (subject to any provision set forth in the Plan for payment of COP Agent Fees). The Syncora

⁶⁵ See Plan, at § IV.I.

Settlement provides benefits to Classes 7, 12 and 14 under the Plan that would otherwise have been unavailable thereto.

X. The FGIC/COP Settlement. The FGIC/COP Settlement is the result of extensive good faith, arm's length negotiations among the City, FGIC, the FGIC COP Holders and the State. The FGIC/COP Settlement is founded on a long term commitment by FGIC to the revitalization of core areas of the City and a partnership among FGIC, the City and the State focused on the City's growth. Without limiting the foregoing, the Court hereby finds as follows with respect to the FGIC/COP Settlement:

1. The compromises and settlements embodied in the FGIC/COP Settlement resolve all disputes between the City, FGIC and the FGIC COP Holders with respect to (a) all Class 9 or Class 14 Claims held by FGIC and all Class 9 Claims held by the FGIC COP Holders, (b) the Plan and any objection filed by FGIC or the FGIC COP Holders related to the Plan and (c) all issues arising in connection with the Dismissed FGIC/COP Litigation. In the absence of the FGIC/COP Settlement, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City. The FGIC/COP Settlement is (a) a reasonable exercise of the City's business judgment and (b) within the range of

reasonable results if the disputes resolved by the FGIC/COP Settlement were instead litigated to a conclusion.

2. As part of the FGIC/COP Settlement and to resolve all pending litigation involving the City and FGIC, the City and FGIC have agreed to enter into the FGIC Development Agreement. The FGIC Development Agreement will provide the City with various benefits that the City otherwise would be unable to realize, including by laying the groundwork for a decades-long partnership among the City, FGIC and the State that promises to provide substantial investment in, and rehabilitation of, City assets. Any consideration provided by the City to FGIC in connection with the FGIC Development Agreement is separate and distinct from, and constitutes no part of, the treatment under the Plan of Class 9 COP Claims. The FGIC Settlement Consideration and the FGIC Development Agreement are solely for the benefit of FGIC and the FGIC COP Holders (subject to any provision set forth in the Plan for payment of COP Agent Fees).⁶⁶

⁶⁶ In addition, pursuant to the FGIC/COP Settlement, in full satisfaction and discharge of FGIC's Claims against the City related to the COP Swap Documents, FGIC will receive an Allowed Class 14 Claim in the amount of \$6.13 million and the Downtown Development Authority shall assign to FGIC all of the Downtown Development Authority's right, title and interest to its distribution of New B Notes under the Plan on account of its \$33.6 million Class 13 Claim. This consideration is solely for FGIC's benefit.

The FGIC/COP Settlement provides benefits to Classes 7, 12 and 14 under the Plan that would otherwise have been unavailable thereto.

3. The consideration to be paid by the City pursuant to the Syncora Settlement and the FGIC/COP Settlement is expected to be offset by certain newly-identified sources of revenue not incorporated into the City's July and September 2014 Projections (the "Prior Projections"), meaning that (a) the City's overall cash position set forth in the Prior Projections remains materially unchanged in the City's October 2014 Projections (incorporating the costs of the Syncora Settlement and the FGIC/COP Settlement) and (b) the City will have sufficient cash and revenues to satisfy its obligations under the Settlements and meet its operating expenses going forward.

Y. ASF Recoupment. ASF Recoupment, as set forth at Section II.B.3.r.ii.D of the Plan, is: (1) an integral component of the City's global settlement of pension-related and other labor-related issues negotiated with, among others, the Retirement Systems and the Retiree Committee; and (2) is well within the range of possible reasonable settlements.

1. During the period beginning in the mid-1980s until fiscal year 2012, Annuity Savings Fund accounts maintained on behalf of certain participants (who voluntarily contributed after tax dollars into the Annuity Savings Fund maintained by the GRS) often were credited with interest in excess of the

actual or market rate of return for assets in the GRS Traditional Pension Plan (such interest, the "ASF Excess Interest"). Because the assets credited to such Annuity Savings Fund accounts were coinvested with the assets of the GRS Traditional Pension Plan, assets of the GRS Traditional Pension Plan were allocated to the applicable Annuity Savings Fund accounts to fund such ASF Excess Interest. The City asserts that the aggregate total of such ASF Excess Interest credited during the period from 2003 through 2013 was approximately \$387 million. The ASF Recoupment contemplated by the Plan would recover approximately \$190 million in total ASF Excess Interest credited to Annuity Savings Fund accounts through reductions to retiree pension benefits and asset transfers from active GRS participants.

2. The City has argued that the crediting of ASF Excess Interest to Annuity Savings Fund accounts constitutes a violation under Michigan Public Act 314 of 1965, the Public Employee Retirement System Investment Act, as well as the common law of trusts of the fiduciary duties owed to the GRS Traditional Pension Plan by the GRS Trustees and was an *ultra vires* act under the Detroit City Charter. Several GRS participants object, and assert a number of defenses to, the ASF Recoupment proposed by the City.

3. The Court does not rule on the merits of the City's claim to recover ASF Recoupment or the merits of the GRS participants' defenses.

The Court reviews the parties' respective positions solely to determine whether the ASF Recoupment component of the City's broader pension-related settlement is reasonable. The Court finds substantial merit in the City's claim to recover ASF Excess Interest. The legal authority of the GRS Trustees to credit ASF Savings Fund Accounts with ASF Excess Interest was doubtful, and the prudence of the practice even more so. The Court further finds that the defenses to ASF Recoupment asserted by the objecting GRS participants likely have little merit. Accordingly, the Court finds that the City would have a reasonable likelihood of success (between 60% and 70%) on any claim to recover ASF Excess Interest. Nevertheless, the length, complexity and expense of any such litigation, and related issues of collectability, would be substantial.

4. ASF participants received due process of law with respect to ASF Recoupment. In particular, ASF participants received (a) the Plain Language Supplement as part of their Solicitation Packages describing in detail the effect of ASF Recoupment (as well as subsequent communications from the City, the Retiree Committee, the Retirement Systems and certain retiree associations) and (b) sufficient opportunity to object to the Plan and ASF Recoupment, an opportunity exercised by many ASF participants.⁶⁷

⁶⁷ See Certificate of Service (Docket No. 6177), at ¶¶ 10, 14.

5. ASF Recoupment will not cause the amounts recovered from ASF Distribution Recipients to exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap as such amounts are amortized over time using a 6.75% interest rate. Subject to Section II.B.3.r of the Plan, GRS participants subject to ASF Recoupment have the option to pay the ASF Recoupment Amount in a lump sum. The caps and other limitations on ASF Recoupment limit the hardship resulting to GRS participants therefrom.

Z. Plan Releases. Each non-Debtor party that will benefit from the releases, exculpations and related injunctions set forth in, among others, Sections III.D.5, III.D.6 and III.D.7 of the Plan (collectively, the "Plan Releases") either shares an identity of interest with the City, was instrumental to the successful prosecution of the Chapter 9 Case or provided substantial consideration, which value will allow for distributions that would not otherwise be available but for the contributions made by such non-Debtor parties. The Plan Releases are, individually and collectively, integral to, and necessary for the successful implementation of, the Plan, essential to the City's restructuring and supported by reasonable consideration. The City and all creditors that voted to accept the Plan have expressly consented to the Plan Releases. Releases of non-Debtor parties pursuant to Section III.D.7 of the Plan were appropriately disclosed by the City in the Disclosure Statement, on each Ballot mailed to creditors and in the Plain

Language Supplement.⁶⁸ Accordingly, in light of all of the circumstances, the Plan Releases are consonant with the prevailing law in this District and are fair to the releasing parties. Without limiting the foregoing, the Court hereby finds as follows with respect to the Plan Releases:

1. The releases set forth in Section III.D.7.a of the Plan are consensual releases that apply only to holders of Claims that voted to accept the Plan. The Plan's consensual release provisions are lawful and appropriate.

2. The exculpation provision contained in Section III.D.6 of the Plan complies with applicable law and is appropriate. Such provision contains a carve-out for gross negligence and willful misconduct and is limited to claims arising out of the City's restructuring efforts and the Chapter 9 Case. In addition, the Plan's exculpation provision extends only to certain parties who either have settled with the City or have actively participated in the City's restructuring activities.

3. The non-consensual third party releases and related injunctions contained in the Plan (as such releases and injunctions may have been modified herein with respect to claims asserted against officers and employees of the City in their individual capacity pursuant to 42 U.S.C. § 1983 (*see ¶¶ 22, 32 below*)) are lawful and appropriate because unusual circumstances exist in the

⁶⁸ See, e.g., Disclosure Statement, at 16, 28-29, 37, 39, 50, 52, 60.

City's Chapter 9 Case that justify their application. As far as this Court is aware, this is the first chapter 9 case wherein (a) the debtor has sought to compromise pension benefits for a municipality's active and retired workforce *and* (b) third parties under no obligation to contribute funds to creditors of a municipal debtor have volunteered to provide funding in addition to proposed recoveries under the debtor's plan of adjustment.

4. As part of the Grand Bargain, the State has agreed to contribute \$194.8 million to reduce the Retirement Systems' underfunding.⁶⁹ The settlements the City reached with representatives of its retirees and employees are conditioned upon the receipt of the State funding.⁷⁰ The contributions to be made by the State pursuant to the State Contribution Agreement are made in exchange for the release of, among other things, (a) the constitutionally-based claims asserted by the Retirement Systems and holders of Pension Claims that such Claims may not be impaired and (b) certain litigation identified in the State Contribution Agreement. The funding obligation of the State under the State Contribution Agreement is expressly conditioned upon the State and the State Related Entities obtaining the release set forth in Section III.D.7.b of the Plan.⁷¹

⁶⁹ See Plan, at Exhibit I.A.332 (State Contribution Agreement).

⁷⁰ See Plan, at Exhibits I.A.127, I.A.332.

⁷¹ See Plan, Exhibit I.A.332, at 5.

The funding obligation of the DIA Funders under the DIA Settlement Documents is expressly conditioned upon the State's provision of funding pursuant to the State Contribution Agreement.⁷² Because (a) the consummation of both the State Contribution Agreement and the DIA Settlement – and, thus, the State's and DIA Funders' respective contributions pursuant thereto – depends upon the approval of the releases set forth at Section III.D.7.b of the Plan; (b) the releases set forth at Section III.D.7.b of the Plan apply only with respect to holders of Class 10 and Class 11 Claims, *i.e.*, direct beneficiaries of both the State Contribution Agreement and the DIA Settlement; and (c) such provisions otherwise comply with applicable law, the Court hereby finds that the releases set forth at Section III.D.7.b of the Plan and any related injunctions are lawful and appropriate under the unusual circumstances of the City's Chapter 9 Case.

MISCELLANEOUS

AA. Exit Facility. The terms and conditions of the Exit Facility and all of the transaction documents governing the Exit Facility, including, but not limited to, bond purchase agreements, indentures, bond forms, account control agreements and all other related documents and agreements (collectively, the "Exit Facility Documents") and the fees to be paid thereunder (1) are fair and reasonable, (2) reflect the City's exercise of prudent judgment, (3) are supported by reasonably

equivalent value and fair consideration, (4) are proposed in good faith, (5) are critical to the success and feasibility of the Plan and (6) are in the best interests of the City. The Exit Facility and the fees to be paid thereunder are the result of a full and fair marketing process conducted by the City and its agents and advisors.

The Exit Facility and the Exit Facility Documents and the fees to be paid thereunder were negotiated in good faith, without fraud or collusion and at arm's length among the parties, without the intent to hinder, delay or defraud any creditor of the City, and are supported by reasonably equivalent value and fair consideration. Credit extended under the Exit Facility and the Exit Facility Documents is extended in good faith for purposes and uses that are permitted by law, and not in violation of the Bankruptcy Code or of applicable nonbankruptcy law, and the Exit Facility (including the transactions contemplated by the Exit Facility Documents) is not prohibited by applicable bankruptcy or nonbankruptcy law. Each of (1) the MFA, (2) Barclays Capital Inc. (or such other qualifying affiliate as transferee), (3) the indenture trustee to be named under the Exit Facility Documents and (4) the holders of the bonds to be issued in connection with the Exit Facility (collectively, the "Exit Bonds"), therefore, shall not be affected by any reversal, modification, vacatur, amendment, reargument or reconsideration of this Order, any order finding jurisdiction, the Order for Relief or any other order.

BB. Waiver of Stay of Confirmation Order. To enable the City to (1) consummate the DIA Settlement and the State Contribution Agreement expeditiously, both of which settlements are conditioned upon the occurrence of the Effective Date; (2) begin implementing, and making distributions to the City's creditors pursuant to, the Plan; and (3) emerge from bankruptcy as expeditiously as possible to minimize costs to all parties and remedy its service delivery insolvency, good cause exists to support a waiver of the stay imposed by Bankruptcy Rule 3020(e).

ACCORDINGLY, IT IS HEREBY ORDERED, ADJUDGED AND DECREED, AS FOLLOWS:

A. Confirmation of Plan

1. The Plan and each of its provisions (whether or not specifically approved herein) are CONFIRMED in each and every respect, pursuant to section 943 of the Bankruptcy Code. Failure specifically to include or reference particular sections or provisions of the Plan or any related agreement in this Order shall not diminish or impair the effectiveness of such sections or provisions, it being the intent of the Court that the Plan be confirmed and such related agreements be approved in their entirety.

2. The Effective Date of the Plan shall occur on the date determined by the City when the conditions set forth in Section III.A of the Plan

have been satisfied or, if applicable, have been waived in accordance with Section III.B of the Plan.

3. Any objections or responses to Confirmation of the Plan and the reservation of rights contained therein that (a) have not been withdrawn, waived or settled prior to the entry of this Order or (b) are not cured by the relief granted herein are hereby OVERRULED in their entirety and on their merits, and all withdrawn objections or responses are hereby deemed withdrawn with prejudice.

B. Findings of Fact and Conclusions of Law

4. Any finding of fact set forth in this Order constitutes a finding of fact even if it is stated as a conclusion of law, and any conclusion of law set forth in this Order constitutes a conclusion of law even if it is stated as a finding of fact. All findings of fact and conclusions of law announced by the Court on the record in connection with confirmation of the Plan or otherwise at the Confirmation Hearing or in the Confirmation Opinion are incorporated herein by reference.⁷³ The findings of fact and conclusions of law set forth herein, in the

⁷³ The findings of fact and conclusions of law that are (a) set forth herein, (b) announced on the record during the Confirmation Hearing and (c) in the Confirmation Opinion shall be construed in a manner consistent with each other so as to effect the purpose of each; *provided, however,* that if there is any direct conflict that cannot be reconciled, then, solely to the extent of such conflict, the provisions of the Confirmation Opinion shall govern and

Confirmation Opinion and in the record of the Confirmation Hearing constitute the Court's findings of fact and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure, as made applicable herein by Bankruptcy Rules 7052 and 9014.

C. Approval of Settlements

5. Consistent with the findings herein, the DIA Settlement, the State Contribution Agreement, the UTGO Settlement, the LTGO Settlement, the 36th District Court Settlement, the OPEB Settlement, the Syncora Settlement and the FGIC/COP Settlement (collectively, the "Settlements"), including, without limitation, any and all of the transactions contemplated, liens granted and protections created therein, are approved in all respects as good faith, fair, reasonable and equitable compromises and settlements of all disputes with respect to the subject matter thereof that are in the best interests of the City and its creditors and residents.

6. The entry of this Order constitutes: (a) approval of the each of the Settlements pursuant to, as applicable, (i) the Bankruptcy Rules, including Bankruptcy Rule 9019, (ii) the Bankruptcy Code, including section 1123 thereof

(continued...)

shall control and take precedence over any findings of fact or conclusions of law announced on the record at the Confirmation Hearing or in the Confirmation Opinion.

8. As provided in the Plan, on the Effective Date, the UTGO Settlement Agreement shall be binding on the City, Ambac, Assured and NPGF. All exculpations and releases granted pursuant to the UTGO Settlement, including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the UTGO Settlement Agreement, are hereby approved in their entirety.

The Court approves such settlements and releases on the grounds that good and valuable consideration has been provided therefor, and that such provisions are fair, equitable, reasonable and integral elements of the UTGO Settlement Agreement.

9. The proceeds of the UTGO Bond Tax Levy collected by the City shall be segregated and transmitted to the Debt Millage Escrow Trustee (as such term is defined at Section 2.4(a) of the UTGO Settlement Agreement) under the Debt Millage Escrow Agreement (as such term is defined at Section 1.2 of the UTGO Settlement Agreement), and the Debt Millage Escrow Trustee shall segregate and transmit the proceeds allocable to the Municipal Obligation to the Master Trustee (as such term is defined at Section 1.2 of the UTGO Settlement Agreement) in accordance with Section 2.4(a) of the UTGO Settlement Agreement.

10. Pursuant to the Section 2.7(b) of the UTGO Settlement Agreement, the City shall certify annually, not later than June 30 of each year, that it has imposed the debt millage levy as required by and in accordance with the terms of the UTGO Settlement Agreement.

11. All exculpations and releases granted pursuant to the LTGO Settlement, including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the LTGO Settlement Agreement, are hereby approved in their entirety. The Court hereby approves such settlements and releases on the grounds that good and valuable consideration has been provided

therefor, and that such provisions are fair, equitable, reasonable and integral elements of the LTGO Settlement.

12. All consent rights granted by the City to the LTGO Settlement Parties, on behalf of the holders of Allowed Limited Tax General Obligation Bond Claims, as reflected in the LTGO Settlement and specifically in Section II.B.3.p.i.A of the Plan, with respect to pre-Effective Date and post-Effective Date settlements of the COP Litigation are integral elements of the LTGO Settlement and supported by good and valuable consideration.

13. In accordance with the LTGO Settlement, each month, the City shall segregate and deposit into a debt service fund monies for the payment of one-sixth of the next semi-annual debt service payable on the New LTGO Bonds, which monies shall not be used for any purpose other than paying debt service on the New LTGO Bonds so long as any New LTGO Bonds remain outstanding.

14. The Syncora Settlement Documents, including, but not limited to, (a) the Settlement Agreement between the City and Syncora, (b) the Syncora Development Agreement (including the garage option) and (c) the Tunnel Lease, and all transactions contemplated thereby, are hereby approved in all respects. The Syncora Development Agreement shall be administered by, and consideration related thereto shall be distributed to, Syncora in a manner consistent with this Order and the Plan.

15. Notwithstanding anything to the contrary in this Order or the Plan (including, without limitation, Sections II.B.3.p.i.A, III.D.6 or IV.L of the Plan, the FGIC/COP Settlement or the Syncora Settlement): (a) none of the form, method, mechanics or allocation of distributions in Section II.B.3.p.i.A of the Plan, nor any findings or orders of the Bankruptcy Court related thereto, shall, or shall be asserted or construed to, affect or prejudice any rights, claims or defenses between the COP Swap Counterparties, on the one hand, and any Settling COP Claimant (including Syncora, FGIC and the FGIC COP Holders) or COP Insurer, on the other hand. Subject to the proviso at the end of this paragraph, the preceding sentence hereby amends and replaces in its entirety the fourth paragraph of Section II.B.3.p.i.A of the Plan; (b) neither (i) any determinations, adjudications, findings or rulings in the Plan or by the Bankruptcy Court regarding the distributions or consideration provided to the COP Insurers or the Settling COP Claimants under the Plan, including whether such distributions or consideration are solely for the benefit of any particular parties nor (ii) any acceleration or deemed acceleration of any COPs provided for in the Plan or by the Bankruptcy Court shall in any way affect or prejudice any rights, claims or defenses of the COP Swap Counterparties, including with respect to such distributions or consideration; and (c) no release or agreement by any COP Agent provided for in the Plan (including, without limitation any agreement not to sue any COP Holder or any COP Insurer

in Section II.B.3.p.i.A of the Plan) or by the Bankruptcy Court, shall in any way affect any liability of such COP Holder, COP Insurer or COP Agent to any COP Swap Counterparty (or to any COP Agent on behalf of such COP Swap Counterparty) or impair in any way the rights or obligations of any COP Swap Counterparty or COP Agent (on behalf of any COP Swap Counterparty) to sue any COP Holder, COP Insurer or COP Agent; *provided, however* that, notwithstanding anything in this paragraph to the contrary, the COP Swap Counterparties have agreed not to, and shall not, seek to enjoin, block, prevent, subject to any lien (other than a judgment lien) or otherwise interfere with (a) the distribution by the Debtor of the Class 9 Settlement Asset Pool and New B Notes to, as applicable, FGIC, the FGIC COP Holders, Syncora and the Settling COP Claimants under and as provided for in Section II.B.3.p.i.A of the Plan, (b) any performance, operation, administration of, sale of, transfer of, assignment of or other action with respect to the FGIC Development Agreement, the Syncora Development Agreement or the Tunnel Lease (it being understood that this clause (b) shall not impair any rights or claims of the COP Swap Counterparties to monetary damages related to such agreements or the value thereof), or (c) except as a defense, counterclaim or claim against and in response to a party asserting a counterclaim, in each case asserted by either of the COP Swap Counterparties, distributions to FGIC, the FGIC COP

Holders, Syncora and the Settling COP Claimants (as applicable) of the proceeds of any of the foregoing.

16. The FGIC/COP Settlement Documents, including, but not limited to, (a) the Settlement Agreement between the City and FGIC, (b) the Stipulation Regarding FGIC Plan COP Settlement and FGIC COP Swap Settlement and (c) the FGIC Development Agreement, and all transactions contemplated thereby are hereby approved in all respects. The FGIC Settlement Consideration and the FGIC Development Agreement shall be administered and distributed to FGIC and the FGIC COP Holders in a manner consistent with this Order and the Plan. The allocation of Plan distributions among FGIC and the FGIC COP Holders shall be determined in accordance with agreements among FGIC and the FGIC COP Holders disclosed in a term sheet filed with the Court on October 22, 2014, as the same was amended on October 27, 2014 and may be subsequently amended (with the written consent of the parties thereto) and more fully documented (the "FGIC/FGIC COP Holders Term Sheet"). Pursuant to the FGIC/COP Settlement, the Downtown Development Authority shall, as of the Effective Date, irrevocably assign to FGIC all of the New B Notes that the Downtown Development Authority is entitled to receive pursuant to its Class 13 Allowed Claim.

17. The COP Service Corporations shall enter into such Supplemental Trust Agreements as FGIC and Syncora may reasonably request with respect to their respective insured COPs as long as such Supplemental Trust Agreements (a) do not impose any additional obligations or liability on the COP Service Corporations and (b) are consistent with the allocation of Plan distributions among FGIC and the FGIC COP Holders agreed to by and among FGIC and the FGIC COP Holders pursuant to the FGIC/FGIC COP Holders Term Sheet.

18. Pursuant to and in accordance with the New C Notes Documents, revenues collected by the City related to (a) tickets issued for parking violations (including, but not limited to, meter collections, towing, storage fees and booting fees), other than revenues that would otherwise be paid to the 36th District Court, and (b) if the New C Notes are issued in a principal amount greater than \$21,271,804, garage operations at the Parking Garages (collectively, the "City Parking Revenues") shall be directly remitted to a bank or banks or other financial institution which the Emergency Manager designates as a depository of the City (such institution, the "Depository Bank"). The Depository Bank shall deposit City Parking Revenues received by it into a special, separate and segregated fund (the "City Parking Revenue Fund") established at the Depository Bank. Beginning on the date of delivery of the New C Notes and commencing on the first day of each fiscal year thereafter, each day, City Parking Revenues deposited into the City

Parking Revenue Fund shall be remitted by the Depository Bank to a special, separate and segregated account held for and on behalf of the City (the "Debt Retirement Fund") by the bond registrar, transfer agent and paying agent for the New C Notes until sufficient funds are on deposit in the Debt Retirement Fund to pay the principal and interest payable on the New C Notes on the last day of that Fiscal Year (such amount, the "Annual Deposit Requirement"). Once the Annual Deposit Requirement is satisfied for that fiscal year, any additional City Parking Revenues deposited in the City Parking Revenue Fund during that fiscal year may be remitted to the City for deposit into the General Fund and may be used by the City for any other purposes permitted by law.

D. Approval of Releases and Exculpation

19. The Plan Releases set forth in Section III.D.7 of the Plan are approved in all respects, are incorporated herein in their entirety, are so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court, any of the parties to such releases or any other party.

20. Without limiting any other applicable provisions of, or releases contained in, the Plan, this Order or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under

the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is hereby deemed to forever release, waive and discharge all Liabilities in any way relating to: (a) the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436), *provided that*, for the avoidance of doubt, any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

(b) (i) Claims that are compromised, settled or discharged under or in connection with the Plan, (ii) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (iii) the Plan, (iv) the Exhibits, (v) the Disclosure Statement or

(vi) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; *provided, however,* that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement.

21. Nothing in paragraph 20 hereof shall (a) affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; or (b) release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties.

22. For the avoidance of doubt, notwithstanding anything in the Plan or this Order (including paragraph 20) to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 shall not be released.

23. If the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed forever to release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the

authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the foregoing sentence does not provide for a release, waiver or discharge of obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (a) pensions as modified by the Plan or (b) labor-related obligations, which post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, the GRS or the PFRS.

24. As a condition to the State funding, the State and certain parties, including Michigan Council 25, Sub-Chapter 98, Local 3308 and Local 917 of AFSCME, entered into certain Support and Release Agreements and, for the avoidance of doubt, in the event of an express conflict between any such Support and Release Agreement, on the one hand, and the Plan, Plan Supplements or this Order, on the other hand, as to the parties to these Support and Release Agreements, their respective Support and Release Agreement shall govern.

25. Notwithstanding Sections III.D.5 through III.D.7 and IV.L of the Plan, paragraph Z of the above findings (titled "Plan Releases") and paragraphs 19 through 21 and 29 through 33 hereof, except as set forth in the COP Swap Settlement, nothing in the Plan or this Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order.

26. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, each Settling COP Claimant shall be, and hereby is, to the fullest extent permitted under law, deemed to forever release, waive and discharge all Liabilities relating to COP Documents such Settling COP Claimant has, had or may have against the (a) the GRS, (b) the PFRS or (c) Related Entities of either the GRS or the PFRS. At the direction of FGIC, which shall be, and hereby is, deemed given on the Effective Date, the COP Contract Administrator shall have irrevocably agreed (on behalf of

itself, any successors and each FGIC COP Holder) to release and not to sue any COP Holder or any COP Insurer on behalf of any FGIC COP Holder, COP Insurer, the Detroit Retirement Systems Funding Trust 2005 or the Detroit Retirement Systems Funding Trust 2006 in connection with any liability arising in connection with or related to (a) Sections 6.5 and 9.1 of the Contract Administration Agreements, (b) Section 8.03 of the COP Service Contracts, (c) distributions made pursuant to or in connection with Section II.B.3.p.i.A of the Plan, (d) the FGIC/COP Settlement or (e) the Syncora Settlement. On the Effective Date, Syncora and FGIC shall be, and hereby are, to the fullest extent permitted under law, deemed to forever mutually release, waive and discharge all liabilities against each other relating to distributions made pursuant to or in connection with Section II.B.3.p.i.A of the Plan, Sections 6.5 and 9.1 of the Contract Administration Agreements or Section 8.03 of the COP Service Contracts.

27. The exculpation provision set forth in Section III.D.6 of the Plan is approved in all respects, is incorporated herein in its entirety, is so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court, any of the parties to such exculpation or any other party. From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this paragraph, neither the City; its Related Entities (including the members of the City Council, the Mayor

and the Emergency Manager), to the extent a claim arises from actions taken by such Related Entity in its capacity as a Related Entity of the City; the State; the State Related Entities; the Exculpated Parties; nor the Released Parties shall have or incur any liability to any person or Entity for any act or omission in connection with, relating to or arising out of the City's restructuring efforts and the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the formulation, preparation, negotiation, dissemination, consummation, implementation, confirmation or approval (as applicable) of the Plan, the property to be distributed under the Plan, the settlements implemented under the Plan, the Exhibits, the Disclosure Statement, any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan or the management or operation of the City; *provided that* the foregoing provisions shall, and hereby do, apply to (a) the LTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the LTGO Settlement Agreement or the Plan (as it relates to the LTGO Settlement Agreement), (b) the UTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the UTGO Settlement Agreement or the Plan (as it relates to the UTGO Settlement Agreement), (c) the DWSD Exculpated Parties solely in connection with acts or omissions taken in connection with the DWSD Tender, DWSD Tender Motion or DWSD Tender Order, (d) the

Syncora Exculpated Parties solely in connection with acts or omissions taken in connection with the Syncora Settlement Documents and any actions or litigation positions taken by the Syncora Exculpated Parties in the Chapter 9 Case, (e) the FGIC/COP Exculpated Parties solely in connection with acts or omissions taken in connection with the FGIC/COP Settlement Documents and any actions or litigation positions taken by the FGIC/COP Exculpated Parties in the Chapter 9 Case, (f) the RDPMA Exculpated Parties and (g) the COP Agent, solely in its capacity as such and solely in connection with any Distributions made pursuant to the terms of the Plan; *provided, further*, that the foregoing provisions of this paragraph shall not affect the liability of the City, its Related Entities, the State, the State Related Entities, the Released Parties and the Exculpated Parties that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct or any act or omission occurring before the Petition Date. The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. This paragraph shall not affect any liability of

(a) any of the COP Swap Exculpated Parties to the Syncora Exculpated Parties or FGIC or (b) the Syncora Exculpated Parties or the FGIC/COP Exculpated Parties to any of the COP Swap Exculpated Parties. For the avoidance of doubt, notwithstanding anything in the Plan or this paragraph to the contrary, officers or employees of the City acting in their individual capacity shall not be exculpated from liability for claims asserted pursuant to 42 U.S.C. § 1983.

E. Order Binding on All Parties

28. Subject to the provisions of Section III.A of the Plan, in accordance with section 944(a) of the Bankruptcy Code and notwithstanding any otherwise applicable law, upon the occurrence of the Effective Date, the terms of the Plan and this Order shall be binding upon, and inure to the benefit of: (a) the City; (b) any and all holders of Claims (irrespective of whether (i) any such Claim is impaired under the Plan, (ii) proof of any such Claim has been filed or deemed filed under section 501 of the Bankruptcy Code, (iii) any such Claim is allowed under section 502 of the Bankruptcy Code or (iv) whether the holders of such Claims accepted, rejected or are deemed to have accepted or rejected the Plan); (c) the registered and beneficial holders of COPs; (d) any other person giving, acquiring or receiving property under the Plan; (e) any and all non-Debtor parties to Executory Contracts or Unexpired Leases with the City; (f) any party to any Settlement; and (g) the respective heirs, executors, administrators, trustees,

affiliates, officers, directors, agents, representatives, attorneys, beneficiaries, guardians, successors or assigns, if any, of any of the foregoing. All settlements (including, without limitation, the Settlements), compromises, releases (including, without limitation, the Plan Releases), waivers, discharges, exculpations and injunctions set forth in the Plan shall be, and hereby are, operative, effective and binding on all Persons who may have had standing to assert any settled, released, discharged, exculpated or enjoined causes of action, and no other Person or entity shall possess such standing to assert such causes of action after the Effective Date. The compromises and settlements (including, without limitation, the Settlements) embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to any collateral attack or other challenge by any Entity in any court or other forum.

F. Discharge of Claims

29. The Plan discharge provisions set forth in Section III.D.4 of the Plan are approved in all respects, are incorporated herein in their entirety, are so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court or any other party.

30. In accordance with Section III.D.4 of the Plan, except as specifically provided otherwise in the Plan or this Order, as of the Effective Date, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, all

debts of the City shall be, and hereby are, discharged, and such discharge will void any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; *provided that*, in accordance with section 944(c)(1) of the Bankruptcy Code, such discharge shall not apply to (a) debts specifically exempted from discharge under the Plan, (b) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case, (c) claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 or (d) Claims of (i) T&T Management, Inc., (ii) HRT Enterprises and (iii) the John W. and Vivian M. 31. The release and discharge of all Liens against the City's property set forth in Section IV.M of the Plan are approved in all respects, are incorporated herein in their entirety, are so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court. As of the Effective Date, (a) the holders of such Liens are hereby authorized and directed to release any collateral or other property of the City (including any cash collateral) held by such holder and to take such actions as

may be requested by the City to evidence the release of such Lien, including (i) the execution, delivery, filing or recording of appropriate releases and (ii) the taking of any action necessary to implement, consummate and otherwise effect the Plan in accordance with its terms, and (b) the City shall be authorized to execute and file on behalf of creditors such forms as may be necessary or appropriate to implement the provisions of Section IV.M of the Plan and this paragraph. All entities holding Claims against the City shall be, and hereby are, bound by the terms and provisions of all documents executed and delivered by them in connection with the Plan. Upon the entry of this Order, all entities holding Claims against the City that are treated under the Plan, and other parties in interest, along with their respective present or former employees, agents, officers, directors or principals, shall be, and hereby are, enjoined from taking any actions to interfere with the implementation and consummation of the Plan.

H. Injunction

32. On the Effective Date, except as otherwise provided in the Plan or in this Order, all Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity, along with their Related Entities, shall be, and hereby are, permanently enjoined from taking any of the following actions against or affecting the City or its

property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such Claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from this Order): (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (i) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (ii) Indirect 36th District Court Claims and (iii) Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity); (b) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property; (c) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the City or its property; (d) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property; (e) proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of this Order, the Plan or the Settlements (to the extent such Settlements have been approved by the Court herein); and (f) taking any actions to interfere with the implementation or consummation of the Plan. For the avoidance of doubt, notwithstanding anything

in the Plan or this Order (including this paragraph) to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 shall not be enjoined. In addition, all individuals affected by the AFS Recoupment are enjoined from commencing any proceeding against the GRS and its trustees, officers, employees or professionals arising from GRS's compliance with the Plan or this Order.

33. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan shall be, and hereby are, permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (b) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (c) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (d) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the

DRCEA, or a Released Party; and (e) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan or this Order. Notwithstanding the provisions of this paragraph and without limiting the injunctions in Section III.D.5.a of the Plan or paragraph 32 hereof, the holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

34. During the period that begins on the Effective Date and ends on June 30, 2023, the trustees of the PFRS, the trustees of the GRS or the trustees of any successor trust or pension plan to either the PFRS or the GRS shall adopt and maintain an investment return assumption and discount rate for purposes of determining the assets and liabilities of the PFRS or the GRS (as applicable) that shall be 6.75%. Except as may be required to maintain the tax-qualified status of the PFRS or the GRS, or to comply with the terms of the Plan or this Order, the City, the trustees of the PFRS, the trustees of the GRS and all other persons or entities shall be, and hereby are, enjoined from and against the subsequent amendment of the terms, conditions and rules of operation of either the PFRS, the GRS or any successor plan or trust to either the PFRS or the GRS, that govern the calculation of pension benefits (including, as applicable, the PFRS Adjusted

Pension Amount, the GRS Adjusted Pension Amount, accrual of additional benefits, the DIA Proceeds Default Amount, the Prior PFRS Pension Plan, the Prior GRS Pension Plan, the PFRS Restoration Payment, the GRS Restoration Payment, the New PFRS Active Pension Plan Formula, the New GRS Active Pension Plan Formula, the terms of the New PFRS Active Pension Plan and the terms of the New GRS Active Pension Plan) or against any action that governs the selection of the investment return assumptions described in Section II.B.3.q.ii.B of the Plan (with respect to the PFRS) or Section II.B.3.r.ii.B of the Plan (with respect to the GRS), the contributions to the PFRS or the GRS, or the calculation or amount of PFRS pension benefits or GRS pension benefits (as the case may be), for the period ending June 30, 2023, notwithstanding whether that subsequent amendment or act is created or undertaken by contract, agreement (including collective bargaining agreement), statute, rule, regulation, ordinance, charter, resolution or otherwise by operation of law.

I. State Contribution Agreement

35. The State Contribution Agreement is approved in all respects, and the City is hereby authorized to enter into, and take any action necessary to perform under or implement, the terms thereof. The State shall file and serve via the Court's electronic case filing and noticing system a notice that the conditions precedent to the State's payment of the State Contribution (as set forth at

Section IV.D.3 of the Plan) have been satisfied or otherwise addressed pursuant to the procedures outlined in the State Contribution Agreement no later than ten days after all such conditions have been satisfied or otherwise addressed.

36. In accordance with Section IV.D.2 of the Plan, the Income Stabilization Funds of the GRS and the PFRS shall receive not less than an aggregate amount of \$20 million over 14 years of the Assigned UTGO Bond Tax Proceeds in the form of annual installment payments pursuant to a payment schedule approved by the State.

37. In accordance with Section 4.f.ii of the State Contribution Agreement, filed as Exhibit I.A.332 to the Plan, the governing documents of the GRS and the governing documents of the PFRS shall be amended to include (a) the governance terms and conditions set forth in Paragraph 2, Exhibit A and Exhibit B of the State Contribution Agreement and (b) the Income Stabilization Payments and Income Stabilization Fund described in Paragraph 3 of the State Contribution Agreement.

J. DWSD Authority Transaction

38. The Memorandum of Understanding Regarding the Formation of the Great Lakes Water Authority (the "Memorandum of Understanding"), filed as Exhibit A to the Notice of Execution of Framework for Creating a Water and Sewer Authority (Docket No. 7357), is approved in all respects. The City is

hereby authorized to enter into, and take any action necessary to perform under or implement, the terms of the Memorandum of Understanding and any final agreement resulting therefrom creating a regional water and sewer/stormwater authority to be called the Great Lakes Water Authority (the "GLWA") in accordance with, and subject to all approvals and consents required under, State law, the DWSD Tender Order, all documents related to the 2014 DWSD Refinancing Obligations, all documents related to the 2014 Revenue Refinancing Bonds, all documents related to the 2014 Revenue and Revenue Refinancing Bonds and the DWSD Bond Documents. The GLWA transaction contemplated in the Memorandum of Understanding, if consummated, would constitute a Qualifying DWSD Transaction as such term is defined in the Plan.

K. ASF Recoupment

39. ASF Recoupment is (a) an integral component of the City's global settlement of pension-related and other labor-related issues negotiated with, among others, the Retiree Committee, (b) is well within the range of possible reasonable settlements and (3) is approved in all respects. The City is hereby authorized to, and shall, on or as soon as reasonably practicable after the Effective Date, calculate the Annuity Savings Fund Excess Amount for each ASF Current Participant, and the GRS, at the direction of the City, and solely as agent of the City and without any liability accruing to the GRS, shall deduct the Annuity

Savings Fund Excess Amount from each such participant's Annuity Savings Fund account, which deducted amounts shall be used to fund the accrued pension benefits of all GRS participants; *provided, however,* that in no event shall the amount deducted from an ASF Current Participant's Annuity Savings Fund account exceed the ASF Recoupment Cap and the Current GRS Retiree Adjustment Cap. In the event that the amount credited to an ASF Current Participant's Annuity Savings Fund account as of the Effective Date is less than such participant's Annuity Savings Fund Excess Amount, the ASF Current Participant will be treated as an ASF Distribution Recipient to the extent of the shortfall.

40. For each ASF Distribution Recipient who, after receipt of notice as required by the Plan and this Order, does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii of the Plan and in the case of any ASF Distribution Recipient that elected the ASF Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the City is hereby authorized to, and shall, on or as soon as reasonably practicable after the Effective Date: (a) calculate the Annuity Savings Fund Excess Amount; and (b) convert such amount into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate, and the GRS, pursuant to the Plan and at the direction of the Court, and

without any liability accruing to the GRS, shall deduct such monthly annuity amounts from the ASF Distribution Recipient's monthly pension check; *provided, however,* that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension check exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap, if applicable. The total ASF Recoupment from the ASF Distribution Recipient's monthly pension checks over time shall not exceed the amount necessary to amortize the applicable Annuity Savings Fund Excess Amount at 6.75% interest.

41. Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option. No later than seven days following the Effective Date, the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (a) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (b) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF

Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

42. The GRS shall mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, the GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan and paragraph 40 hereof. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

L. Survival of Indemnities

43. Notwithstanding anything to the contrary in this Order or the Plan, nothing in this Order or the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the provisions hereof and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen, asserted or unasserted. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan or this Order and shall be, and hereby are, discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this paragraph.

M. Issuance of New Securities and Exemption From Securities Laws

44. The issuance of the New Securities by the City on the Effective Date or on a subsequent Distribution Date (as applicable) is hereby approved and

authorized. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the issuance of New Securities pursuant to the Plan is, and shall be, exempt from Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution, or sale of securities. Except as set forth in the Plan with respect to the Syncora Excess New B Notes, the New Securities (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are, and shall be, freely tradable and transferable by any initial recipient (including the Detroit General VEBA and the Detroit Police and Fire VEBA) thereof that (i) is not an "affiliate" of the City or applicable issuer as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within 90 days of such transfer and (iii) is not an entity that is an "underwriter" as defined in subsection (b) of Section 1145 of the Bankruptcy Code. It is hereby expressly found and determined that the Detroit General VEBA and the Detroit Police and Fire VEBA are not affiliates of the City within the meaning of Rule 144(a)(1) under the Securities Act.

N. Executory Contracts and Unexpired Leases

45. The Executory Contract and Unexpired Lease provisions of Section II.D of the Plan are specifically approved in all respects, are incorporated herein in their entirety and are so ordered. The City is authorized to assume,

assume and assign, or reject Executory Contracts or Unexpired Leases in accordance with Section II.D of the Plan and the Contract Procedures Order.

46. The assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the Effective Date is hereby approved, except for Executory Contracts or Unexpired Leases that: (a) have been rejected pursuant to a Final Order of the Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan or (e) are designated for rejection in accordance with the last sentence of this paragraph. If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim filed in accordance with the Contract Procedures is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be, and hereby is, deemed effective as of the Effective Date.

47. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course

of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of this Order.

48. The rejection of each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan is hereby approved pursuant to section 365 of the Bankruptcy Code as of the later of (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City may, at any time on or prior to the Effective Date, amend Exhibit II.D.6 to the Plan to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1 of the Plan, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to Section II.D.6 of the Plan. The City will provide notice of any such amendments to Exhibit II.D.6 to the Plan in accordance with the terms of the Contract Procedures Order. Listing a contract or lease on Exhibit II.D.6 to the Plan shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as

Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

O. Plan Distributions

49. On and after the Effective Date, Distributions on account of Allowed Claims and the resolution and treatment of Disputed Claims shall be effectuated pursuant to Section II.B and Article V of the Plan. The Distribution Record Date shall be 5:00 p.m., Eastern Time, on the date of entry of this Order.

P. Retained Causes of Action

50. Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, in accordance with section 1123(b)(3)(B) of the Bankruptcy Code, the City shall retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity, including but not limited to, (a) any and all Causes of Action against any party relating to the past practices of the Retirement Systems (including any investment decisions related to, and the management of, the Retirement Systems' respective pension plans or assets) and (b) the currently pending actions and claims brought by the City and identified on Exhibit III.D.2 to the Plan, to the extent not expressly released under the Plan or pursuant to any Final Order of the Court. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 to the Plan shall not be

deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity.

Q. Claims Bar Dates and Other Claims Matters

51. General Administrative Claim Bar Date Provisions. Except as otherwise provided in Section II.A.2.b or Section II.A.2.c of the Plan or in a Bar Date Order or other order of the Court, unless previously filed, requests for payment of Administrative Claims must be filed and served on the City no later than 45 days after the Effective Date. Holders of Administrative Claims that are required to file and serve a request for payment of such Administrative Claims and that do not file and serve such a request by the applicable Bar Date will be forever barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be filed and served on the City and the requesting party by the later of (a) 150 days after the Effective Date, (b) 60 days after the filing of the applicable request for payment of Administrative Claims or (c) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims. The foregoing procedures shall be specified in the notice of entry of this Order and served on all parties in interest.

52. Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations will not be required

to file or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the holders of such Claims or further action or approval of the Court.

53. Holders of Administrative Claims that are Postpetition Financing Claims will not be required to file or serve any request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied pursuant to Section II.A.1.b of the Plan.

54. Professional Fee Reserve. On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where applicable, the DWSD's funds, in an amount sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals and the Fee Examiner Parties as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks); (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively

submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve; and (c) an estimate of the Fee Examiner Parties' unbilled fees and expenses through the projected date of dismissal of the Fee Examiner under Section IV.N.3 of the Plan, as determined by the City in consultation with the Fee Examiner. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order or the process established under paragraph 87 hereof, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable by the Court shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable by the Court and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

55. Bar Date for Rejection Damage Claims. Except as otherwise provided in a Final Order of the Court approving the rejection of an Executory

Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be filed with the Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. Any Claims not filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

56. Notwithstanding anything to the contrary in the Plan or this Order, neither FGIC nor the COP Trustee shall be required to file any Claims arising out of the rejection of the COP Service Contracts pursuant to the Plan, which Claims are resolved and treated pursuant to the terms of the FGIC/COP Settlement Documents and the Plan.

57. Workers' Compensation Claims. From and after the Effective Date, (a) the City shall continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan or this Order shall discharge, release

or relieve the City from any current or future liability under applicable State workers' compensation law; *provided that* the City shall retain the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

58. Claims Related to Operation of City Motor Vehicles. From and after the Effective Date, the City shall continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to M.C.L. § 500.3101 in connection with the operation of the City's motor vehicles consistent with the terms of Section IV.S of the Plan. Nothing in the Plan or this Order shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to M.C.L. § 500.3101 or Claims within the minimum coverage limits in M.C.L. § 500.3009(1); *provided that* the City shall retain the right to challenge the validity of any Claim subject to Section IV.S of the Plan or this paragraph, and nothing therein or herein shall be deemed to expand the City's obligations or any claimant's rights with respect to such Claims under State law.

59. Payment of Tax Refund Claims. From and after the Effective Date, the City shall continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax

refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures; *provided that* the City shall retain the right to challenge the validity of any claim for an income tax refund or property tax refund.

60. Utility Deposits. From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

61. Pass-Through Obligations. The City has certain Pass-Through Obligations to the Pass-Through Recipients with respect to which the City acts, or may in the future act, as tax-collecting agent for tax increment revenues derived from property taxes of the City and certain other jurisdictions and required to be transmitted by the Treasurer of the City to the Pass-Through Recipients under the respective tax increment financing enabling statutes. The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

R. Plan Implementation

62. In accordance with section 1142 of the Bankruptcy Code, without further action by the Court, the City is authorized to: (a) take any and all actions necessary or appropriate to implement, effectuate and consummate the Plan, this Order or the transactions contemplated thereby or hereby, including the

transactions contemplated by the Plan and the implementation and consummation of the contracts, instruments, settlements (including the Settlements), releases (including the Plan Releases) and other agreements or documents entered into or delivered in connection with the Plan; and (b) execute and deliver, adopt or amend, as the case may be, any contracts, instruments, releases, agreements and documents necessary to implement, effectuate and consummate the Plan, including, without limitation, those contracts, instruments, releases, agreements and documents identified in Article IV of the Plan. All transactions effected by the City during the pendency of the Chapter 9 Case from the Petition Date through the Confirmation Date are approved and ratified.

63. Each federal, state, commonwealth, county, municipal, local, foreign or other governmental agency is hereby directed and authorized to accept any and all documents, mortgages and instruments necessary or appropriate to effectuate, implement or consummate the transactions contemplated by the Plan and this Order.

**S. Cancellation of Existing Bonds,
Bond Documents, COPs and COP Documents**

64. Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as

specifically provided otherwise in the Plan or this Order (including any rejection of Executory Contracts pursuant to Section II.D of the Plan or paragraph 48 hereof), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule, and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; *provided, however,* that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (a) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto; (b) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution; (c) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City; (d) as may be necessary to preserve any claim by (i) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (ii) a COPs Holder or COP Agent under a COP Insurance Policy or against any

COP Insurer or (iii) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder; and (e) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. For the avoidance of doubt, this paragraph shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii of the Plan.

65. As of the Effective Date, the principal amounts of the COPs originally insured by FGIC shall be, and hereby are, deemed accelerated and due and payable, and no interest on the COPs originally insured by FGIC shall accrue thereafter, solely for the purposes of determining distributions from the COP Trustee to FGIC and the FGIC COP Holders. The foregoing acceleration of principal and cessation of interest shall affect only the rights of each FGIC COP Holder to the receipt of proceeds of distributions under the Plan and not the rights of each such FGIC COP Holder against FGIC and shall not in any way modify payments currently required of FGIC under its existing insurance policies or the

First Amended Plan of Rehabilitation for Financial Guaranty Insurance Company,
dated June 4, 2013 (the "FGIC Rehabilitation Plan").

66. FGIC (irrespective of the terms of FGIC's COP Insurance Policies including, without limitation, the definition of "Due for Payment") may elect on or prior to the earlier to occur of (a) the Effective Date and (b) December 15, 2014, by filing a notice with the Court on or prior to such date, to treat all (but not less than all) of the outstanding principal owing on all (but not less than all) series of the FGIC-insured COPs as having been accelerated and currently "Due for Payment" (as such term is defined in the applicable FGIC COP Insurance Policy for purposes of such policy) as of the Effective Date, in which case, with respect to each FGIC COP Insurance Policy there shall be deemed a Permitted Policy Claim (as defined in the FGIC Rehabilitation Plan) in the amount of (a) the outstanding principal amount of the FGIC-Insured COPs in each CUSIP, as of the Effective Date, insured by such policy and (b) interest accrued and unpaid on such principal amount of such FGIC-Insured COPs through the Effective Date, in which case no interest shall accrue on or after the Effective Date. If FGIC does not elect to accelerate its COP Insurance Policies pursuant to the preceding sentence, FGIC's and the FGIC COP Holders' respective rights and obligations with respect to FGIC's COP Insurance Policies shall be governed by the FGIC/FGIC COP Holders Term Sheet.

67. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or the COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto.

68. No provision of this Order or the Plan shall (a) enjoin any holder of a COP from enforcing its rights against any COP Insurer or (b) exculpate, release or affect any rights any holder of a COP may have with respect to any COP Insurance Policy.

T. Binding Effect of Prior Orders

69. Effective as of the Confirmation Date, but subject to the occurrence of the Effective Date and subject to the terms of the Plan and this Order, all prior orders entered in the Chapter 9 Case, all documents and agreements executed by the City as authorized and directed thereunder and all motions or requests for relief by the City pending before the Court as of the Effective Date shall be binding upon and shall inure to the benefit of the City and any other parties expressly subject thereto. Nothing in the Plan or this Order shall in any respect modify the DWSD Tender Order, the rulings made and the rights granted

therein or any of the documents approved, authorized or entered into pursuant thereto.

U. Final Order; Waiver of Stay

70. This Order is a final order, and the period in which an appeal must be filed shall commence immediately upon the entry hereof. The stay of this Order otherwise imposed by Bankruptcy Rule 3020(e) is hereby waived as of the date hereof.

V. Reversal

71. If any or all of the provisions of this Order are hereafter reversed, modified or vacated by subsequent order of this Court or any other federal appellate court with appropriate jurisdiction, such reversal, modification or vacatur shall not affect the validity of the acts or obligations incurred or undertaken under or in connection with the Plan prior to the City's receipt of written notice of such order. Notwithstanding any such reversal, modification or vacatur of this Order, any such act or obligation incurred or undertaken pursuant to, and in reliance on, this Order prior to the effective date of such reversal, modification or vacatur shall be governed in all respects by the provisions of this Order and the Plan and all related documents or any amendments or modifications thereto.

W. Notice of Confirmation of the Plan

72. Pursuant to Bankruptcy Rules 2002(f)(7) and 3020(c)(2), on or before ten Business Days after occurrence of the Effective Date, the City shall mail or cause to be mailed to all creditors a notice (the "Confirmation Notice"), substantially in the form of Appendix II hereto, that informs such creditors of:

(a) entry of this Order; (b) the occurrence of the Effective Date; (c) the assumption and rejection of Executory Contracts and Unexpired Leases pursuant to the Plan, as well as the deadline and procedures for the filing of Claims arising from any such rejection; (d) the deadline and procedures for the filing of Administrative Claims; and (e) such other matters as the City deems to be appropriate; *provided, however,* that the City shall be obligated to serve the Confirmation Notice only on the record holders of Claims as of the Confirmation Date. The City is directed to publish the Confirmation Notice once in the national editions of *The Wall Street Journal* and *USA Today* and the daily edition of the *Detroit Free Press* no later than ten Business Days after the Effective Date. As soon as practicable after the entry of this Order, the City shall make copies of this Order and the form Confirmation Notice available on (a) the City's official website at www.detroitmi.gov and (b) the Document Website at www.kccllc.net/Detroit.

X. Miscellaneous Provisions

73. The City is hereby authorized to make non-material modifications or amendments to the Plan at any time prior to the substantial consummation of the Plan, without further order of the Court. In addition, without the need for a further order or authorization of this Court, but subject to the express provisions of this Order, the City shall be, and hereby is, authorized and empowered to make non-material modifications to the documents filed with the Court, including Exhibits or documents forming part of the evidentiary record at the Confirmation Hearing, in its reasonable business judgment as may be necessary or appropriate.

74. The City shall not, without FGIC's prior written consent, amend the Plan in a manner that (a) would have a materially adverse effect on Class 9 or (b) adversely affect FGIC; *provided, however,* that, notwithstanding anything to the contrary in this Order or the Plan, nothing in this Order or the Plan is intended to or shall be deemed to limit any rights of the FGIC COP Holders to object to any such Plan amendment.

75. On the Effective Date, the Retiree Committee, to the extent not previously dissolved or disbanded, will dissolve and disband, and the members of the Retiree Committee and their respective professionals will cease to have any role arising from or related to the Chapter 9 Case. Notwithstanding the foregoing,

the Retiree Committee's professionals will have standing to participate in the post-Effective Date determination by the Court of the reasonableness of the fees and expenses incurred by the Retiree Committee and its professionals in connection with the City's Chapter 9 Case.

76. Pursuant to the Order Resolving Corrected Motion of the Official Committee of Retirees for Entry of An Order Allowing an Administrative Expense Claim, entered on March 31, 2014 (Docket No. 3334), approving a stipulation and settlement agreement that requires the City to include a provision under the Barton doctrine first developed in Barton v. Barbour, 104 U.S. 126 (1881), and this Court having previously held that the Barton doctrine is applicable to members of the Retiree Committee, each and every member of the Retiree Committee is not only subject to protections under the release and injunction provisions of the Plan but is further protected by the provisions of the Barton doctrine and thus no action may be taken against any member of the Retiree Committee without separate relief granted by this Court.

77. On the Effective Date or as soon thereafter as is practicable, all appeals of the Opinion Regarding Eligibility and the Order for Relief, subject to settlements by and among the appellants and the City, shall be withdrawn.

78. The terms and conditions of the Exit Facility are fair and reasonable, and the Exit Facility has been negotiated in good faith and at arm's

length. The City is hereby authorized to enter into, execute, deliver, file, record and issue the Exit Facility Documents and to incur the obligations under the Exit Facility, including the granting of liens thereunder, the payment of all fees, expenses, indemnities and other amounts provided for in each of the Exit Facility and the other instruments, agreements, guaranties and documents entered into in connection therewith, all of which are hereby approved. The City is authorized and empowered to incur and to perform its obligations in accordance with, and subject to, the Exit Facility Documents and to perform all acts, and make, execute and deliver all instruments and documents which may be required for the performance by the City under the Exit Facility Documents and the creation and perfection of the liens described in and provided for by the Exit Facility Documents. Subject to (a) the terms and conditions set forth in the Exit Facility Documents and (b) the City's compliance with the procedures for authorizing the borrowing of money under Sections 12(1) and 19 of PA 436 and the State Local Emergency Financial Assistance Loan Board's approval of the Exit Facility under Section 36a of Michigan Public Act 279 of 1909, the Home Rule City Act, M.C.L. §§ 117.1, *et seq.* (as amended), the City is hereby authorized to issue the Exit Bonds for purchase by the MFA in accordance with the terms and conditions set forth in the Exit Facility Documents.

79. The Exit Facility Documents and the obligations of the City thereunder, including all related pledges and security agreements, shall, upon execution, constitute legal, valid, binding and authorized obligations of the City, enforceable in accordance with their terms. The loans, advances and financial accommodations to be extended under the Exit Facility are being extended, and shall be, and hereby are, deemed to have been extended, in good faith, for legitimate purposes, are reasonable, shall not be subject to avoidance, recharacterization or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent transfers or conveyances or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

80. Notwithstanding any other provision of this Order or the Plan, as to the United States, its agencies, departments or agents, nothing in the Plan or this Order shall discharge, release or otherwise preclude: (a) any liability of the City arising on or after the Effective Date; (b) any liability that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (c) any valid defense of setoff or recoupment with respect to a Claim; or (d) any liability of any entity under environmental laws arising, continuing or springing anew after the Effective Date that any entity would be subject to as a post-Effective Date owner or operator of property, *provided that*, for the avoidance of doubt and without

limiting the liabilities previously described in sub-paragraph (d), any liability that is a dischargeable "claim" within the meaning of section 101(5) of the Bankruptcy Code and arose before the Effective Date, including any liabilities for costs expended or paid by the United States under environmental laws before the Effective Date or any penalties or fines owed to the United States for days of violation of environmental laws before the Effective Date, shall be treated as otherwise provided in the Plan.

81. The Plan does not, and shall not be deemed to, modify, limit, release, discharge or enjoin any claims (a) related to the Retirement Systems that Bank of New York Mellon in its capacity as custodian under (i) the Global Custody Agreement with the Policemen and Firemen Retirement System of the City of Detroit, (ii) the Global Custody Agreement with the General Retirement System of the City of Detroit and (iii) the Global Custody Agreement with The Board of Trustees of The City of Detroit Employees' Benefit Plan (in such capacity, "BNY Mellon") may have against persons or entities other than the City or (b) against property of the Retirement Systems held by BNY Mellon in its capacity as custodian.

82. Any document related to the Plan that refers to a plan of adjustment of the City other than the Plan confirmed by this Order shall be, and it hereby is, deemed to be modified such that the reference to a plan of adjustment of

the City in such document shall mean the Plan confirmed by this Order, as appropriate.

83. Without intending to modify any prior Order of this Court (or any agreement, instrument or document addressed by any prior Order), in the event of a direct conflict between the Plan, on the one hand, and any other agreement, instrument, or document intended to implement the provisions of the Plan, on the other, the provisions of the Plan shall govern (except as provided in paragraph 24 above, and unless otherwise expressly provided for in such agreement, instrument, or document). In the event of a direct conflict between the Plan or any agreement, instrument, or document intended to implement the Plan, on the one hand, and this Order, on the other, the provisions of this Order shall govern.

84. In accordance with Section III.C of the Plan, if the Effective Date does not occur, then upon motion by the City, the Court may declare that:

(a) the Plan is null and void in all respects, including with respect to (i) the discharge of Claims pursuant to section 944 of the Bankruptcy Code, (ii) the assumptions, assignments or rejections of Executory Contracts or Unexpired Leases pursuant to Section II.D of the Plan and (iii) the releases described in Section III.D.7 of the Plan; and (b) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against the City or (ii) prejudice in any manner the rights of the City or any other party in interest.

85. To the extent that (a) the Court has held that any term or provision of the Plan is invalid, void or unenforceable and (b) with the consent of the City, the Court altered and interpreted such term or provision, consistent with Section VIII.D of the Plan, to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable: (a) such term or provision, as altered or interpreted, shall be (i) valid and enforceable pursuant to its terms, (ii) considered integral to the Plan and shall not be deleted or modified without the City's consent and (iii) non-severable and mutually dependent; and (b) notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation.

86. Pursuant to Section IV.N of the Plan and in accordance with the Fee Review Order, the Fee Examiner shall continue to review and assess all Fee Review Professional Fees for the period through, but not including, the Effective Date pursuant to the standard of section 943(b)(3) of the Bankruptcy Code. The Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses. All fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall

remain subject to review and approval of the Court pursuant to the terms of the Fee Review Order. Upon completing his review of all Fee Review Professional Fees and submitting all reports related thereto (as required by the Fee Review Order), the Fee Examiner shall have no further duties or obligations under the Fee Review Order other than obligations of confidentiality thereunder (which obligations, including, but not limited to, the confidentiality obligations set forth at paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date). Nothing in this paragraph prohibits the mediator from requesting or requiring the Fee Examiner to participate in mediation regarding Professional Fees at any time.

87. The Court, with the assistance of counsel, will establish an expeditious mediation and Court-review process to determine the reasonableness and disclosure of all fees and expenses, paid and unpaid, for which the City is obligated in connection with this case through the Effective Date, as required by 11 U.S.C. § 943(b)(3). The preceding sentence does not apply with respect to fees and expenses explicitly dealt with in settlements previously approved by orders of the Court.

88. The provisions in the Plan and in this Order regarding fees and expenses shall include the professional fees and expenses of (a) the GRS and the PFRS, to the extent that the City reimburses them; (b) the Fee Examiner and his

professionals, and the Court-appointed feasibility expert and her counsel; and

(c) the other Fee Review Professionals.

89. Notwithstanding Section II.B.3.s.ii.A of the Plan, Charles Gayney shall serve as an initial member of the Detroit General VEBA board of trustees in place of Suzanne Daniels Paranjpe.

Y. No Diminution of State Power

90. No provision of the Plan or this Order shall be construed: (a) to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; or (b) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

Z. Post-Effective Date Governance

91. The City shall promptly provide to the Court copies of any reports given to, or received from, the Financial Review Commission. Nothing in the Plan or this Order shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

AA. Retention of Jurisdiction

92. The Court shall, and hereby does, retain such jurisdiction over the City and the Chapter 9 Case as is consistent with section 1334 of title 28 and

title 11 of the United States Code until the Effective Date. Notwithstanding the entry of this Order, from and after the Effective Date, the Court shall retain such jurisdiction over the Chapter 9 Case to the fullest extent permitted by law, including, among other things, jurisdiction over those matters and issues described in Article VII of the Plan, *provided, however,* that notwithstanding Article VII of the Plan, the Court shall not have jurisdiction over any dispute between or among FGIC and the FGIC COP Holders with respect to agreements between or among them that do not involve the City, the State or any Released Party (other than FGIC and the FGIC COP Holders) as a party.

93. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over the UTGO Settlement and the UTGO Settlement Agreement and any dispute arising from or related to the UTGO Settlement Agreement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-Confirmation authority and power to implement, interpret and enforce the UTGO Settlement Agreement and all Settlement-Related Documents (as such term is defined at Section 1.2 of the UTGO Settlement Agreement), including, without limitation, all exhibits to the UTGO Settlement Agreement, the Restructured UTGO Bonds and the Municipal Obligation. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained

jurisdiction under the Plan and this Order, including by way of injunction, as long as any of the Municipal Obligation, Stub UTGO Bonds or Restructured UTGO Bonds are outstanding.

94. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over the settlement of Limited Tax General Obligation Bond Claims and the LTGO Settlement and any dispute arising from or related to the LTGO Settlement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-Confirmation authority and power to implement, interpret and enforce the LTGO Settlement and all Settlement-Related Documents, including, without limitation, all exhibits to the LTGO Settlement Agreement and the New LTGO Bonds. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained jurisdiction under the Plan and this Order, including by way of injunction, as long as any of the New LTGO Bonds are outstanding.

95. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over any matters, cases, controversies, suits or disputes that may arise in connection with the FGIC Development Agreement or the Syncora Development Agreement.

For the avoidance of doubt, a Settling COP Claimant shall not be required to transfer (1) any claim against a COP Insurer or (2) the COPs it holds to the City pursuant to the Plan COP Settlement or otherwise pursuant to the Plan, the Syncora Settlement Documents or the FGIC/COP Settlement Documents. At the direction of FGIC, which shall be deemed given on the Effective Date, the COP Contract Administrator shall have irrevocably agreed (on behalf of itself, any successors and each FGIC COP Holder) to release and not to sue any COP Holder or any COP Insurer on behalf of any FGIC COP Holder, COP Insurer, the Detroit Retirement Systems Funding Trust 2005 or the Detroit Retirement

Systems Funding Trust 2006 in connection with any liability arising in connection with or related to (1) Sections 6.5 and 9.1 of the Contract Administration Agreements, (2) Section 8.03 of the COP Service Contracts, (3) distributions made pursuant to or in connection with this Section II.B.3.p.i.A, (4) the FGIC Settlement or (5) the Syncora Settlement. On the Effective Date, Syncora and FGIC shall, to the fullest extent permitted under law, be deemed to forever mutually release, waive and discharge all liabilities against each other relating to distributions made pursuant to or in connection with this Section II.B.3.p.i.A, Sections 6.5 and 9.1 of the Contract Administration Agreements or Section 8.03 of the COP Service Contracts.

Nothing in this Plan prevents any non-City third party from making additional contributions to or for the benefit of GRS if such party chooses to do so.

B. Investment Return Assumption.

During the period that ends on June 30, 2023, the board of trustees of the GRS, or the trustees of any successor trust or pension plan, shall adopt and maintain an investment return assumption and discount rate for purposes of determining the assets and liabilities of the GRS that shall be 6.75%.

C. Modification of Benefits for GRS Participants.

Restoration of all or a portion of the modified pension benefits will be provided in accordance with the methodology set forth on Exhibit II.B.3.r.ii.C. For purposes of calculating a GRS Restoration Payment, market value of assets shall not include any City contributions through June 30, 2023, other than those listed on Exhibit II.B.3.r.ii.A or any State contributions if the GRS trustees fail to comply with the requirements described in the State Contribution Agreement. In the event that the Foundations and DIA Corp. accelerate all or a portion of their funding commitments described in Section IV.E.1 prior to June 30, 2023, the incremental portion of the acceleration will not count towards pension restoration.

D. Annuity Savings Fund Recoupment.

1. ASF Current Participants.

On or as soon as reasonably practicable after the Effective Date, the Annuity Savings Fund Excess Amount will be calculated for each ASF Current Participant and will be deducted from such participant's Annuity Savings Fund account and be used to fund the accrued pension benefits of all GRS participants; provided, however, that in no event shall the amount deducted from an ASF Current Participant's Annuity Savings Fund account exceed the ASF Recoupment Cap. In the event that the amount credited to an ASF Current Participant's Annuity Savings Fund account as of the Effective Date is less than such participant's Annuity Savings Fund Excess Amount, the ASF Current Participant will be treated as an ASF Distribution Recipient to the extent of the shortfall.

2. ASF Distribution Recipients.

i. Monthly Deduction.

For each ASF Distribution Recipient who does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii and in the case of any ASF Distribution Recipient that elected the ASF Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the Annuity Savings Fund Excess Amount will: (A) be calculated and converted into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate; and (B) then be deducted from the ASF Distribution Recipient's monthly pension check; provided, however, that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension check exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap, if applicable. The total ASF Recoupment from the ASF Distribution Recipient's monthly pension checks over time shall not exceed the amount necessary to amortize the applicable Annuity Savings Fund Excess Amount at 6.75% interest.

ii. Single Lump Sum Payment.

Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option.

No later than seven days following the Effective Date, the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (A) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (B) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i.

An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

GRS shall mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

E. Contingent Payment Rights.

The City will issue the DWSD CVR to the Restoration Trust for the benefit of Holders of Pension Claims, as described in Section IV.F.

F. Accrual of Future Benefits.

Each Holder of a GRS Pension Claim who is an Active Employee shall receive, in addition to his or her GRS Adjusted Pension Amount, as such amount may be modified herein, such additional pension benefit for service on or after July 1, 2014, consistent with the terms and conditions of the New GRS Active Pension Plan Formula and the New GRS Active Pension Plan.

G. Governance.

On or as soon as reasonably practicable after the Effective Date, an Investment Committee shall be established under GRS in accordance with the State Contribution Agreement. The Investment Committee shall be vested with the authority and responsibilities set forth in the State Contribution Agreement for a period of 20 years following the Effective Date. The initial independent members of the Investment Committee established by GRS shall be (1) Kerrie VandenBosch, (2) Doris Ewing, (3) Robert Rietz, (4) David Sowerby and (5) Ken Whipple.

H. No Changes in Terms for Ten Years.

The RDPMA will appoint the non-voting, ex-officio member. The RDPFFA will fill board member vacancies created by the departure of voting members initially appointed by the Retiree Committee or the RDPFFA, and the Mayor will fill a board member vacancy created by the departure of the member appointed by the Mayor. The RDPMA will fill a non-voting, ex-officio board member vacancy created by the departure of the member initially appointed by the RDPMA, but such non-voting, ex-officio member position shall expire on December 31, 2018. The initial members of the Detroit Police and Fire VEBA board of trustees shall be (1) Floyd Allen, (2) Gregory Best, (3) John Clark, (4) Andrew Dillon, (5) Allan Grant, (6) Thomas Sheehan, (7) Greg Trozak and (8) Shirley Berger (*ex officio*). Nothing in the Plan precludes either the Detroit Police and Fire VEBA from being formed under Section 115 or the formation of a separate trust under Section 115, in each case with the City's consent, which consent will not be unreasonably withheld.

Distributions to Detroit Police and Fire VEBA: On the Effective Date, the City shall distribute to the Detroit Police and Fire VEBA New B Notes in the aggregate principal amount of \$232,000,000, in satisfaction of the Allowed OPEB Claims held by Detroit Police and Fire VEBA Beneficiaries. The Detroit Police and Fire VEBA shall also be entitled to additional distributions as set forth in Section II.B.3.p.i.A.

C. No Further Responsibility.

From and after the Effective Date, the City shall have no further responsibility to provide retiree healthcare or any other retiree welfare benefits. The City shall have no responsibility from and after the Effective Date to provide life insurance or death benefits to former employees. On the Effective Date, the Employees Death Benefit Plan will be frozen for former employees, and the City will no longer have an obligation to contribute to fund death benefits under the plan for any participant or beneficiary who is a former employee. Existing retirees who participate in the plan will be granted a one-time opportunity to receive a lump sum distribution of the present value of their actuarially determined death benefit to the extent of the plan funding. For the avoidance of doubt, the Employees Death Benefit Plan shall not be merged into or operated by either the Detroit General VEBA or the Detroit Police and Fire VEBA. The Employees Death Benefit Board of Trustees shall continue to manage the Employees Death Benefit Plan and employ the staff of the Retirement Systems to administer the disbursement of benefits thereunder, the costs of which administration shall be borne by the assets of the Employees Death Benefit Plan.

Retirees (and active employees that retire prior to December 31, 2014) of the Detroit Public Library and the Detroit Regional Convention Facility Authority are Detroit General VEBA Beneficiaries and will receive the treatment set forth above. However, the collective bargaining and other legal rights and obligations of the Detroit Public Library and the Detroit Regional Convention Facility Authority, on one hand, and their respective unions and former and current employees, on the other hand, are not affected by the Plan. These parties retain the

right to negotiate further or additional benefits; provided, however, that the City shall not be responsible for, or have any obligation with respect to, any such further or additional benefits or the administration thereof. In addition, in consideration of the eligible retirees of the Detroit Public Library and the Detroit Regional Convention Facility Authority participating in the Detroit General VEBA, the Detroit Public Library and the Detroit Regional Convention Facility Authority shall reimburse the City for their allocable share of the New B Note debt service related to the Detroit General VEBA.

t. Class 13 – Downtown Development Authority Claims.

i. Allowance.

On the Effective Date, the Downtown Development Authority Claims shall be deemed Allowed in the amount of \$33,600,000.

ii. Treatment.

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Downtown Development Authority Claim, in full satisfaction of such Allowed Claim, shall receive, on or as soon as reasonably practicable after the Effective Date, a Pro Rata share of approximately \$3.69 million in New B Notes.

u. Class 14 – Other Unsecured Claims.

i. Treatment.

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Other Unsecured Claim, in full satisfaction of such Allowed Claim, shall receive (A) on or as soon as reasonably practicable after the Effective Date, a Pro Rata share of approximately \$16.48 million in New B Notes and (B) distributions in accordance with Section II.B.3.p.i.A.

v. Class 15 – Convenience Claims.

i. Treatment.

Each Holder of an Allowed Convenience Claim, in full satisfaction of such Allowed Claim, shall receive Cash equal to the amount of 25% of such Allowed Claim (as reduced, if applicable, pursuant to an election by such Holder in accordance with Section I.A.76) on or as soon as reasonably practicable after the Effective Date, unless such Holder agrees to a different treatment of such Claim.

w. Class 16 – Subordinated Claims.

i. Treatment.

On the Effective Date, all Subordinated Claims shall be disallowed, extinguished and discharged without Distribution under the Plan, and Holders of Subordinated Claims shall not receive or retain any property on account of such Claims. Pursuant to section 1126(g) of the Bankruptcy Code, Class 16 is deemed to have rejected the Plan and Holders of Subordinated Claims are not entitled to cast a Ballot in respect of such Claims.

x. Class 17 – Indirect 36th District Court Claims.

i. Treatment.

Unless such Holder agrees to a different treatment of its Claim, each Holder of an Allowed Indirect 36th District Court Claim, in full satisfaction of such Allowed Claim, shall receive: (A) if the Allowed amount of such Indirect 36th District Court Claim is less than \$100,000.00, on or as soon as reasonably practicable after the Effective Date, Cash in an amount equal to 33% of the Allowed amount of such Allowed Indirect 36th

District Court Claim; or (B) if the Allowed amount of such Indirect 36th District Court Claim is equal to or more than \$100,000.00, Cash equal to 33% of the Allowed amount of such Indirect 36th District Court Claim, plus simple interest on outstanding amounts at a rate of five percent per annum, payable in five equal annual installments, with the first installment to be paid on or as soon as reasonably practicable after the Effective Date and the remaining four installments to be paid on the date of the first four anniversaries of the Effective Date or, if any such date is not a Business Day, on the first Business Day thereafter.

ii. Further Obligation of City, State and 36th District Court.

Subject to the terms of the 36th District Court Settlement, the treatment of Allowed Indirect 36th District Court Claims set forth in Section II.B.3.x.i shall fulfill any obligation of the City and the 36th District Court that may exist with respect to all Indirect 36th District Court Claims. Nothing in Section II.B.3.x.i prevents the Holder of an Indirect 36th District Court Claim from seeking further relief or payment from the State with respect to such Indirect 36th District Court Claim to the extent such Claim is not satisfied pursuant to the Plan.

C. Confirmation Without Acceptance by All Impaired Classes.

The City requests Confirmation under section 1129(b) of the Bankruptcy Code in the event that any impaired Class does not accept or is deemed not to accept the Plan pursuant to section 1126 of the Bankruptcy Code. The Plan shall constitute a motion for such relief.

D. Treatment of Executory Contracts and Unexpired Leases.

1. Assumption.

Except as otherwise provided in the Plan, in any contract, instrument, release or other agreement or document entered into in connection with the Plan or in a Final Order of the Bankruptcy Court, or as requested in any motion Filed by the City on or prior to the Effective Date, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City will be deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, the City shall assume the Tunnel Lease pursuant to this Section II.D.1.

2. Assumption of Ancillary Agreements.

Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 will include any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 or designated for rejection in accordance with Section II.D.3.

3. Approval of Assumptions and Assignments.

The Confirmation Order will constitute an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 (and any related assignment) as of the Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 or (e) are designated for rejection in accordance with the last sentence of this paragraph. An order of the Bankruptcy Court (which may be the Confirmation Order) entered on or prior to the Confirmation Date will specify the procedures for providing notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to

the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease. If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

4. Payments Related to the Assumption of Executory Contracts and Unexpired Leases.

To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

5. Contracts and Leases Entered Into After the Petition Date.

Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

6. Rejection of Executory Contracts and Unexpired Leases.

On the Effective Date, each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 shall be deemed rejected pursuant to section 365 of the Bankruptcy Code. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City reserves its right, at any time on or prior to the Effective Date, to amend Exhibit II.D.6 to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to this Section II.D.6. The City will provide notice of any amendments to Exhibit II.D.6 to the parties to the Executory Contracts or Unexpired Leases affected thereby and to the parties on the then-applicable service list in the Chapter 9 Case. Listing a contract or lease on Exhibit II.D.6 shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

7. Rejection Damages Bar Date.

Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

8. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases.

Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

9. Insurance Policies.

From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date shall be reinstated and continue in full force and effect in accordance with its terms and, to the extent applicable, shall be deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1. Nothing contained herein shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in this Section II.D.9 shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

**ARTICLE III

A. Conditions Precedent to the Effective Date.

The Effective Date will not occur, and the Plan will not be consummated, unless and until the City has determined that all of following conditions have been satisfied or waived in accordance with Section III.B:

12. If Classes 10 and 11 have accepted the Plan, all conditions to the effectiveness of the State Contribution Agreement and the DIA Settlement Documents have been satisfied.

13. The Syncora Settlement and the Syncora Settlement Agreement shall have been approved by the Bankruptcy Court in form and substance reasonably acceptable to the City and Syncora, and such approval shall not have been vacated or otherwise modified, and the definitive documents contemplated thereby shall have been executed and delivered.

15. 16. The New York State Department of Financial Services shall have waived in writing the notice requirement under FGIC's plan of rehabilitation with respect to the settlement contemplated by the FGIC/COP Settlement Documents and the FGIC Development Agreement in form and substance reasonably acceptable to FGIC, and such waiver shall not have been vacated or otherwise modified.

17. The Effective Date shall have occurred within 180 days of the entry of the Confirmation Order, unless the City requests an extension of such deadline and such deadline is extended by the Bankruptcy Court.

B. Waiver of Conditions to the Effective Date.

The conditions to the Effective Date set forth in Section III.A may be waived in whole or part at any time by the City in its sole and absolute discretion, except for those conditions set forth in (1) Section III.A.9 and Section III.A.10, which conditions cannot be waived, (2) Sections III.A.5, III.A.13 and III.A.14, which may only be waived by the City with the prior written consent of Syncora, (3) Sections III.A.4 and III.A.15, which may only be waived by the City with the prior written consent of FGIC and (4) Section III.A.16, which may be waived by the City at any time on or after November 4, 2014 at 5:00 p.m. (Eastern Time) with the prior written consent of FGIC.

C. Effect of Nonoccurrence of Conditions to the Effective Date.

If each of the conditions to the Effective Date is not satisfied, or duly waived in accordance with Section III.B, then, before the time that each of such conditions has been satisfied and upon notice to such parties in interest as the Bankruptcy Court may direct, the City may file a motion requesting that the Bankruptcy Court vacate the Confirmation Order; provided, however, that, notwithstanding the filing of such motion, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is satisfied before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section III.C: (1) the Plan will be null and void in all respects, including with respect to (a) the discharge of Claims pursuant to section 944(b) of the Bankruptcy Code, (b) the assumptions, assignments or rejections of Executory Contracts and Unexpired Leases pursuant to Section II.D and (c) the releases described in Section III.D.7; and (2) nothing contained in the Plan, nor any action taken or not taken by the City with respect to the Plan, the Disclosure Statement or the Confirmation Order, will be or will be deemed to be (a) a waiver or release of any Claims by or against the City, (b) an admission of any sort by the City or any other party in interest or (c) prejudicial in any manner the rights of the City or any other party in interest.

D. Effect of Confirmation of the Plan.

1. Dissolution of Retiree Committee.

On the Effective Date, the Retiree Committee, to the extent not previously dissolved or disbanded, will dissolve and disband, and the members of the Retiree Committee and their respective professionals will cease to have any role arising from or related to the Chapter 9 Case.

2. Preservation of Rights of Action by the City.

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, in accordance with section 1123(b)(3)(B) of the Bankruptcy Code, the City will retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity, including but not limited to any and all Causes of Action against any party relating to the past practices of the Retirement Systems (including any investment decisions related to, and the management of, the Retirement Systems' respective pension plans or assets), to the extent not expressly released under the Plan or pursuant to any Final Order of the Bankruptcy Court. A nonexclusive schedule of currently pending actions and claims brought by the City is attached as Exhibit III.D.2. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 shall not be deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity, and all Entities are hereby notified that the City intends to preserve all such claims, demands, rights or Causes of Action.

3. Comprehensive Settlement of Claims and Controversies.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a holder of a Claim may have with respect to any Allowed Claim or any Distribution to be made pursuant to the Plan on account of any Allowed Claim. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are (a) in the best interests of the City, its property and Claim Holders and (b) fair, equitable and reasonable. For the avoidance of doubt, this Section III.D.3 shall not affect or limit the application of section 509 of the Bankruptcy Code or any similar doctrine to Bond Insurance Policy Claims.

4. Discharge of Claims.

a. Complete Satisfaction, Discharge and Release.

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan will be in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the City from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt is allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt has accepted the Plan.

b. Discharge.

In accordance with Section III.D.4.a, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order will be a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge will void any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that such discharge will not apply to (i) debts specifically exempted from discharge under the Plan; and (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case.

5. Injunction.

On the Effective Date, except as otherwise provided herein or in the Confirmation Order,

a. all Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims, along with their Related Entities, shall be permanently enjoined from taking any of the following actions against or affecting the City or its property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from the Confirmation Order):

1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims and (C) Indirect Employee Indemnity Claims);

2. enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property;

3. creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the City or its property;

4. asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property;

5. proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and

6. taking any actions to interfere with the implementation or consummation of the Plan.

b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan will be permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in Section III.D.5.a, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

6. Exculpation.

From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this Section, neither the City, its Related Entities (including the members of the City Council, the Mayor and the Emergency Manager), to the extent a claim arises from actions taken by such Related Entity in its capacity as a Related Entity of the City, the State, the State Related Entities, the Exculpated Parties nor the Released Parties shall have or incur any liability to any person or Entity for any act or omission in connection with, relating to or arising out of the City's restructuring efforts and the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the formulation, preparation, negotiation, dissemination, consummation, implementation, confirmation or approval (as applicable) of the Plan, the property to be distributed under the Plan, the settlements implemented under the Plan, the Exhibits, the Disclosure Statement, any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan or the management or operation of the City; provided that the foregoing provisions shall apply to (a) the LTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the LTGO Settlement Agreement or the Plan (as it relates to the LTGO Settlement Agreement), (b) the UTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the UTGO Settlement Agreement or the Plan (as it relates to the UTGO Settlement Agreement), (c) the DWSD Exculpated Parties solely in connection with acts or omissions taken in connection with the DWSD Tender, DWSD Tender Motion or DWSD Tender Order, (d) the Syncora Exculpated Parties solely in connection with acts or omissions taken in connection with the Syncora Settlement Documents and any actions or litigation positions taken by the Syncora Exculpated Parties in the Chapter 9 Case, (e) the FGIC/COP Exculpated Parties solely in connection with acts or omissions taken in connection with the FGIC/COP Settlement Documents and any actions or litigation positions taken by the FGIC/COP Exculpated Parties in the Chapter 9 Case, (f) the RDPMA Exculpated Parties and (g) the COP Agent, solely in its capacity as such and solely in connection with any Distributions made pursuant to the terms of the Plan; provided, further, that the foregoing provisions in this Section III.D.6 shall not affect the liability of the City, its Related Entities, the State, the State Related Entities, the Released Parties and the Exculpated Parties that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct or any act or omission occurring before the Petition Date. The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. This Section III.D.6 shall not affect any liability of (a) any of the COP Swap Exculpated Parties to the Syncora Exculpated Parties or FGIC or (b) the Syncora Exculpated Parties or FGIC/COP Exculpated Parties to any of the COP Swap Exculpated Parties.

7. Releases.

Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement):

- a. each holder of a Claim that votes in favor of the Plan, to the fullest extent permissible under law, will be deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):
 - i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and
 - ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; and provided further, however, that if Classes 10 and 11 vote to accept the Plan, but any necessary conditions precedent to the receipt of the initial funding from the State (pursuant to the State Contribution Agreement) and the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing (pursuant to the DIA Settlement) that can be satisfied or waived by the applicable funding party prior to the Confirmation Hearing (including, but not limited to, adoption of relevant legislation and appropriations by the State and execution of necessary and irrevocable agreements for their funding commitments by each of the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing, which conditions may not be waived) are not satisfied or waived by the applicable funding party prior to the Confirmation Hearing, then Holders of Claims in Classes 10 and 11 that voted to accept the Plan shall be deemed to have voted to reject the Plan, and the voluntary release set forth in the first sentence of this Section III.D.7.a shall not apply to Holders of Claims in Classes 10 and 11; provided, further, that nothing in this Section III.D.7.a shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties; and

- b. if the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

E. No Diminution of State Power.

No provision of this Plan shall be construed: (1) so as to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; (2) so as to limit or diminish the power of the State to effect setoffs necessary to compensate the State or relieve the State of liability against funds (a) owing to the City from the State, (b) granted to the City by the State, or (c) administered by the State on behalf of the City or the federal government (including funds resulting from federal or state grants), for acts or omissions by the City (including but not limited to misappropriation or misuse of funds); and (3) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

F. Effectiveness of the Plan.

The Plan shall become effective on the Effective Date. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action.

G. Binding Effect of Plan.

Pursuant to section 944(a) of the Bankruptcy Code, on and after the Effective Date, the provisions of the Plan shall bind all Holders of Claims, and their respective successors and assigns, whether or not the Claim of any such Holder is Impaired under the Plan and whether or not such Holder has accepted the Plan. The releases and settlements effected under the Plan will be operative, and subject to enforcement by the Bankruptcy Court, from and after the Effective Date, including pursuant to the injunctive provisions of the Plan. Once approved, the

compromises and settlements embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to any collateral attack or other challenge by any Entity in any court or other forum. As such, any Entity that opposes the terms of any compromise and settlement set forth in the Plan must (1) challenge such compromise and settlement prior to Confirmation of the Plan and (2) demonstrate appropriate standing to object and that the subject compromise and settlement does not meet the standards governing bankruptcy settlements under Bankruptcy Rule 9019 and other applicable law.

ARTICLE IV **MEANS FOR IMPLEMENTATION OF THE PLAN**

A. DWSD.

1. Rates and Revenues.

DWSD will maintain Fiscal Year 2015 rate setting protocols for a minimum of five years, subject to certain changes necessary to stabilize water and sewer revenues. Rates will be determined by the Board of Water Commissioners or, if a DWSD Authority is formed and approved by the incorporating units' governing bodies, by the board of any such DWSD Authority. The City may seek to implement a rate stability program for City residents, which program may, among other things, (a) provide a source of funds to mitigate against rate increases, (b) enhance affordability and (c) provide a buffer against delinquent payments.

2. DWSD CBAs.

Collective bargaining agreements with respect to current DWSD employees that are in effect and not expired as of the Effective Date will be assumed by the City.

3. Potential DWSD Authority Transaction.

As a result of mediation or otherwise, it is possible that the City may enter into a DWSD Authority Transaction that includes the formation of the DWSD Authority to conduct many or all of the operations currently conducted by DWSD. Any such transaction would be subject to the approval of incorporating units and numerous other conditions. The timing of any such transaction, if it occurs at all, is not known. If any such transaction could occur, unless waived by the City in its sole discretion, the City will enter into such transaction only if Macomb County, Oakland County and Wayne County, and each of their municipal affiliates or related public corporations, withdraw with prejudice or shall have withdrawn with prejudice their objections to the Confirmation of the Plan. Any DWSD Authority Transaction shall be on terms that are consistent with all other provisions of the Plan, applicable law and orders of the Bankruptcy Court. The City shall not enter into any binding agreement with respect to or consummate any DWSD Authority Transaction prior to the Effective Date without first obtaining an order of the Bankruptcy Court approving and authorizing such DWSD Authority Transaction.

All terms and conditions in respect of any DWSD Authority Transaction set forth in (a) any DWSD Bond Document or (b) any transaction document in respect of such a DWSD Authority Transaction shall in any case include: (i) no material modifications to the source of payment and security for any DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (ii) an opinion of tax counsel that such transfer shall have no material adverse effect on the tax exempt status of the interest on the DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (iii) that the City could issue at least \$1 of additional new money DWSD Bonds in compliance with the additional bonds test set forth in the applicable DWSD Bond Documents; and (iv) ratings confirmation of any rating agency then rating the DWSD Bonds and 2014 Revenue and Revenue Refinancing Bonds. A DWSD Authority Transaction shall not affect, impair, modify or otherwise alter the rights of any party under the DWSD Tender Order, the DWSD Bond Documents, the DWSD Revolving Bond Documents, the 2014 DWSD Refinancing Obligations, the 2014 Revenue and Revenue Refinancing Bonds or the 2014 Revenue Refinancing Bonds or any Bond Insurance Policy related to or issued in connection with any of the foregoing.

B. The New B Notes, New C Notes and New LTGO Bonds.

On or before the Effective Date, the City shall (a) execute the New B Notes Documents, issue the New B Notes, substantially on the terms set forth on Exhibit I.A.246, and distribute the New B Notes as set forth in the Plan; (b) execute the New C Notes Documents, issue the New C Notes, substantially on the terms set forth on Exhibit I.A.248 (and in any case in form and substance reasonably acceptable to the City and Syncora), and distribute the New C Notes as set forth in the Plan; and (c) execute the New LTGO Bond Documents, issue the New LTGO Bonds, substantially on the terms set forth on Exhibit I.A.237, and distribute the New LTGO Bonds as set forth in the Plan.

C. The UTGO Settlement.

On the Effective Date, the City and the Settling UTGO Bond Insurers shall consummate the UTGO Settlement Agreement, a copy of which is attached hereto as Exhibit I.A.360. The treatment of Unlimited Tax General Obligation Bond Claims under the Plan is provided for pursuant to the UTGO Settlement Agreement, which involves the settlement of, among other things, the UTGO Litigation and is subject to Bankruptcy Court approval pursuant to Bankruptcy Rule 9019. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the UTGO Settlement Agreement pursuant to Bankruptcy Rule 9019.

Pursuant to the UTGO Settlement Agreement, among other things: (1) the Unlimited Tax General Obligation Bond Claims shall be deemed Allowed in the amount of \$388,000,000; (2) the City shall issue the Municipal Obligation to the MFA, which in turn will issue the Restructured UTGO Bonds; (3) Holders of Allowed Unlimited Tax General Obligation Bond Claims shall be entitled to receive their Pro Rata share of \$279,618,950 of the Restructured UTGO Bonds as set forth in Schedule 1a of the UTGO Settlement Agreement; (4) the Settling UTGO Bond Insurers and the Non-Settling UTGO Bond Insurer shall be entitled to receive \$7,941,840 of the Restructured UTGO Bonds as set forth in Schedule 1b to the UTGO Settlement Agreement; and (5) a designee or designees of the City shall have the right to receive the Assigned UTGO Bond Tax Proceeds, which Assigned UTGO Bond Tax Proceeds will be distributed over a 14-year period to the Income Stabilization Funds of GRS and PFRS for the payment of Income Stabilization Payments to Eligible Pensioners and to the Retirement Systems, in accordance with applicable agreements.

Each Settling UTGO Bond Insurer shall receive, as soon as reasonably practicable after the occurrence of a Trigger Event, its allocable share of the Top-Off Payments in accordance with the terms of the UTGO Settlement Agreement.

D. The State Contribution Agreement.

Prior to or on the Effective Date, if Classes 10 and 11 vote to accept the Plan, the City, GRS, PFRS and the State will enter into the State Contribution Agreement, substantially on the terms set forth on Exhibit I.A.332.

1. State Contribution.

The State or the State's authorized agent will contribute the net present value of \$350 million payable over 20 years using a discount rate of 6.75% to GRS and PFRS for the benefit of the Holders of Pension Claims.

2. Income Stabilization Payments.

The Income Stabilization Funds of GRS and PFRS will receive not less than an aggregate amount of \$20 million over 14 years of the Assigned UTGO Bond Tax Proceeds in the form of annual installment payments pursuant to a payment schedule approved by the State. Following the Effective Date, on an annual basis, GRS and PFRS will distribute such portion of the funds held in their respective Income Stabilization Fund to Eligible Pensioners entitled to receive the Income Stabilization Benefit and the Income Stabilization Benefit Plus. The

Income Stabilization Benefit, which will be calculated in the first year following the Effective Date and will not increase thereafter, will be provided by the applicable Retirement System to each Eligible Pensioner. In addition, to the extent that an Eligible Pensioner's estimated adjusted annual household income (as determined by the applicable Retirement System) in any calendar year after the first year of the income stabilization program is less than 105% of the Federal Poverty Level for such year, the applicable Retirement System will distribute the Income Stabilization Benefit Plus to such Eligible Pensioner.

In the event that, in 2022 (provided that the State has not issued a certificate of default under the State Contribution Agreement with respect to GRS or PFRS, as applicable, at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee of GRS or PFRS, as applicable, that the Income Stabilization Fund of the applicable Retirement System is credited with Excess Assets, the respective Investment Committee may recommend that the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System. In the event that any funds remain in the Income Stabilization Fund of each or either of GRS or PFRS on the date upon which no Eligible Pensioners under the applicable Retirement System are living, such funds shall be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System.

3. Conditions to State's Participation.

The payment of the State Contribution by the State or the State's authorized agent is conditioned upon satisfaction of the conditions precedent set forth in the State Contribution Agreement, including, among other things, the following: (a) the Confirmation Order becoming a Final Order no later than December 31, 2014, which Confirmation Order must contain certain provisions as set forth in the State Contribution Agreement, including a requirement that the governing documents of GRS and PFRS be amended to include (i) the governance terms and conditions set forth in the State Contribution Agreement and (ii) the Income Stabilization Funds and Income Stabilization Payments; (b) the occurrence of the Effective Date no later than April 1, 2015; (c) acceptance of the Plan by Classes 10 and 11, which Plan must be in form and substance reasonably acceptable to the State and contain certain release provisions; (d) the Retiree Committee's endorsement of the Plan, including a letter from the Retiree Committee recommending that Classes 10 and 11 vote in favor of the Plan, or equivalent assurances from member organizations representing a majority of retirees in Classes 10 and 11; (e) active support of the Plan by, a release of and covenant not to sue the State from, and an agreement not to support in any way the litigation described in subsection (f) of this Section by, the City, the Retiree Committee, the Retirement Systems and certain unions and retiree associations, or equivalent assurances of litigation finality; (f) cessation of all litigation, or equivalent assurances of finality of such litigation, including the cessation of funding of any litigation initiated by any other party, as it relates to the City, (i) challenging PA 436 or any actions taken pursuant to PA 436 or (ii) seeking to enforce Article IX, Section 24 of the Michigan Constitution; (g) evidence satisfactory to the State of an irrevocable commitment by the Foundations (excluding the Special Foundation Funders, as that term is defined in the DIA Settlement Documents) to fund \$366 million (or the net present value thereof) as part of the DIA Settlement, as provided in Section IV.E.1; and (h) evidence satisfactory to the State of an irrevocable commitment by DIA Corp. to fund \$100 million (or the net present value thereof) as part of the DIA Settlement, as provided in Section IV.E.1.

The State shall File and serve via the Court's electronic case filing and noticing system a notice that the conditions precedent to the State's payment of the State Contribution have been satisfied or otherwise addressed pursuant to the procedures outlined in the State Contribution Agreement no later than ten days after all such conditions have been satisfied or otherwise addressed.

4. Release of Claims Against the State and State Related Entities.

The State Contribution Agreement requires that the Plan provide for the release of the State and the State Related Entities by each holder of a Pension Claim from all Liabilities arising from or related to the City, the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution, as more particularly described in the State Contribution Agreement and as set forth at Section III.D.7.b.

E. The DIA Settlement.

On the Effective Date, the City and the DIA Corp. will enter into the DIA Settlement, pursuant to which (1) the DIA Funding Parties that are such as of the Effective Date have committed to assist in the funding of the City's restructured legacy pension obligations and (2) the City has agreed to enter into certain transactions that will cause the DIA to remain in the City in perpetuity, as described in and subject to the terms and conditions of the DIA Settlement Documents, and to otherwise make the DIA Assets available for the benefit of the residents of the City and the Counties and the citizens of the State. The DIA Settlement Documents attached hereto as Exhibit I.A.127 will qualify the description of the DIA Settlement in the Plan, Disclosure Statement and Exhibit I.A.126. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the DIA Settlement pursuant to Bankruptcy Rule 9019.

1. Funding Contributions.

The DIA Settlement will be funded as follows: (a) irrevocable commitments in an aggregate amount of at least \$366 million by the Foundations (excluding the Special Foundation Funders, as that term is defined in the DIA Settlement Documents); and (b) in addition to its continuing commitments outside of the DIA Settlement, irrevocable commitments in an aggregate amount of \$100 million from the DIA Direct Funders (including the commitment of the Special Foundation Funders, as that term is defined in the DIA Settlement Documents, and subject to certain adjustments as set forth in the DIA Settlement Documents), the payment of which \$100 million will be guaranteed by DIA Corp., subject to the terms of the DIA Settlement Documents. The foregoing commitments shall be funded over the course of the 20 year period immediately following the Effective Date (subject to the annual confirmation of the City's continuing compliance with the terms of the DIA Settlement) according to the "Agreed Required Minimum Schedule" and subject to the option at any time for the "Present Value Discount," as set forth in the DIA Settlement Documents. Amounts committed by the Foundations and the DIA Direct Funders will be paid to the CFSEM Supporting Organization, which will (a) transfer such amounts for the purpose of funding the Retirement Systems upon the City's satisfaction of certain conditions and (b) not be subject to claims of creditors of the Community Foundation for Southeast Michigan.

2. Transfer of DIA Assets.

On the Effective Date, the City shall irrevocably transfer all of its right, title and interest in and to the DIA Assets to DIA Corp., as trustee, to be held in perpetual charitable trust, and within the City limits, for the primary benefit of the residents of the City and the Counties and the citizens of the State.

3. Conditions to the DIA Funding Parties' Participation.

The DIA Funding Parties' participation in the DIA Settlement is conditioned upon, among other things, the following: (a) execution of the DIA Settlement Documents by each Foundation; (b) the irrevocable commitment from the DIA Corp. described in Section IV.E.1; (c) the acceptance of the Plan by Classes 10 and 11; (d) the irrevocable transfer by the City of the DIA Assets described in Section IV.E.2; (e) approval by the DIA's Board of Directors and the taking effect of the recommendation of the governance committee as described in Exhibit I.A.126; (f) the earmarking of all funds provided by the DIA Funding Parties towards the recoveries upon Pension Claims under the Plan for Holders of Claims in Classes 10 and 11; (g) the adoption of prospective governance and financial oversight mechanisms for the Retirement Systems that are reasonably satisfactory to the DIA Funding Parties; (h) the amendment by DIA Corp. and the art institute authority for each of Macomb County, Oakland County and Wayne County, Michigan of each art institute authority's respective service agreement so that the termination of the 1997 Operating Agreement between the City and DIA Corp. will not affect the art institute authorities' obligations under such agreements to pay millage proceeds to DIA Corp.; (i) the approval of the DIA Settlement by the Attorney General for the State; (j) the agreement of the State to provide the State Contribution; and (k) the City's agreement to indemnify and hold harmless the DIA Funding Parties and the CFSEM Supporting Organization and their Related Entities pursuant to, and in accordance with, the terms of the DIA Settlement Documents.

F. Contingent Payment Rights.

On or as soon as reasonably practicable after the Confirmation Date, the City shall establish the Restoration Trust. The City shall issue the DWSD CVR to the Restoration Trust. If a Qualifying DWSD Transaction has not occurred before the seventh anniversary of the Effective Date, the DWSD CVR shall terminate and expire. The Restoration Trust shall distribute proceeds from the DWSD CVR in the following amounts and priorities: (1) first, to GRS up to an amount sufficient for all three GRS waterfall classes identified on Exhibit II.B.3.r.ii.C to have their 4.5% pension reductions restored; (2) second, to GRS up to an amount sufficient for all three GRS waterfall classes identified on Exhibit II.B.3.r.ii.C to have 92% of their COLA benefits restored; and (3) third, 53% to GRS and 47% to PFRS. If the City makes any contributions to either GRS or PFRS out of its portion of the Net DWSD Transaction Proceeds, such contributions and earnings thereon shall not be taken into account for determining whether any pension restoration may be made. The DWSD CVR may not be transferred.

1. Special Restoration.

Any proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated on or before the Effective Date, or fully executed and enforceable before the Effective Date but consummated after the Effective Date, shall be utilized for the purpose of funding the Special Restoration; provided that the City shall act in good faith so as not to unreasonably delay the execution of a Qualifying DWSD Transaction solely to avoid Special Restoration. In such case, the City will perform a Value Determination and arrive at the Discounted Value. The City will engage in good faith discussion as to the reasonableness of the Value Determination with the Retiree Committee or Restoration Trust, as applicable. In the event that the Retiree Committee or the Restoration Trust, as applicable, does not accept the Value Determination, the Retiree Committee or the Restoration Trust, as applicable, may seek to have the Bankruptcy Court determine the dispute, and the City consents to such jurisdiction.

Special Restoration shall follow the priorities of restoration of benefits set forth in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C. In order for benefits to be restored pursuant to the Special Restoration, such benefits must be fully funded by 50% of the Discounted Value for the full actuarially-determined lives of all participants for whom benefits are restored. In the event that actual Net DWSD Transaction Proceeds from the DWSD CVR do not equal 50% of the contemplated Net DWSD Transaction Proceeds as of the date of the Value Determination, the Investment Committees of the Retirement Systems will reduce or eliminate the Special Restoration benefits, as applicable, by the amount that 50% of the Discounted Value exceeds the actual Net DWSD Transaction Proceeds from the DWSD CVR received or projected to be received using a 6.75% discount rate. In the event that the Retiree Committee, the Restoration Trust or the City, as applicable, does not agree with the reduction in the Special Restoration benefits, the Retiree Committee or the Restoration Trust, as applicable, or the City may consult with the trustees and Investment Committees of PFRS or GRS with respect to any such reduction. Neither the Retiree Committee nor the Restoration Trust shall have any right to initiate any enforcement proceeding with respect to Special Restoration.

2. General Restoration.

Any Net DWSD Transaction Proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated after the Effective Date, if such Qualifying Transaction was not fully executed and enforceable before the Effective Date, shall be utilized for the purpose of funding the pension trusts, and such cash contributions shall be included in any calculations allowing for the restoration of benefits in accordance with the general rules governing pension restoration as provided for in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C.

G. The OPEB Settlement.

The City and the Retiree Committee have reached a settlement related to the allowance and calculation of the OPEB Claims in Class 12 and the treatment of such Allowed OPEB Claims, the terms of which settlement are reflected in the Plan. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, such settlement pursuant to Bankruptcy Rule 9019.

H. The LTGO Settlement.

The City, the LTGO Insurer and BlackRock Financial Management have reached a settlement related to the treatment of Allowed Limited Tax General Obligation Bond Claims, the terms of which settlement are reflected in the Plan. Pursuant to the LTGO Settlement Agreement, Distributions attributable to the Insured LTGO Bonds shall be made to the LTGO Distribution Agent (as opposed to directly to the record owners of the Insured LTGO Bonds or to the LTGO Insurer) for the benefit of the record owners of the Insured LTGO Bonds in accordance with the LTGO Settlement Agreement. In the event that the City intends to redeem the principal amount of New LTGO Notes during any time that the Insured LTGO Bonds are outstanding, the City and the LTGO Distribution Agent shall be required to take certain actions as described in the LTGO Settlement Agreement. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the LTGO Settlement Agreement pursuant to Bankruptcy Rule 9019.

I. The Syncora Settlement.

The City and Syncora have reached a settlement effecting a global resolution of all matters and litigation between the parties related to the Chapter 9 Case, as set forth in the Syncora Settlement Documents (the terms of which qualify and control over any description of the Syncora Settlement contained herein). Pursuant to the Syncora Settlement, and in accordance with the Plan, among other things: (1) the City shall, pursuant to Section II.D.1, assume the Tunnel Lease; (2) the parties shall enter into the Syncora Development Agreement; (3) the parties shall dismiss or withdraw the Dismissed Syncora Litigation as set forth in the Syncora Settlement Agreement; (4) any vote cast by Syncora to reject the Plan shall be deemed a vote to accept the Plan; (5) Syncora shall support Confirmation; and (6) on the Effective Date or as soon thereafter as practical, the City shall pay the sum of \$5 million in full satisfaction of all of Claims filed or asserted against the City by Syncora relating to the COP Swap Agreements and any agreements related thereto, including the COP Syncora Swap Insurance Policies and the COP Swap Collateral Agreement. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving and authorizing the parties to enter into, (1) the Syncora Settlement pursuant to Bankruptcy Rule 9019 and (2) the related Syncora Development Agreement (including the garage option) and the Tunnel Lease. The City shall not amend the Plan in any way that adversely affects Syncora without Syncora's prior written consent.

J. The FGIC/COP Settlement.

The City and FGIC have reached a settlement effecting a global resolution of all matters and litigation between the parties related to the Chapter 9 Case, as set forth in the FGIC/COP Settlement Documents (the terms of which qualify and control over any description of the FGIC/COP Settlement contained herein). Pursuant to the FGIC/COP Settlement, and in accordance with the Plan, among other things: (1) the City and the Developer, for the benefit of FGIC and the FGIC COP Holders, shall enter into the FGIC Development Agreement; (2) FGIC shall, on behalf of the FGIC COP Holders, become a Settling COP Claimant with respect to all COPs and COP Claims associated with COPs originally insured by FGIC; (3) the parties shall dismiss or withdraw the Dismissed FGIC/COP Litigation as set forth in the FGIC/COP Settlement Documents; (4) except for Excluded Actions, FGIC shall waive any claims it may have against any other party related to the Dismissed FGIC/COP Litigation as set forth in the FGIC/COP Settlement Documents; (5) any vote cast by FGIC to reject the Plan shall be deemed a vote to accept the Plan; and (6) in full satisfaction and discharge of FGIC's claims against the City related to FGIC's Swap Insurance Policies, (a) FGIC shall receive an Allowed Class 14 Claim in the amount of \$6.15 million, entitling FGIC to receive the Distributions provided pursuant to Section II.B.3.u.i and (b) the DDA shall assign to FGIC all of its right, title and interest to the New B Notes to be distributed to the DDA pursuant to Section II.B.3.t.ii. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving and authorizing the parties to enter into, (1) the FGIC/COP Settlement pursuant to Bankruptcy Rule 9019 and (2) the related FGIC Development Agreement. The City shall not amend the Plan in any way that adversely affects FGIC without FGIC's prior written consent.

K. Issuance of the New Securities.

The City shall issue the New Securities on the Effective Date or a subsequent Distribution Date, as applicable. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-

bankruptcy law, the issuance of New Securities as contemplated by the Plan is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution, or sale of securities. The New Securities (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are freely tradable and transferable by any initial recipient thereof that (i) is not an "affiliate" of the City or applicable issuer as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within 90 days of such transfer, and (iii) is not an entity that is an "underwriter" as defined in subsection (b) of Section 1145 of the Bankruptcy Code.

L. Cancellation of Existing Bonds, Bond Documents, COPs and COP Documents.

Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as specifically provided otherwise in the Plan (including any rejection of Executory Contracts pursuant to Section II.D), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule, and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; provided, however, that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (i) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto, (ii) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution, (iii) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City, (iv) as may be necessary to preserve any claim by (1) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (2) a COPs Holder or COP Agent under a COP Insurance Policy or against any COP Insurer or (3) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder and (v) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto. For the avoidance of doubt, except for the immediately preceding sentence, this Section IV.L shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii. As of the Effective Date, the principal amounts of the COPs originally insured by FGIC shall be deemed accelerated and due and payable, and no interest on the COPs originally insured by FGIC shall accrue thereafter, solely for the purposes of determining distributions from the COP Trustee to holders of COPs originally insured by FGIC. The foregoing acceleration of principal and cessation of interest shall affect only the rights of each holder of COPs originally insured by FGIC to the receipt of proceeds of distributions under the Plan and not the rights of each such COPs holder against FGIC or shall not in any way modify payments currently required of FGIC under its existing insurance policies or FGIC's Plan of Rehabilitation.

M. Release of Liens.

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, or where a Claim is Reinstated, on the Effective Date, all Liens against the City's property will be deemed fully released and discharged, and all of the right, title and interest of any holder of such Liens, including any rights to any collateral thereunder, will revert to the City. As of the Effective Date, (1) the holders of such Liens will be authorized and directed to release any collateral or other property of the City (including any cash collateral) held by such Holder and to take such actions as may be requested by the City to evidence the release of such Lien, including the execution, delivery, filing or recording of such releases as may be requested by the City, and (2) the City shall be authorized to execute and file on behalf of

creditors Form UCC-3 termination statements or such other forms as may be necessary or appropriate to implement the provisions of this Section IV.M.

N. Professional Fees.

1. Professional Fee Reserve.

On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where applicable, the DWSD's funds, in an amount determined by the City to be sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals and the Fee Examiner Parties as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks); (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve; and (c) an estimate of the Fee Examiner Parties' unbilled fees and expenses through the projected date of dismissal of the Fee Examiner under Section IV.N.3, as determined by the City in consultation with the Fee Examiner. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable in accordance with the Fee Review Order shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable in accordance with the Fee Review Order and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

2. Fee Review Order.

The Fee Examiner shall review all fees and expenses of the Fee Review Professionals for the period from the Petition Date and ending on the Effective Date in accordance with the terms of the Fee Review Order. For the avoidance of doubt, the Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses; provided, however, that all fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall remain subject to review and approval of the Bankruptcy Court pursuant to the terms of the Fee Review Order.

3. Dismissal of the Fee Examiner.

Once the Fee Examiner completes his review of all Fee Review Professional Fees and submits or files all reports related thereto as required by the Fee Review Order, the Fee Examiner shall be dismissed of all duties and obligations under the Fee Examiner Order and the Fee Review Order, other than any obligations of confidentiality thereunder. The confidentiality obligations of the Fee Examiner and the other Fee Examiner Parties, including the confidentiality obligations set forth in paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date.

4. Potential Review of Fees Not Subject to Fee Review Order.

The City shall have the right to bring before the Bankruptcy Court a request to review and determine the reasonableness of the fees and expenses of any Fee Review Professional retained by a creditor of the City or any of its departments to the extent that such fees and expenses have not been either (a) approved pursuant to or in accordance with the DWSD Tender Order, (b) subject to court review or (c) subject to a Bankruptcy Court-approved or agreed upon process for binding arbitration.

5. Court-Appointed Expert.

The Court-appointed expert, Martha E. M. Kopacz of Phoenix Management Services, and her counsel shall be compensated for any reasonable fees and expenses incurred through the Confirmation Date in accordance with the terms of the Court's Order Appointing Expert Witness (Docket No. 4215), entered on April 22, 2014, as amended.

O. Assumption of Indemnification Obligations.

Notwithstanding anything otherwise to the contrary in the Plan, nothing in the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the injunction provisions of Section III.D.5 and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen, asserted or unasserted; provided that this Section IV.O shall be read in conjunction with the provisions for Indirect Employee Indemnity Claims set forth in Section III.D.5. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this Section IV.O.

P. Incorporation of Retiree Health Care Settlement Agreement.

The terms of the Retiree Health Care Settlement Agreement resolving the Retiree Health Care Litigation, which agreement is attached hereto as Exhibit I.A.298, are incorporated herein by reference and shall be binding upon the parties thereto.

Q. Payment of Workers' Compensation Claims.

From and after the Effective Date, (a) the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan shall discharge, release or relieve the City from any current or future liability under applicable State workers' compensation law. The City expressly reserves the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

R. 36th District Court Settlement.

The City and the Settling 36th District Court Claimants have reached a settlement related to (1) the allowance of certain of the Settling 36th District Court Claimants' Claims and (2) the treatment of Allowed Indirect 36th District Court Claims under the Plan substantially on the terms attached hereto as Exhibit I.A.9. The 36th District Court Settlement is incorporated into the Plan, which shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, such settlement pursuant to Bankruptcy Rule 9019.

S. Payment of Certain Claims Relating to the Operation of City Motor Vehicles.

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City's motor vehicles, as follows: (1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys' fees under MCL § 500.3142

or MCL § 500.3148 on prepetition Claims for personal protection benefits; (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverages specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section IV.S, and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under State law.

T. Payment of Tax Refund Claims.

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures. The City expressly reserves the right to challenge the validity of any claim for an income tax refund or property tax refund.

U. Utility Deposits.

From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

V. Pass-Through Obligations.

The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

W. Exit Facility.

On the Effective Date, the City shall enter into the Exit Facility, as well as any ancillary notes, documents or agreements in connection therewith, including, without limitation, any documents required in connection with the creation or perfection of the liens securing the Exit Facility.

X. Post-Effective Date Governance.

Prior to or on the Effective Date, the Financial Review Commission shall be established pursuant to and in accordance with the Financial Review Commission Act. The Financial Review Commission shall provide oversight as set forth in the Financial Review Commission Act, including to ensure that, post-Effective Date, the City adheres to the Plan and continues to implement financial and operational reforms that promote more efficient and effective delivery of services to City residents. The City shall promptly provide to the Bankruptcy Court copies of any reports given to, or received from, the Financial Review Commission. Nothing herein shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

ARTICLE V **PROVISIONS REGARDING DISTRIBUTIONS UNDER THE PLAN**

A. Appointment of Disbursing Agent.

The City may act as Disbursing Agent or may employ or contract with other Entities to act as the Disbursing Agent or to assist in or make the Distributions required by the Plan. Any Disbursing Agent appointed by the City will serve without bond. Other than as specifically set forth in the Plan, the Disbursing Agent shall make all Distributions required to be made under the Plan.

B. Distributions on Account of Allowed Claims.

Except as otherwise provided in the Plan, on the Effective Date or as soon as practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such a Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive from the Disbursing Agent, the Bond Agent or the COP Agent, as applicable, the Distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, Distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Section VI.B. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date. Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim.

C. Certain Claims to Be Expunged.

Any Claim that has been or is hereafter listed in the List of Creditors as contingent, unliquidated or disputed, and for which no proof of Claim is or has been timely Filed, is not considered to be an Allowed Claim and shall be expunged without further action by the City and without further notice to any party or any action, approval or order of the Bankruptcy Court.

D. Record Date for Distributions; Exception for Bond Claims.

With the exception of Bond Claims, neither the City nor any Disbursing Agent will have any obligation to recognize the transfer of, or the sale of any participation in, any Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims (including Holders of Claims that become Allowed after the Distribution Record Date) that are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date. With the exception of the Bond Claims, the City and any Disbursing Agent shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official Claims Register as of the close of business on the Distribution Record Date. Unless otherwise set forth in the Confirmation Order, the City shall not establish a record date for Distributions to Holders of Bond Claims.

E. Means of Cash Payments.

Except as otherwise specified herein, all Cash payments made pursuant to the Plan shall be in U.S. currency and made by check drawn on a domestic bank selected by the Disbursing Agent or, at the option of the Disbursing Agent, by wire transfer, electronic funds transfer or ACH from a domestic bank selected by the Disbursing Agent; provided, however, that Cash payments to foreign Holders of Allowed Claims may be made, at the option of the Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

F. Selection of Distribution Dates for Allowed Claims.

Except where the Plan requires the making of a Distribution on account of a particular Allowed Claim within a particular time, the Disbursing Agent shall have the authority to select Distribution Dates that, in the judgment of the Disbursing Agent, provide Holders of Allowed Claims with payments as quickly as reasonably practicable while limiting the costs incurred in the distribution process. Upon the selection of a Distribution Date by the Disbursing Agent, the Disbursing Agent shall File a notice of such Distribution Date that provides information regarding the Distribution to be made.

G. Limitations on Amounts to Be Distributed to Holders of Allowed Claims Otherwise Insured.

No Distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the City's insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy; provided that, if the City believes a Holder of an Allowed Claim has recourse to an insurance policy and intends to direct the Disbursing Agent to withhold a Distribution pursuant to this Section V.G, the City shall provide written notice to such Holder regarding what the City believes to be the nature and scope of applicable insurance coverage. To the extent that one or more of the City's insurance carriers agrees to satisfy a Claim in full, then immediately upon such agreement such Claim may be expunged without a Claims objection having to be Filed and without any further notice or any action, order or approval of the Bankruptcy Court. Nothing in the Plan, including this Section V.G, shall constitute a waiver of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities that any Entity may hold against any other Entity, including the City's insurance carriers and Bond Insurers, other than the City. For the avoidance of doubt, this Section shall not apply to Bond Insurance Policies or Swap Insurance Policies.

H. City's Rights of Setoff Preserved.

Notwithstanding anything to the contrary in the Plan, pursuant to section 553 of the Bankruptcy Code or otherwise applicable non-bankruptcy law, the City may set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Allowed Claim the claims, rights and Causes of Action of any nature that the City may assert against the Holder of such Claim; provided, however, that neither the failure to effect a setoff nor the allowance of any Claim pursuant to the terms of the Plan shall constitute a waiver or release by the City of any claims, rights and Causes of Action that the City may assert against such Holder, all of which are expressly preserved.

I. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Delivery of Distributions Generally.

Except as set forth in Section V.I.2, Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the City's records unless such addresses are superseded by proofs of Claim or transfers of Claim Filed pursuant to Bankruptcy Rule 3001.

2. Delivery of Distributions on Account of Bond Claims.

Distributions on account of the Bond Claims shall (a) be made by the Disbursing Agent to the Bond Agent under the applicable Bond Documents for the benefit of Holders of Bond Claims and (b) be deemed completed when made by the Disbursing Agent to the Bond Agent as if such Distributions were made directly to the Holders of such Claims. The applicable Bond Agent, in turn, shall make such distributions to the applicable Holders pursuant to the terms and conditions of the applicable Bond Documents and subject to the respective rights, claims and interests, if any, that the Bond Agent may have under the applicable Bond Documents or otherwise to the recovery or reimbursement of their fees, costs and expenses (including the fees, costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise. The Bond Agent shall not be required to give any bond, surety or other security for the performance of its duties with respect to such Distributions.

3. De Minimis Distributions / No Fractional New Securities.

No distribution shall be made by the Disbursing Agent on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$25.00. No fractional New Securities shall be distributed. Where a fractional portion of a New Security otherwise would be called for under the Plan, the actual issuance shall reflect a rounding down to the nearest whole New Security.

4. Undeliverable or Unclaimed Distributions.

In the event that any Distribution to any Holder is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such Distribution shall be made to such Holder without interest.

Any Holder of an Allowed Claim that does not claim an undeliverable or unclaimed Distribution within six months after the Effective Date shall be deemed to have forfeited its claim to such Distribution and shall be forever barred and enjoined from asserting any such claim against the City or its property. In such cases, any Cash held by the City on account of such undeliverable or unclaimed Distributions shall become the property of the City free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Any New Securities held for distribution on account of such Claims shall be canceled and of no further force or effect. Nothing contained in the Plan shall require any Disbursing Agent to attempt to locate any Holder of an Allowed Claim.

5. Time Bar to Cash Payment Rights.

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within 90 days after the date of issuance thereof. Requests for reissuance of any check shall be made to the Disbursing Agent by the Holder of the Allowed Claim to whom such check originally was issued within 180 days after the date of the original check issuance. After such date, the Claim of any Holder to the amount represented by such voided check shall be released and forever barred from assertion against the City and its property.

J. Other Provisions Applicable to Distributions in All Classes.

1. No Postpetition Interest.

Except as otherwise specifically provided for in the Plan, or required by applicable bankruptcy law, the City shall have no obligation to pay any amount that constitutes or is attributable to interest on an Allowed Claim accrued after the Petition Date and no Holder of a Claim shall be entitled to be paid any amount that constitutes or is attributable to interest accruing on or after the Petition Date on any Claim without regard to the characterization of such amounts in any document or agreement or to whether such amount has accrued for federal income tax purposes. Any such amount that constitutes or is attributable to interest that has been accrued and has not been paid by the City shall be cancelled as of the Effective Date for federal income tax purposes.

2. Compliance with Tax Requirements.

In connection with the Plan and all instruments issued in connection therewith and distributed thereon, the City and any Disbursing Agent shall comply with all Tax withholding and reporting requirements imposed on it by any governmental unit, and all Distributions under the Plan shall be subject to such withholding and reporting requirements. All such amounts withheld and paid to the appropriate governmental unit shall be treated as if made directly to the Holder of an Allowed Claim. The City and the Disbursing Agent shall be authorized to take any actions that they determine, in their reasonable discretion, to be necessary or appropriate to comply with such withholding and reporting requirements, including withholding Distributions pending receipt of information necessary to facilitate such Distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

Notwithstanding any other provision of the Plan, each Entity receiving or deemed to receive a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any Tax imposed on such Entity on account of such Distribution, including income, withholding and other Tax obligations. The City has the right, but not the obligation, to refuse, or to direct a Disbursing Agent to refuse, to make a Distribution until a Holder of an Allowed Claim has made arrangements satisfactory to the City and any Disbursing Agent for payment of any such Tax obligations. The City may require, as a condition to making a Distribution, that the Holder of an Allowed Claim provide the City or any Disbursing Agent with a completed Form W-8, W-9 or other Tax information, certifications and supporting documentation, as applicable.

If the City makes such a request and the Holder of an Allowed Claim fails to comply before the date that is 180 days after the initial request is made, the amount of such Distribution shall irrevocably revert to the City and any Claim in respect of such Distribution shall be released and forever barred from assertion against the City and its property.

3. Allocation of Distributions.

All Distributions to Holders of Allowed Claims that have components of principal and interest shall be deemed to apply first to the principal amount of such Claim until such principal amount is paid in full, and then the remaining portion of such Distributions, if any, shall be deemed to apply to any applicable accrued interest included in such Claim to the extent interest is payable under the Plan.

4. Surrender of Instruments.

As a condition to participation under this Plan, the Holder of a note, debenture or other evidence of indebtedness of the City that desires to receive the property to be distributed on account of an Allowed Claim based on such note, debenture or other evidence of indebtedness shall surrender such note, debenture or other evidence of indebtedness to the City or its designee (unless such Holder's Claim will not be Impaired by the Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Plan; provided, however, that, if a claimant is a Holder of a note, debenture or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by the Depository Trust Company or other securities depository or custodian thereof, there shall be no requirement of surrender. In the City's sole discretion, if no surrender of a note, debenture or other evidence of indebtedness occurs and the Holder of Claim does not provide an affidavit and indemnification agreement, in form and substance reasonably satisfactory to the City, that such note, debenture or other evidence of indebtedness was lost, then no distribution may be made to such Holder in respect of the Claim based on such note, debenture or other evidence of indebtedness. For the avoidance of doubt, (a) no Bond, note, debenture or other evidence of indebtedness of the City shall be surrendered or deemed surrendered that is subject to any Bond Insurance Policy and (b) no COP shall be surrendered or deemed surrendered hereby to the extent necessary to make or preserve a claim under any applicable policies or other instruments insuring the COPs and obligations related thereto or against any party, other than the City, that insures the COPs. Notwithstanding the foregoing, such Bonds or Bond Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City.

ARTICLE VI

PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Treatment of Disputed Claims.

1. General.

No Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order (including the Confirmation Order) allowing such Claim. Notwithstanding any other provision of the Plan, no payments or Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim. Without limiting the foregoing in any way, no partial payments and no partial Distributions will be made with respect to a disputed, contingent or

unliquidated Claim, or with respect to any Claim for which a proof of Claim has been Filed but not Allowed, until the resolution of such disputes or estimation or liquidation of such Claim by settlement or by Final Order.

2. ADR Procedures.

At the City's option, any Disputed Claim designated or eligible to be designated for resolution through the ADR Procedures may be submitted to the ADR Procedures in accordance with the terms thereof and the ADR Procedures Order. For the avoidance of doubt, the designation of a Disputed Claim for resolution through the ADR Procedures, either prior to or after the Effective Date, will not modify, and will not be deemed to have modified, the terms of the ADR Injunction imposed pursuant to the ADR Procedures Order. Disputed Claims not resolved through the ADR Procedures will be resolved pursuant to the Plan.

3. Tort Claims.

At the City's option, any unliquidated Tort Claim (as to which a proof of Claim was timely Filed in the Chapter 9 Case) not resolved through the ADR Procedures or pursuant to a Final Order of the Bankruptcy Court will be determined and liquidated in the administrative or judicial tribunal(s) in which it is pending on the Effective Date (subject to the City's right to seek removal or transfer of venue) or, if no action was pending on the Effective Date, in an administrative or judicial tribunal of appropriate jurisdiction that (a) has personal jurisdiction over the parties, (b) has subject matter jurisdiction over the Tort Claim and (c) is a proper venue. The City may exercise the above option by service upon the holder of the applicable Tort Claim of a notice informing such holder that the City has exercised such option (which notice shall be deemed to satisfy the notice requirements of Section I.B of the ADR Procedures). Upon the City's service of such notice, the automatic stay imposed pursuant to sections 362 and 922 of the Bankruptcy Code (along with any extension of such stay pursuant to the terms of the Stay Extension Order) or, after the Effective Date, the injunction set forth at Section III.D.5, will be deemed modified, without the necessity for further Bankruptcy Court approval or any further action by the City, solely to the extent necessary to allow the parties to determine or liquidate the Tort Claim in the applicable administrative or judicial tribunal(s); provided that nothing contained in this Section will modify, or will be deemed to have modified, the terms of the Stay Extension Order with respect to any Tort Claim prior to the City having served notice of its intent to determine and liquidate such Tort Claim pursuant to this Section. If the City does not serve such a notice upon a holder of a Tort Claim by the Claims Objection Bar Date, such holder may file a motion with the Bankruptcy Court no later than 30 days after the Claims Objection Bar Date seeking relief from the discharge injunction imposed pursuant to Section III.D.5 in order to liquidate and determine its Claim, which right and the deadline for exercising such right shall be set forth in the notice of entry of the Confirmation Order.

Any Tort Claim determined and liquidated pursuant to a judgment obtained in accordance with this Section VI.A.3 and applicable non-bankruptcy law that is no longer appealable or subject to review will be deemed an Allowed Claim, provided that only the amount of such Allowed Tort Claim that is not satisfied from proceeds of insurance payable to the holder of such Allowed Tort Claim will be treated as an Allowed Claim for the purposes of distributions under the Plan and subject to the terms of the Plan. Distributions on account of any such Allowed Tort Claim shall be made in accordance with the Plan. Nothing contained in this Section will constitute or be deemed a waiver of any claim, right or Cause of Action that the City may have against any Entity in connection with or arising out of any Tort Claim, including any rights under section 157(b)(5) of title 28 of the United States Code. All claims, demands, rights, defenses and Causes of Action that the City may have against any Entity in connection with or arising out of any Tort Claim are expressly retained and preserved.

B. Disputed Claims Reserve.

On and after the Effective Date, until such time as all Disputed Claims have been compromised and settled or determined by Final Order and before making any Distributions, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, the City shall establish and maintain a reserve of property equal to (1) the Distributions to which Holders of Disputed Claims would be entitled under the Plan if such Disputed Claims were Allowed Claims in the Face Amount of such Disputed Claims or (2) such lesser amount as required by an order of the Bankruptcy Court. On the first Distribution Date that is at least 30 days (or such fewer days as may be agreed to by the City in its sole discretion) after the date on which a Disputed Claim becomes an Allowed Claim, the Disbursing Agent shall remit to the Holder of such Allowed Claim any Distributions such Holder would have been

entitled to under the Plan on account of such Allowed Claim had such Claim been Allowed as of the Effective Date. If a Disputed Claim is disallowed by Final Order, the property reserved on account shall become available for Distribution to the Holders of Allowed Claims within the Class(es) entitled to receive such property. Each Holder of a Disputed Claim that ultimately becomes an Allowed Claim will have recourse only to the assets held in the disputed claims reserve and not to any other assets held by the City, its property or any property previously distributed on account of any Allowed Claim.

C. Objections to Claims.

1. Authority to Prosecute, Settle and Compromise.

The City's rights to object to, oppose and defend against all Claims on any basis are fully preserved. The City will have the authority to amend the List of Creditors with respect to any Claim and to make Distributions based on such amended List of Creditors without approval of the Bankruptcy Court. If any such amendment to the List of Creditors reduces the amount of a Claim or changes the nature or priority of a Claim, the City will provide the Holder of such Claim with notice of such amendment and such Holder will have 20 days to File an objection to such amendment with the Bankruptcy Court. If no such objection is Filed, the Disbursing Agent may proceed with Distributions based on such amended List of Creditors without approval of the Bankruptcy Court.

CONFIRMATION NOTICE

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

----- X
In re : Chapter 9
CITY OF DETROIT, MICHIGAN, : Case No. 13-53846
Debtor. : Hon. Steven W. Rhodes
----- X

**NOTICE OF (I) ENTRY OF ORDER CONFIRMING EIGHTH
AMENDED PLAN FOR THE ADJUSTMENT OF DEBTS OF THE
CITY OF DETROIT AND (II) OCCURRENCE OF EFFECTIVE DATE**

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. Confirmation of the Plan and Occurrence of the Effective Date.

On _____, 2014, the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") entered an order (Docket No. ____) (the "Confirmation Order") confirming the Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (as it may have been amended, supplemented or modified, the "Plan"), in the above-captioned chapter 9 case of the City of Detroit, Michigan (the "City"). The Effective Date of the Plan occurred on _____, 201_____. Unless otherwise defined in this Notice, capitalized terms and phrases used herein have the meanings given to them in the Plan and the Confirmation Order.

2. Discharge of Claims.

a. Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan are in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, as of the Effective Date, the City is discharged from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt was Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt was allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt accepted the Plan.

b. In accordance with the foregoing, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order is a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge voids any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that, in accordance with section

944(c)(1) of the Bankruptcy Code, such discharge does not apply to (i) debts specifically exempted from discharge under the Plan; (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case; (iii) claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983; or (iv) Claims of (A) T&T Management, Inc., (B) HRT Enterprises and (C) the John W. and Vivian M. Denis Trust related to condemnation or inverse condemnation actions against the City alleging that the City has taken private property without just compensation in violation of the Takings Clause of the Fifth Amendment to the United States Constitution.

3. Releases.

a. General Releases by Holders of Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):

i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities are released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; provided, further, that nothing in Section III.D.7.a of the Plan shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties. Notwithstanding anything in the Plan or the Confirmation Order to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 shall not be released.

b. Release by Holders of Pension Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases,

agreements or documents entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), if the State Contribution Agreement is consummated, each holder of a Pension Claim is deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

4. Injunctions.

On the Effective Date, except as otherwise provided in the Plan or in the Confirmation Order:

a. All Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity, along with their Related Entities, are permanently enjoined from taking any of the following actions against or affecting the City or its property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from the Confirmation Order): (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims and (C) Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity); (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly,

any encumbrance of any kind against the City or its property; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property; (v) proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth therein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and (vi) taking any actions to interfere with the implementation or consummation of the Plan. Notwithstanding anything in the Plan or the Confirmation Order to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 are not enjoined. In addition, all individuals affected by the AFS Recoupment are enjoined from commencing any proceeding against the GRS and its trustees, officers, employees or professionals arising from GRS's compliance with the Plan or this Order.

b. **All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan are permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities:** (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in sub-paragraph 4(a) above, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

5. Treatment of Executory Contracts and Unexpired Leases.

a. **Assumption.** Except for Executory Contracts and Unexpired Leases rejected in the Plan or by other court order, or as requested in any motion Filed by the City on or prior to the Effective Date, as of the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City has been deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations have not been assumed under the Plan and have been discharged. For the avoidance of doubt, the City has assumed the Tunnel Lease pursuant to Section II.D.1 of the Plan.

b. **Assumption of Ancillary Agreements.** Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 of the Plan includes any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 of the Plan or designated for rejection in accordance with Section II.D.3 of the Plan.

c. **Approval of Assumptions and Assignments.** The Confirmation Order constitutes an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the

Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan or (e) are designated for rejection in accordance with the last sentence of this paragraph. The City has provided separate notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease are set forth in the Contract Procedures Order (Docket No. 6512). If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

d. Payments Related to the Assumption of Executory Contracts and Unexpired Leases. To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

e. Contracts and Leases Entered Into After the Petition Date. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

f. Rejection of Executory Contracts and Unexpired Leases. Each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan was deemed rejected as of the Effective Date pursuant to section 365 of the Bankruptcy Code. The Confirmation Order constitutes an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan is rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. Listing a contract or lease on Exhibit II.D.6 to the Plan does not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

g. Rejection Damages Bar Date. Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or

Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date, i.e., _____, 20____; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. h. **Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases.** Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

i. **Insurance Policies.** From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date are reinstated and continue in full force and effect in accordance with their terms and, to the extent applicable, are deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1 of the Plan. Nothing contained in the Plan shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in Section II.D.9 of the Plan shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

6. Payment of Administrative Claims.

a. **Administrative Claims in General.** Except as specified in Section II.A.1 of the Plan, and subject to the bar date provisions therein, unless otherwise agreed by the Holder of an Administrative Claim and the City, or ordered by the Bankruptcy Court, each Holder of an Allowed Administrative Claim will receive, in full satisfaction of such Allowed Administrative Claim, Cash in an amount equal to such Allowed Administrative Claim either: (1) on the Effective Date or as soon as reasonably practicable thereafter; or (2) if the Administrative Claim is not Allowed as of the Effective Date, 30 days after the date on which such Administrative Claim becomes an Allowed Claim. No Claim of any official or unofficial creditors' committee or any member thereof for professionals' fees or other costs and expenses incurred by such creditors' committee or by a member of such creditors' committee shall constitute an Allowed Administrative Claim, except that the Retiree Committee's members and the Retiree Committee Professionals shall be entitled to payment in accordance with the Fee Review Order and any additional fee process established by the Court.

7. Bar Dates for Administrative Claims.

a. **General Bar Date Provisions.** Except as otherwise provided in subparagraphs 7(b) or 7(c) below or in a Bar Date Order or other order of the Bankruptcy Court, unless previously Filed, requests for payment of Administrative Claims must be Filed and served on the City no later than 45 days after the Effective Date, i.e., _____, 20____. Holders of Administrative Claims that are required to File and serve a request for payment of such Administrative Claims and that do not File and serve such a request by the applicable Bar Date will

be forever barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be Filed and served on the City and the requesting party by the later of (i) 150 days after the Effective Date, i.e., _____, 20_____, (ii) 60 days after the Filing of the applicable request for payment of Administrative Claims or (iii) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims.

b. **Ordinary Course Claims.** Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations are not required to File or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the Holders of such Claims or further action or approval of the Bankruptcy Court.

c. **Claims Under the Postpetition Financing Agreement.** Holders of Administrative Claims that are Postpetition Financing Claims are not required to File or serve any request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied as set forth in subparagraph 7(b) above.

d. **No Modification of Bar Date Order.** The Plan does not modify any other Bar Date Order, including Bar Dates for Claims entitled to administrative priority under section 503(b)(9) of the Bankruptcy Code.

8. **ASF Recoupment Cash Option.**

a. **ASF Recoupment Cash Option Election.** No later than seven days following the Effective Date, i.e., _____, 20_____, the City, through its Claims and Balloting Agent, will send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Notice will notify ASF Distribution Recipients that each ASF Distribution Recipient may elect to pay the total amount of his or her ASF Recoupment in a single lump sum by timely returning a properly-completed ASF Election Form. The ASF Election Form will explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (i) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (ii) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. *An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date, i.e., 35 days after the date on which the ASF Election Form is mailed.*

b. **ASF Recoupment Cash Payment.** GRS will mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. The ASF Final Cash Payment Notice is a notice that will be sent to each ASF Distribution Recipient who timely elects the ASF Recoupment Cash Option, and will indicate the amount of such ASF Distribution Recipient's ASF Recoupment Cash Payment. *ASF Distribution Recipients shall have until the ASF Final Cash Payment Date – i.e., the later of (i) 90 days after the Effective Date, i.e., _____, 20_____, or (ii) 50 days after the date of mailing of an ASF Final Cash Payment Notice – to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and*

ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

In re:
City of Detroit, Michigan,
Debtor.

Bankruptcy Case No. 13-53846
Honorable Thomas J. Tucker
Chapter 9

**CITY OF DETROIT'S MOTION FOR THE ENTRY OF AN ORDER (I) ENFORCING
THE PLAN OF ADJUSTMENT INJUNCTION AND (II) REQUIRING B&C LAND
DEVELOPMENT CORPORATION TO (A) DISMISS WITH PREJUDICE ITS STATE
COURT LAWSUIT AND (B) WITHDRAW ITS NOTICE OF LIS PENDENS**

The City of Detroit, Michigan ("City"), by its undersigned counsel, files its Motion for the Entry of an Order (I) Enforcing the Plan of Adjustment Injunction and (II) Requiring B&C Land Development Corporation to (A) Dismiss with Prejudice its State Court Lawsuit and (B) Withdraw its Notice of Lis Pendens ("Motion"). In support of this Motion, the City respectfully states as follows:

I. Introduction

1. On July 1, 2015, B&C Land Development Corporation ("B&C") filed a state court lawsuit against the City seeking monetary damages, specific performance and injunctive relief on account of a pre-petition claim. The City informed B&C that the filing and prosecution of the state court lawsuit violates both the Bar Date Order (as defined in paragraph 5 below) and the injunction set forth in the confirmed Plan (as defined in paragraph 10 below). Despite the City's request, B&C refused to voluntarily dismiss the state court lawsuit. As a result, the City is left with no choice but to seek an order barring and permanently enjoining B&C from asserting and prosecuting the claims described in the state court lawsuit against the City or property of the City and requiring it to dismiss the state court lawsuit with prejudice.

II. Background

A. The City's Bankruptcy Case

2. On July 18, 2013 ("Petition Date"), the City filed this chapter 9 case.

3. On October 10, 2013, the City filed its Motion Pursuant to Section 105, 501 and 503 of the Bankruptcy Code and Bankruptcy Rules 2002 and 3003(c), for Entry of an Order Establishing Bar Dates for Filing Proofs of Claim and Approving Form and Manner of Notice Thereof ("Bar Date Motion"). [Doc. No. 1146].

4. On November 21, 2013, this Court entered an order approving the Bar Date Motion ("Bar Date Order"). [Doc. No. 1782]. The Bar Date Order established February 21, 2014 ("General Bar Date") as the deadline for filing claims against the City. Paragraph 6 of the Bar Date Order states that the

following entities must file a proof of claim on or before the Bar Date...any entity: (i) whose prepetition claim against the City is not listed in the List of Claims or is listed as disputed, contingent or unliquidated; and (ii) that desires to share in any distribution in this bankruptcy case and/or otherwise participate in the proceedings in this bankruptcy case associated with the confirmation of any chapter 9 plan of adjustment proposed by the City...

Bar Date Order ¶ 6.

5. Paragraph 22 of the Bar Date Order also provided that:

Pursuant to sections 105(a) of the Bankruptcy Code and Bankruptcy Rule 3003(c)(2), **any entity that is required to file a proof of claim in this case pursuant to the Bankruptcy Code, the Bankruptcy Rules or this Order with respect to a particular claim against the City, but that fails properly to do so by the applicable Bar Date, shall be forever barred, estopped and enjoined from: (a) asserting any claim against the City or property of the City that (i) is in an amount that exceeds the amount, if any, that is identified in the List of Claims on behalf of such entity as undisputed, noncontingent and liquidated or (ii) is of a different nature or a different classification or priority than any Scheduled Claim identified in the List of Claims on behalf of such entity (any such claim under subparagraph (a) of this paragraph being referred to herein as an "Unscheduled Claim"); (b) voting upon, or receiving distributions under any Chapter 9 Plan in this case in respect of an Unscheduled Claim; or (c) with respect to any 503(b)(9) Claim or administrative priority claim component of any**

Rejection Damages Claim, asserting any such priority claim against the City or property of the City.

Bar Date Order ¶ 22 (emphasis added).

6. On October 22, 2014, the City filed its Eighth Amended Plan of the Adjustment of Debts of the City of Detroit (October 22, 2014) (“Plan”). [Doc. No. 8045].

7. On November 12, 2014, this Court entered an order confirming the Plan (“Confirmation Order”). [Doc. No. 8272].

8. The discharge provision in the Plan provides

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan will be in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the City from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt is allowed pursuant to section 502 of the Bankruptcy Code or (ii) the Holder of a Claim based on such debt has accepted the Plan.

Plan, Art. III.D.4.

9. With certain exceptions not applicable here, the Plan does not afford any right to distributions or payments to claimants that did not timely file proofs of claim. Plan Art. I.A.19; Art. I.A.134; Art. VI.A.1. Such claims are not Allowed Claims under the Plan and thus are not entitled to distributions under the Plan. *Id.* (“Notwithstanding any other provision of the Plan, no payments or Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim.”).

10. The Plan injunction set forth in Article III.D.5 also provides in pertinent part:

Injunction

On the Effective Date, except as otherwise provided herein or in the Confirmation Order,

a. all Entities that have been, are or may be holders of Claims against the City...shall be permanently enjoined from taking any of the following actions against or affecting the City or its property...

1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affect the City of its property...

5. proceeding in any manner in any place whatsoever that does not conform or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and

6. taking any actions to interfere with the implementation or consummation of the Plan.

Plan, Article III.D.5 (emphasis supplied).

11. The Court also retained jurisdiction to enforce the Plan injunction and to resolve any suits that may arise in connection with the consummation, interpretation or enforcement of the Plan. Plan, Art. VII. F, G, I.

B. B&C Files a Complaint in State Court in 2015 Based on an Alleged Real Estate Purchase Agreement Entered into in 2006

12. On July 1, 2015, B&C filed a complaint ("Complaint") against the City in Wayne County Circuit Court, Michigan, case number 15-008602 ("State Court Lawsuit"). The Complaint is attached as Exhibit 6A. A notice of lis pendens ("Lis Pendens") was attached to the complaint.

13. Also, on July 1, 2015, the City wrote to B&C explaining that the filing of the Complaint violated the Plan and the Bar Date Order. The July 1 correspondence is attached as Exhibit 6B. In its July 1 correspondence, the City requested that B&C dismiss the State Court Lawsuit by July 8, 2015. B&C refused to dismiss the State Court Lawsuit. On July 21, 2015, the City filed its answer ("Answer") to the Complaint. *See* Ex. 6C.

14. In the Complaint, B&C asserts that it submitted a proposal in 2004 to the City's Department of Planning and Development to develop approximately 29 acres of land located at 5601, 5815 and 5861 W. Jefferson Ave., commonly known as Revere Copper & Brass ("Property"). Complaint ¶ 5. In connection with the proposal, B&C alleges that throughout 2004, its President, Mr. Robert Carmack, met with various City and Detroit Water and Sewerage Department ("DWSD") representatives. *Id.* ¶¶ 6-9. B&C further alleges that in 2005, Mr. Carmack was instructed by the City to conduct environmental studies on the Property, which B&C subsequently completed. *Id.* ¶ 10.

15. After conducting negotiations on the Property, B&C alleges that in March 2006 the City presented Mr. Carmack with an offer of sale for \$500,000. *Id.* ¶ 11. B&C alleges that on April 14, 2006, Mr. Carmack signed the offer to purchase and gave a deposit of \$50,000.00 by check to the City. *Id.* ¶ 12.

16. The sale and transfer of the Property was stalled, however, between April 2005 and May 2008, according to B&C. *Id.* ¶ 13. In May 2008, B&C alleges that the City presented a new document to City Council seeking approval of a sale of the Property from the City to DWSD. *Id.* ¶ 15. At that point, B&C alleges that "City Council, without benefit of the history of this property and pending sale to B&C approved the sale for \$5,000,000.00 to DWSD with no appraisal or due diligence." *Id.* As set forth in the Answer, on or about June 30, 2008, the Detroit City Council did authorize the transfer of the Property from the Planning and Development Department to the DWSD in exchange for reimbursement from the DWSD of \$5 million. Answer ¶ 15.

17. B&C continues to allege that at various points from 2010 through 2012, it was told that the DWSD needed the Property to build a combined sewer overflow facility but that there is not any evidence that the DWSD needed the Property for this purpose. *Id.* ¶¶ 16-19.

18. On May 10, 2012, Mr. Carmack did appear in front of the Detroit City Council raising many of the same allegations that are contained in the Complaint. *See* Ex. 6D.

19. In response to Mr. Carmack's comments to City Council, on May 15, 2012, Robert A. Anderson, the Director of the City's Planning and Development Department, submitted a public statement to City Council ("May 2012 Public Statement"). Ex. 6D.

20. In the May 2012 Public Statement, Mr. Anderson stated that on June 18, 2008, the Board of Water Commissions authorized the DWSD director to approve the acquisition of the approximately 28.66 acre "Revere Copper & Brass" site as the location for a combined sewer overflow facility. *Id.* He further explained that on June 30, 2008, the City Council authorized the transfer of the approximately 28.66 acre "Revere Copper & Brass" site from the City's Planning and Development Department to DWSD for a combined sewer overflow facility in exchange for reimbursement from DWSD of \$5 million. *Id.*

21. Mr. Anderson emphasized:

P&DD never took a deposit from Mr. Carmack for this site, never entered into a purchase agreement with Mr. Carmack for this site, and never entered into a development agreement with Mr. Carmack for this site. P&DD never requested that this Honorable Body approve any sale of this site to Mr. Carmack, and Your Honorable Body never passed a land sale resolution or authorized the sale of the property to Mr. Carmack.

Since June of 2008, Your Honorable Body has requested P&DD report on the status of a sale of this site to Mr. Carmack no less than four times. The information each time has been recited above, with no change since the original report of June 25, 2008 other than the transfer to DWSD. We trust that this correspondence addresses with finality your concerns and inquiries to P&DD regarding the status of the former "Revere Cooper & Brass" property and the issues raised by Mr. Carmack.

Id.

22. In the Complaint, B&C alleges that on February 5, 2013, the Detroit City Council then transferred jurisdiction over the property from the DWSD back to the Planning and Development Department because of a failure of consideration. *Id.* ¶ 20. In 2013, the City sold approximately 7 acres of the Property to Waterfront Terminal Holdings for a price of \$1.16 million. Answer ¶ 21. *See also* Complaint ¶ 21. B&C also alleges that on June 30, 2031,¹ the City agreed to sell the remaining 21.665 acres to Waterfront Terminal Holdings II, LLC and Steven W. Erickson. Complaint ¶ 22.

23. Based on these facts, the Complaint asserts causes of action for Breach of Contract (Count I), Injunctive Relief/Specific Performance (Count II), and Declaratory Relief (Count III). The Complaint is the first complaint filed by B&C against the City with respect to the alleged offer to purchase or the Property.

C. The Detroit City Council and Mayor Duggan Approve Two Purchase Agreements for Different Portions of the Property

24. In February, 2015, the City received two purchase offers for different portions of the Property. Waterfront Terminal Holdings II, LLC (“Waterfront”) offered to purchase approximately 6 acres of the Property (“Waterfront Property”) for \$735,000. *See* Ex. 6E, True Copy Certificate of Resolution Approving Waterfront Offer to Purchase at 2. The terms of the Waterfront offer are set forth in a Purchase Agreement dated February 17, 2015 (“Waterfront Offer to Purchase”). *See* Ex. 6F. Waterfront wishes to acquire the Waterfront Property to expand its vital marine liquid and bulk distribution operations. Ex. 6E at 2. Upon acquisition, Waterfront will remediate the Waterfront Property, dredge the riverfront, and improve the seawall and dock in order to grow its large vessel refueling operations. *Id.*

¹ This is not a typographical error. The complaint uses the year “2031.”

25. On June 30, 2015, the Detroit City Council passed a resolution approving the Waterfront Offer to Purchase and on July 7, 2015, Mayor Michael Duggan approved the resolution. Ex. 6E. Due to the filing of the State Court Lawsuit, on July 17, 2015, the sale closed in escrow. *See* Ex. 6G, Escrow Agreement.

26. A separate purchaser, Revere Dock, LLC ("Revere Dock"), offered to purchase approximately 17 acres of the Property ("Revere Dock Property") for \$2,280,000.00. *See* Ex. 6H, True Copy Certificate of Resolution Approving Revere Dock Offer to Purchase at 2. The terms of the Revere Dock offer are set forth in a Purchase Agreement dated February 17, 2015 ("Revere Dock Offer to Purchase"). *See* Ex. 6I. Under the terms of the Revere Dock Offer to Purchase, the Revere Dock Property would be conveyed to Revere Dock under a development agreement by quit claim deed. *See* Ex. 6H at 2. Pursuant to the development agreement, Revere Dock's construction contracts will provide that Detroit residents must constitute at least 51% of the workforce and perform 51% of the hours worked on the project. *Id.* Revere Dock will also establish the goal of contracting with at least 30% of Detroit-based Businesses, Detroit-headquartered Businesses or Detroit Emerging Businesses. *Id.* Revere Dock's development of the Revere Dock Property will bring new heavy lift marine and transport capacity to Detroit, supporting manufacturing and fabricating companies with project equipment of oversize dimension and weight, while providing on-site staging and storage of critical equipment. *Id.*

27. On June 30, 2015, the Detroit City Council passed a resolution approving the Revere Dock Offer to Purchase and on July 7, 2015, Mayor Michael Duggan approved the resolution. Ex. 6H.

28. The City and the purchasers desire to complete the sale of these properties as soon as possible. Consummating these transactions will immediately remove the properties from the

City's maintenance responsibilities, relieving the City of the commensurate costs. Because these properties are owned by the City, the properties are currently tax-exempt but will be returned to the tax rolls after the sales. The improvements to be made by the purchasers will create construction jobs, and the business operations will create permanent jobs.

29. The purchasers have informed the City that they have forgone several contracts that they otherwise could have secured due to the closing delays caused by the filing of the State Court Lawsuit. Further, one of the purchasers informed the City that it needs to have closing occur immediately in order to perform on certain of its existing contractual obligations.

III. Argument

30. B&C violated the Plan injunction and discharge provisions when it filed the State Court Lawsuit asserting claims against the City. And, it continues to violate it by continuing to prosecute, and refusing to voluntarily dismiss, the State Court Lawsuit. Pursuant to the Plan, B&C's claims against the City are discharged and it is enjoined from, among other things, commencing any action against the City with respect to those claims. Plan, Art. III.D.4; Plan, Art. III.D.5.

31. Furthermore, B&C did not file a proof of claim by the General Bar Date and has at no time after the General Bar Date filed an untimely proof of claim or a motion for permission to file an untimely proof of claim on the basis of "excusable neglect" under *Pioneer Inv. Services Co v. Brunswick Associates Ltd. Partnership*, 507 U.S. 380 (1993) ("Pioneer Motion") and its

progeny. Thus, B&C is also barred, estopped and enjoined from asserting any claim against the City or property of the City under the Bar Date Order. Bar Date Order ¶ 22.²

32. However, even if B&C were now to file and have granted a *Pioneer Motion* (which it has not filed or sought), the relief to be afforded B&C would not include permitting B&C to proceed with its State Court Lawsuit. At most, B&C would be permitted to file a proof of claim which, if B&C were to succeed on the merits of its proof of claim, would afford it an “Other Unsecured Claim” under Class 14 of the Plan, and the right to a Pro Rata share of New B Notes and certain other distributions to the holders of Class 14 Claims described in the Plan. Under no scenario would B&C be permitted to commence or continue to prosecute the State Court Lawsuit in connection with its claims against the City alleged in the Complaint.

IV. Conclusion

33. The City respectfully requests that this Court enter an order in substantially the same form as the one attached as Exhibit 1, (a) granting the Motion; (b) requiring B&C to dismiss, or cause to be dismissed, with prejudice the State Court Lawsuit; (c) requiring B&C to withdraw the Lis Pendens filed by it with respect to the Property; and (d) permanently barring, estopping and enjoining B&C from asserting any claims described in the State Court Lawsuit, or the alleged conduct forming the basis of the State Court Lawsuit, against the City or property of the City. The City sought, but did not obtain, concurrence to the relief sought in the Motion.

² B&C’s failure to timely file a proof of claim by the General Bar Date is an additional reason why B&C should be enjoined from continuing, and required to dismiss with prejudice, his claims against the City and its property. However, it is not necessary for the Court to decide any bar date issues or address the Motion on that basis. It is maintained as an alternative basis for granting the relief in the Motion. As described in paragraph 32, even if B&C had filed a timely proof of claim and that proof of claim were Allowed under the Plan, B&C’s sole right in connection with that claim would have been the right to receive distributions under the Plan on account of its Class 14 Claim (Other Unsecured Claim). There is no set of circumstances under which B&C is or would have been permitted to commence and prosecute the State Court Lawsuit.

VERIFIED COMPLAINT AND JURY DEMAND

NOW COMES Plaintiff, B&C Land Development Corporation, by and through its attorney, Horace D. Cotton, and for its Complaint states:

PARTIES

1. Plaintiff B&C Land Development Corporation, ("B&C") is a Michigan corporation with its principal place of business in Wayne County, Michigan.

2. Defendant City of Detroit is a municipal corporation duly organized under the laws of the State of Michigan and is located in Wayne County, State of Michigan.
3. The amount in controversy exceeds \$25,000 and is otherwise within the jurisdiction of this Court.
4. The acts complained of in this Complaint occurred in Wayne County, Michigan.

**COUNT I
BREACH OF CONTRACT**

5. On or about February 27, 2004 B&C Land Development Corporation submitted a proposal to the City of Detroit Department Planning (Planning and Development.) to develop the 28.665 acre parcel of land located at 5601, 5815, and 5861 W. Jefferson Ave., commonly known as Revere Copper & Brass.
6. Mr. Robert Carmack, the President of B&C, was informed by Mr. Alan Hayner, Project Manager for the property with Detroit's Planning and Development Department , that he would have to go to the Detroit Water and Sewerage Department ("DWSD") to get their

approval because they intended to build a Combined Sewer Overflow (CSO) system on that location.

7. On March 10, 2004 Mr. Carmack met with Victor Mercado, Director of DWSD and was told he could move forward with the project and that DWSD had no problem and no objections to putting the anticipated CSO on a different piece of property.
8. On March 29, 2004: Mr. Carmack received a letter from Mr. Hayner at Planning and Development advising him to prepare a proposal which was to include drawings, footprints, elevations, costs, financing, development team, construction of seawall, environmental costs and additional hard and soft costs.
9. On April 14, 2004: Mr. Hayner advised Mr. Carmack to bring in all documents to Planning Development by June 18, 2004 and they would reserve the property and not accept any new offers.
10. On February 24, 2005 Mr. Carmack was instructed by Mr. Hayner to conduct a Phase I and Phase II environmental study on the property which he subsequently initiated and completed.
11. After conducting negotiations regarding the purchase of the property, on March 28, 2006 Mr. Carmack was presented with an

offer of sale for \$500,000.00 by Mr. Christopher Raschke, the new Project Manager (replacing Alan Hayner) with the Planning and Development Department.

12. April 14, 2006: Mr. Carmack signed the offer to purchase and gave a deposit of \$50,000.00 by check to the Project Manager, Mr. Christopher Raschke, who signed the offer and accepted the deposit on behalf of the City of Detroit. (Exhibit 1)
13. Between April 14, 2005 and May 21, 2008 the sale and transfer of property stalled as Detroit Mayor Kwame Kilpatrick and his administration became embroiled in scandal and controversy.
14. During that period, Mr. Carmack was solicited to make a \$50,000.00 bribe by a high ranking city official. When he refused his development proposal was placed on the back burner and eventually killed altogether.
15. On May 21, 2008 the Kilpatrick Administration presented a new document to City Council seeking approval of a sale of the property from the City of Detroit to DWSD. City Council, without benefit of the history of this property and pending sale to B&C

approved the sale for \$5,000.000.00 to DWSD with no appraisal or due diligence.

16. When City Council approved the sale and contrary to previous statements and documentation, Mr. Carmack was informed that DWSD needed it for the CSO program and Right-of-Way. However there is no CSO either planned or actually being built on this property and the Right-of-Way has been in the possession of DWSD since 1936.
17. On January 2010: Mr. Carmack brought this issue to the attention of Mr. Al Fields, Executive Director in the new Bing Administration in Detroit.
18. On May 25, 2011: The new DWSD Director, Sue McCormick (replacing Victor Mercado), stated that they would be building a CSO on the property. There is no evidence to indicate this is a true statement. In fact, evidence points to the contrary.
19. On February 21, 2012 New Bing Administration Executive Director Karla Henderson (replacing Al Fields) initiated the transfer of the property to DWSD advising Mr. Carmack that a CSO was being built.

20. On February 5, 2013 the Detroit City Council by resolution transferred jurisdiction over the property from the Detroit Water and Sewerage Department back to the Planning and Development Department because of a failure of consideration.
21. On August 6, 2013 Detroit agreed to sell 7 acres of the property to Waterfront Terminal Holdings, II LLC.
22. On June 30, 2031 Detroit agreed to sell the remaining 21.665 acres to Waterfront Terminal Holdings II, LLC and Steven W. Erickson.

COUNT II
INJUNCTIVE RELIEF/SPECIFIC PERFORMANCE

23. By this action, B&C seeks declaratory and injunctive relief requiring Detroit to perform under the terms of the Purchase Agreement. Injunctive relief is appropriate.
24. Finally, B&C seeks specific performance of the Purchase Agreement requiring Detroit to convey the Revere Copper property to B&C. Detroit has impaired B&C's contractual rights by improperly agreeing to sell and convey the property to the Detroit

Water and Sewage Department, thereby destroying its own agreement.

25. Plaintiff adopts and incorporates by reference all prior paragraphs as though fully set forth herein.
26. Detroit breached its obligations under the Purchase Agreement by failing and refusing to cooperate and negotiate in good faith. Specifically, Detroit has violated the Purchase Agreement by, among other things: (1) failing and refusing to present B&C with a Development Agreement; (2) failing and refusing to present the development proposal to City Council for final approval; (3) conveying the property to the Detroit Water and Sewage Department after the property was under contract to B&C; (4) conveying and agreeing to convey the property to Waterfront Terminal Holdings II, LLC and Steven W. Erickson.
27. B&C fully cooperated with Detroit in pursuit of the Purchase Agreement by expended substantial resources and time in conducting due diligence and preparing a complete development proposal.
28. B&C is entitled to mandatory injunctive relief requiring Detroit to perform under the Purchase Agreement.

29. B&C is entitled to a mandatory injunction and/or specific performance of the Purchase Agreement.

COUNT III
DECLARATORY RELIEF

30. Detroit breached the terms of the Purchase Agreement B&C seeks specific performance of the Purchase Agreement, including, but not limited to, an order requiring Detroit to convey the property to B&C.
31. B&C repeats and realleges each and every foregoing and subsequent allegation contained in the Complaint as though fully set forth herein.
32. Detroit has prevented B&C's performance under the Purchase Agreement. B&C has satisfied all other conditions precedent to conveyance of the property except as excused by Detroit's breach.
33. An actual controversy has arisen and now exists between B&C and Defendants concerning their respective rights and duties.
34. B&C requests a judicial determination of the parties' rights and duties as set forth herein. A judicial declaration is necessary and

appropriate in order that the parties may ascertain their respective rights, duties and obligations.

35. Specifically, B&C requests a declaration that Detroit breached the Purchase Agreement by conveying the property to DWSD and repudiating the Purchase Agreement.

PRAYER FOR RELIEF

WHEREFORE, B&C Land Development Corporation respectfully request the following relief:

1. For specific performance and declaratory relief as specified below.
2. For a declaration that the vote to convey the property to DWSD was improper and unconstitutional; and that the vote be declared null and void and set aside.
3. For specific performance, including an order requiring Detroit to convey the property to B&C.
4. For declaratory relief, including a declaration that Detroit breached the Purchase Agreement.

5. For a declaration that the votes to convey the property to DWSD, Waterfront Terminal Holdings II, LLC And Steven W. Erickson were improper and unconstitutional; and that the votes be declared null and void and set aside.
6. For compensatory damages in an amount not less than \$25,000 to be determined by the jury.
7. For attorneys' fees and costs of suit.
8. For such other and further relief as the Court may deem just and proper.

DEMAND FOR JURY TRIAL

NOW COMES Plaintiff, by and through undersigned counsel, and hereby requests that all issues in this Verified Complaint be tried by jury.

Mr. Cotton:

You filed the attached lawsuit which seeks to enforce an alleged 2006 offer to purchase property from the City of Detroit.

The City Council never approved any such transaction, so no contract exists as a matter of law (and also by the very terms of the offer made by your client).

Also, the statute of limitations on a contract or any other claim has come and gone.

More importantly, your client did not file a claim in the City's bankruptcy. The deadline for filing a claim was February 24, 2014. Notice was given to all with known claims against the City, and to all others by means of multiple publications approved by the bankruptcy court.

The filing of the lawsuit, and any continuation of the lawsuit, violates the discharge injunction contained in the "Eight Amended Plan For the Adjustment of Debts of the City of Detroit" approved by the bankruptcy court on November 12, 2014 in Case No. 13-53846. See the attached Notice which contains a summary of the discharge and injunction.

Demand is made that you voluntarily dismiss the lawsuit by July 8, 2015, and send me a copy of the dismissal order.

In the event that the lawsuit is not dismissed, I have copied this e-mail to our bankruptcy counsel, Marc Swanson, and ask that he file a motion with the bankruptcy court to enforce the injunction and seek costs and sanctions as appropriate.

VERIFIED COMPLAINT AND JURY DEMAND

NOW COMES Plaintiff, B&C Land Development Corporation, by and through its attorney, Horace D. Cotton, and for its Complaint states:

PARTIES

1. Plaintiff B&C Land Development Corporation, ("B&C") is a Michigan corporation with its principal place of business in Wayne County, Michigan.

2. Defendant City of Detroit is a municipal corporation duly organized under the laws of the State of Michigan and is located in Wayne County, State of Michigan.
3. The amount in controversy exceeds \$25,000 and is otherwise within the jurisdiction of this Court.
4. The acts complained of in this Complaint occurred in Wayne County, Michigan.

**COUNT I
BREACH OF CONTRACT**

5. On or about February 27, 2004 B&C Land Development Corporation submitted a proposal to the City of Detroit Department Planning (Planning and Development.) to develop the 28.665 acre parcel of land located at 5601, 5815, and 5861 W. Jefferson Ave., commonly known as Revere Copper & Brass.
6. Mr. Robert Carmack, the President of B&C, was informed by Mr. Alan Hayner, Project Manager for the property with Detroit's Planning and Development Department , that he would have to go to the Detroit Water and Sewerage Department ("DWSD") to get their

approval because they intended to build a Combined Sewer Overflow (CSO) system on that location.

7. On March 10, 2004 Mr. Carmack met with Victor Mercado, Director of DWSD and was told he could move forward with the project and that DWSD had no problem and no objections to putting the anticipated CSO on a different piece of property.
8. On March 29, 2004: Mr. Carmack received a letter from Mr. Hayner at Planning and Development advising him to prepare a proposal which was to include drawings, footprints, elevations, costs, financing, development team, construction of seawall, environmental costs and additional hard and soft costs.
9. On April 14, 2004: Mr. Hayner advised Mr. Carmack to bring in all documents to Planning Development by June 18, 2004 and they would reserve the property and not accept any new offers.
10. On February 24, 2005 Mr. Carmack was instructed by Mr. Hayner to conduct a Phase I and Phase II environmental study on the property which he subsequently initiated and completed.
11. After conducting negotiations regarding the purchase of the property, on March 28, 2006 Mr. Carmack was presented with an

offer of sale for \$500,000.00 by Mr. Christopher Raschke, the new Project Manager (replacing Alan Hayner) with the Planning and Development Department.

12. April 14, 2006: Mr. Carmack signed the offer to purchase and gave a deposit of \$50,000.00 by check to the Project Manager, Mr. Christopher Raschke, who signed the offer and accepted the deposit on behalf of the City of Detroit. (Exhibit 1)
13. Between April 14, 2005 and May 21, 2008 the sale and transfer of property stalled as Detroit Mayor Kwame Kilpatrick and his administration became embroiled in scandal and controversy.
14. During that period, Mr. Carmack was solicited to make a \$50,000.00 bribe by a high ranking city official. When he refused his development proposal was placed on the back burner and eventually killed altogether.
15. On May 21, 2008 the Kilpatrick Administration presented a new document to City Council seeking approval of a sale of the property from the City of Detroit to DWSD. City Council, without benefit of the history of this property and pending sale to B&C

approved the sale for \$5,000.000.00 to DWSD with no appraisal or due diligence.

16. When City Council approved the sale and contrary to previous statements and documentation, Mr. Carmack was informed that DWSD needed it for the CSO program and Right-of-Way. However there is no CSO either planned or actually being built on this property and the Right-of-Way has been in the possession of DWSD since 1936.
17. On January 2010: Mr. Carmack brought this issue to the attention of Mr. Al Fields, Executive Director in the new Bing Administration in Detroit.
18. On May 25, 2011: The new DWSD Director, Sue McCormick (replacing Victor Mercado), stated that they would be building a CSO on the property. There is no evidence to indicate this is a true statement. In fact, evidence points to the contrary.
19. On February 21, 2012 New Bing Administration Executive Director Karla Henderson (replacing Al Fields) initiated the transfer of the property to DWSD advising Mr. Carmack that a CSO was being built.

20. On February 5, 2013 the Detroit City Council by resolution transferred jurisdiction over the property from the Detroit Water and Sewerage Department back to the Planning and Development Department because of a failure of consideration.
21. On August 6, 2013 Detroit agreed to sell 7 acres of the property to Waterfront Terminal Holdings, II LLC.
22. On June 30, 2031 Detroit agreed to sell the remaining 21.665 acres to Waterfront Terminal Holdings II, LLC and Steven W. Erickson.

COUNT II
INJUNCTIVE RELIEF/SPECIFIC PERFORMANCE

23. By this action, B&C seeks declaratory and injunctive relief requiring Detroit to perform under the terms of the Purchase Agreement. Injunctive relief is appropriate.
24. Finally, B&C seeks specific performance of the Purchase Agreement requiring Detroit to convey the Revere Copper property to B&C. Detroit has impaired B&C's contractual rights by improperly agreeing to sell and convey the property to the Detroit

Water and Sewage Department, thereby destroying its own agreement.

25. Plaintiff adopts and incorporates by reference all prior paragraphs as though fully set forth herein.
26. Detroit breached its obligations under the Purchase Agreement by failing and refusing to cooperate and negotiate in good faith. Specifically, Detroit has violated the Purchase Agreement by, among other things: (1) failing and refusing to present B&C with a Development Agreement; (2) failing and refusing to present the development proposal to City Council for final approval; (3) conveying the property to the Detroit Water and Sewage Department after the property was under contract to B&C; (4) conveying and agreeing to convey the property to Waterfront Terminal Holdings II, LLC and Steven W. Erickson.
27. B&C fully cooperated with Detroit in pursuit of the Purchase Agreement by expended substantial resources and time in conducting due diligence and preparing a complete development proposal.
28. B&C is entitled to mandatory injunctive relief requiring Detroit to perform under the Purchase Agreement.

29. B&C is entitled to a mandatory injunction and/or specific performance of the Purchase Agreement.

COUNT III
DECLARATORY RELIEF

30. Detroit breached the terms of the Purchase Agreement B&C seeks specific performance of the Purchase Agreement, including, but not limited to, an order requiring Detroit to convey the property to B&C.
31. B&C repeats and realleges each and every foregoing and subsequent allegation contained in the Complaint as though fully set forth herein.
32. Detroit has prevented B&C's performance under the Purchase Agreement. B&C has satisfied all other conditions precedent to conveyance of the property except as excused by Detroit's breach.
33. An actual controversy has arisen and now exists between B&C and Defendants concerning their respective rights and duties.
34. B&C requests a judicial determination of the parties' rights and duties as set forth herein. A judicial declaration is necessary and

appropriate in order that the parties may ascertain their respective rights, duties and obligations.

35. Specifically, B&C requests a declaration that Detroit breached the Purchase Agreement by conveying the property to DWSD and repudiating the Purchase Agreement.

PRAYER FOR RELIEF

WHEREFORE, B&C Land Development Corporation respectfully request the following relief:

1. For specific performance and declaratory relief as specified below.
2. For a declaration that the vote to convey the property to DWSD was improper and unconstitutional; and that the vote be declared null and void and set aside.
3. For specific performance, including an order requiring Detroit to convey the property to B&C.
4. For declaratory relief, including a declaration that Detroit breached the Purchase Agreement.

5. For a declaration that the votes to convey the property to DWSD, Waterfront Terminal Holdings II, LLC And Steven W. Erickson were improper and unconstitutional; and that the votes be declared null and void and set aside.
6. For compensatory damages in an amount not less than \$25,000 to be determined by the jury.
7. For attorneys' fees and costs of suit.
8. For such other and further relief as the Court may deem just and proper.

DEMAND FOR JURY TRIAL

NOW COMES Plaintiff, by and through undersigned counsel, and hereby requests that all issues in this Verified Complaint be tried by jury.

**NOTICE OF (I) ENTRY OF ORDER CONFIRMING EIGHTH
AMENDED PLAN FOR THE ADJUSTMENT OF DEBTS OF THE
CITY OF DETROIT AND (II) OCCURRENCE OF EFFECTIVE DATE**

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. Confirmation of the Plan and Occurrence of the Effective Date.

On November 12, 2014, the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") entered an order (Docket No. 8272) (the "Confirmation Order") confirming the Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (as it may have been amended, supplemented or modified, the "Plan"), in the above-captioned chapter 9 case of the City of Detroit, Michigan (the "City"). The Effective Date of the Plan occurred on December 10, 2014. Unless otherwise defined in this Notice, capitalized terms and phrases used herein have the meanings given to them in the Plan and the Confirmation Order.

2. Discharge of Claims.

a. Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan are in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, as of the Effective Date, the City is discharged from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt was Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt was allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt accepted the Plan.

b. In accordance with the foregoing, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order is a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge voids any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that, in accordance with section

944(c)(1) of the Bankruptcy Code, such discharge does not apply to (i) debts specifically exempted from discharge under the Plan; (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case; (iii) claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983; or (iv) Claims of (A) T&T Management, Inc., (B) HRT Enterprises and (C) the John W. and Vivian M. Denis Trust related to condemnation or inverse condemnation actions against the City alleging that the City has taken private property without just compensation in violation of the Takings Clause of the Fifth Amendment to the United States Constitution.

3. Releases.

a. General Releases by Holders of Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):

i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities are released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; provided, further, that nothing in Section III.D.7.a of the Plan shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties. Notwithstanding anything in the Plan or the Confirmation Order to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 shall not be released.

b. Release by Holders of Pension Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases,

agreements or documents entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), if the State Contribution Agreement is consummated, each holder of a Pension Claim is deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

4. Injunctions.

On the Effective Date, except as otherwise provided in the Plan or in the Confirmation Order:

- a. All Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity, along with their Related Entities, are permanently enjoined from taking any of the following actions against or affecting the City or its property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from the Confirmation Order): (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims and (C) Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity); (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly,

any encumbrance of any kind against the City or its property; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property; (v) proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth therein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and (vi) taking any actions to interfere with the implementation or consummation of the Plan. Notwithstanding anything in the Plan or the Confirmation Order to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 are not enjoined. In addition, all individuals affected by the ASF Recoupment are enjoined from commencing any proceeding against the GRS and its trustees, officers, employees or professionals arising from the GRS's compliance with the Plan or the Confirmation Order.

b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan are permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in sub-paragraph 4(a) above, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

5. Treatment of Executory Contracts and Unexpired Leases.

a. Assumption. Except for Executory Contracts and Unexpired Leases rejected in the Plan or by other court order, or as requested in any motion Filed by the City on or prior to the Effective Date, as of the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City has been deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations have not been assumed under the Plan and have been discharged. For the avoidance of doubt, the City has assumed the Tunnel Lease pursuant to Section II.D.1 of the Plan.

b. Assumption of Ancillary Agreements. Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 of the Plan includes any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 of the Plan or designated for rejection in accordance with Section II.D.3 of the Plan.

c. Approval of Assumptions and Assignments. The Confirmation Order constitutes an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the

Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan or (e) are designated for rejection in accordance with the last sentence of this paragraph. On November 21, 2014, in accordance with the Contract Procedures Order, the City filed with the Bankruptcy Court a non-exclusive list (Docket No. 8387) (the "Non-Exclusive Plan Assumption List") of Executory Contracts and Unexpired Leases to be assumed pursuant to the Plan. On December 5, 2014, the City filed a notice of amendment to the Non-Exclusive Plan Assumption List (Docket No. 8573). The City has provided separate notice to each party whose Executory Contract or Unexpired Lease is identified on the Non-Exclusive Plan Assumption List of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease are set forth in the Contract Procedures Order (Docket No. 6512). **For Executory Contracts or Unexpired Leases assumed under the Plan but not identified in the Non-Exclusive Plan Assumption List, the counterparty to such an agreement must file any written objection, setting forth the basis for opposing assumption or assignment of the applicable agreement or the proposed Cure Amount Claim, no later than 20 days after the Effective Date of the Plan, i.e., December 30, 2014.** If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

d. Payments Related to the Assumption of Executory Contracts and Unexpired Leases. To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

e. Contracts and Leases Entered Into After the Petition Date. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

f. Rejection of Executory Contracts and Unexpired Leases. Each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan was deemed rejected as of the Effective Date pursuant to section 365 of the Bankruptcy Code. The Confirmation Order constitutes an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan is rejected only to the extent that any such contract or lease constitutes an

Executory Contract or Unexpired Lease. Listing a contract or lease on Exhibit II.D.6 to the Plan does not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

g. Rejection Damages Bar Date. Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date, i.e., January 26, 2015; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City. Proof of claim forms and instructions for filing claims can be found at the City's restructuring website, <https://www.kccllc.net/detroit>.

h. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases. Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

i. Insurance Policies. From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date are reinstated and continue in full force and effect in accordance with their terms and, to the extent applicable, are deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1 of the Plan. Nothing contained in the Plan shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in Section II.D.9 of the Plan shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

6. Payment of Administrative Claims.

a. Administrative Claims in General. Except as specified in Section II.A.1 of the Plan, and subject to the bar date provisions therein, unless otherwise agreed by the Holder of an Administrative Claim and the City, or ordered by the Bankruptcy Court, each Holder of an Allowed Administrative Claim will receive, in full satisfaction of such Allowed Administrative Claim, Cash in an amount equal to such Allowed Administrative Claim either: (1) on the Effective Date or as soon as reasonably practicable thereafter; or (2) if the Administrative Claim is not Allowed as of the Effective Date, 30 days after the date on which such Administrative Claim becomes an Allowed Claim. No Claim of any official or unofficial creditors' committee or any member thereof for professionals' fees or other costs and expenses incurred by such creditors' committee or by a member of such creditors' committee shall constitute an Allowed Administrative Claim, except that the Retiree Committee's members and the Retiree Committee Professionals shall be entitled to payment in accordance with the Fee Review Order and any additional fee process established by the Court.

7. Bar Dates for Administrative Claims.

a. **General Bar Date Provisions.** Except as otherwise provided in subparagraphs 7(b) or 7(c) below or in a Bar Date Order or other order of the Bankruptcy Court, unless previously Filed, requests for payment of Administrative Claims must be Filed and served on the City no later than 45 days after the Effective Date, i.e., January 26, 2015. Holders of Administrative Claims that are required to File and serve a request for payment of such Administrative Claims and that do not File and serve such a request by the applicable Bar Date will be forever barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be Filed and served on the City and the requesting party by the later of (i) 150 days after the Effective Date, i.e., May 11, 2015 , (ii) 60 days after the Filing of the applicable request for payment of Administrative Claims or (iii) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims.

b. **Ordinary Course Claims.** Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations are not required to File or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the Holders of such Claims or further action or approval of the Bankruptcy Court.

c. **Claims Under the Postpetition Financing Agreement.** Holders of Administrative Claims that are Postpetition Financing Claims are not required to File or serve any request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied as set forth in subparagraph 7(b) above.

d. **No Modification of Bar Date Order.** The Plan does not modify any other Bar Date Order, including Bar Dates for Claims entitled to administrative priority under section 503(b)(9) of the Bankruptcy Code.

8. ASF Recoupment Cash Option.

a. **ASF Recoupment Cash Option Election.** No later than seven days following the Effective Date, i.e., December 17, 2014, the City, through its Claims and Balloting Agent, will send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Notice will notify ASF Distribution Recipients that each ASF Distribution Recipient may elect to pay the total amount of his or her ASF Recoupment in a single lump sum by timely returning a properly-completed ASF Election Form. The ASF Election Form will explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (i) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (ii) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. *An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date, i.e., 35 days after the date on which the ASF Election Form is mailed.*

b. **ASF Recoupment Cash Payment.** GRS will mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. The ASF Final Cash Payment Notice

is a notice that will be sent to each ASF Distribution Recipient who timely elects the ASF Recoupment Cash Option, and will indicate the amount of such ASF Distribution Recipient's ASF Recoupment Cash Payment. *ASF Distribution Recipients shall have until the ASF Final Cash Payment Date – i.e., the later of (i) 90 days after the Effective Date, i.e., March 10, 2015 or (ii) 50 days after the date of mailing of an ASF Final Cash Payment Notice – to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan.* The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

Affirmative Defenses

1. Plaintiff has failed to state a claim upon which relief can be granted.

Detroit, Michigan 48226

RE: May 10, 2012 Public Comment – “Mr. Bob Carmack Offer to Purchase Property in Southwest Detroit of 27 acres on water (Revere Copper & Brass)”

Honorable City Council:

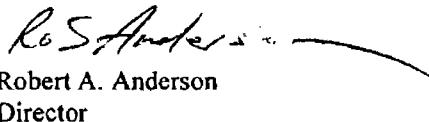

In response to the above public comment, the Planning & Development Department (P&DD) no longer has jurisdictional control over the subject property:

- On June 18, 2008, The Honorable Board of Water Commissioners, City of Detroit, Michigan authorized the then Detroit Water & Sewerage Department (DWSD) Director, Victor Mercado, to approve the acquisition of the approximately 28.66 acre “Revere Copper & Brass” site as the location for a CSO Control Facility (see attached Agenda of June 18, 2012),
- On June 30, 2008, Your Honorable Body authorized the transfer of the approximately 28.66 acre “Revere Copper & Brass” site from P&DD to DWSD for a CSO facility in exchange for reimbursement from DWSD of \$5 million dollars (see attached from Detroit Legal News),

P&DD never took a deposit from Mr. Carmack for this site, never entered into a purchase agreement with Mr. Carmack for this site, and never entered into a development agreement with Mr. Carmack for this site. P&DD never requested this Honorable Body approve any sale of this site to Mr. Carmack, and Your Honorable Body never passed a land sale resolution or authorized the sale of the property to Mr. Carmack.

Since June of 2008, Your Honorable Body has requested P&DD report on the status of a sale of this site to Mr. Carmack no less than four times. The information each time has been as recited above, with no change since the original report of June 25, 2008 other than the transfer to DWSD. We trust that this correspondence addresses with finality your concerns and inquiries to P&DD regarding the status of the former “Revere Copper & Brass” property and the issues raised by Mr. Carmack.

Sincerely,

Robert A. Anderson

Re: Real Property at 5851 W. Jefferson Avenue, Detroit, MI 48209

Honorable City Council:

The City of Detroit Planning and Development Department has received an offer from Waterfront Holdings II, LLC, a Michigan limited liability company ("Waterfront") to purchase from the City the approximately 5.5137 acres of vacant real property described on the attached Exhibit A, being part of what is commonly known as 5851 W. Jefferson Avenue, Detroit, MI 48209, (the "Property").

The terms of the offer are set forth in a Purchase Agreement dated March 20, 2015 (the "Offer to Purchase"). Under the terms of the Offer to Purchase, the Property would be conveyed to Waterfront by Quit Claim Deed (the "Deed") for seven hundred thirty-five thousand and 00/100 Dollars (\$735,000.00) (the "Purchase Price"). The Purchase Price is equal to the Property's current fair market value as determined by an independent appraisal obtained by the City.

Waterfront, an affiliate of the Detroit-based bulk fuel supply company Waterfront Petroleum Terminal Company, in 2007 purchased from the City the idled 11-acre fuel storage facility at the Mistersky Electric Generation Station, and in 2013 purchased from the City an additional adjacent 7 acres. Waterfront wishes to acquire the Property to expand the company's vital marine liquid and bulk distribution operations. Upon acquisition, Waterfront will remediate the Property, dredge the riverfront, and improve the seawall and dock in order to grow its large vessel refueling operations. The proposed use is permitted as a matter of right in an M-4 (Intensive Industrial) zone.

We request that your Honorable Body adopt the attached resolution approving the sale of the Property, and authorizing the Planning and Development Department Director to execute the Deed and such other documents as may be necessary or convenient in connection with the City's sale of the Property.

Respectfully submitted,

Maurice Cox, Director

It has the power to make, deliver and perform this Agreement and finance the Improvements in accordance with the terms and conditions of this Agreement and has taken all necessary action to authorize the foregoing and to authorize the execution, delivery and performance of this Agreement.

c. Lack of Legal Impediments. To the best of its knowledge, the execution, delivery and performance of this Agreement will not violate any provision of any existing law, regulation, order or decree of any court or governmental entity, the violation of which would or could materially affect its ability to fulfill its obligations under this Agreement, or any provision of Purchaser's organizational documents (e.g., charter, articles of incorporation, articles of organization, partnership agreement, bylaws or operating agreement) and will not violate any provision of, or constitute a default under, any agreement or contract to which it is a party, the violation of which would or could materially affect its ability to fulfill its obligations under this Agreement. Purchaser has paid all income, personal and property taxes, and inspection or license fees heretofore due, payable, and owing to the City. Developer is not in default to the City.

d. Legal Operation. It is, to the best of its knowledge, in compliance with all existing laws and regulations applicable to it, the violation of which would or could materially adversely affect its ability to fulfill its obligations under this Agreement.

e. Litigation. As of the date of this Agreement, no litigation or administrative proceeding of or before any court or administrative body is presently pending, nor, to its knowledge, is

any such litigation or proceeding presently threatened, against it or any of its property, that, if adversely determined, would or could materially affect its ability to fulfill its obligations under this Agreement.

f. Other Information. To the best of its knowledge, all other written information, reports, papers, and data given to the City by Purchaser with respect to Purchaser are accurate and correct in all material respects and substantially complete insofar as completeness may be necessary to give the City a true and accurate knowledge of the subject matter and all projections of future results are, in its opinion, reasonable.

g. Other Agreements. To the best of its knowledge, it is not a party to any agreement or instrument materially and adversely affecting its present or proposed business, properties or assets, operation or condition, financial or otherwise, not disclosed to the City in writing, the existence of which would or could materially affect its ability to fulfill its obligations under this Agreement; and it is not in default in the performance, observance, or fulfillment of any of the material obligations, covenants, or conditions set forth in any agreement or instrument to which it is a party, the violation of which would or could materially affect its ability to fulfill its obligations under this Agreement.

h. Brokerage and Finder's Fees and Commissions. Purchaser has not engaged any broker, finder or agent with respect to the transactions contemplated by this Agreement. Purchaser shall indemnify and hold the City harmless from and against claims for brokerage in connection with this transaction by any person or party claiming by, through or under Purchaser.

5.02 Survival. All of the representations and warranties contained in this Article 5 or pursuant hereto shall survive the delivery of the Deed and shall remain in full force and effect for a period of six (6) months following the date of Closing. Purchaser shall indemnify and hold the City harmless from and against, and shall be obligated to pay and reimburse the City for, any and all out-of-pocket expenses (including reasonable attorneys' fees, whether inside or outside counsel) which the City may sustain or incur as a result of any misrepresentation or breach of warranty on the part of Purchaser due to the City's reliance thereon. The "best of Purchaser's knowledge" is based on Purchaser's actual knowledge and is without any duty to investigate. Purchaser shall have no liability for a breach of any representation or warranty in the event that Purchaser gives written notice to the City prior to Closing that such representation or warranty was inaccurate or any document or report furnished to or obtained by the City, its agents, employees or contractors in connection with this Agreement shall have disclosed that such representation or warranty was inaccurate prior to Closing.

ARTICLE 6. TESTS AND SURVEYANCE; CONDITION OF PROPERTY

6.01 Surveying and Testing. The City will, prior to the transfer of title, authorize Purchaser through and in accordance with a fully executed Right-of-Entry, to make soil boring and bearing tests and undertake such surveying and environmental and other due diligence activities as Purchaser deems appropriate, provided such does not interfere with the City's use, if any, and subject to the Purchaser's compliance with the requirements of this Article 6 and elsewhere in this Agreement. All such testing shall be done at Purchaser's risk and expense. Subject to the terms of the aforementioned Right of Entry, Purchaser shall give prior notice to the City to inspect and investigate the condition of the Property, including its environmental condition and shall conduct such inspection and investigation as Purchaser desires during normal business hours. Prior to entering onto the Property for such purposes,

Purchaser shall (i) request authorization from the Building, Safety, Engineering and Environmental Department and provide details of the intended activities and other documentation deemed necessary by the City, (ii) obtain a Right-of-Entry letter from City, (iii) execute said letter, and (iv) comply with all conditions and requirements stated therein. Purchaser shall use all reasonable efforts to minimize damage to the Property in connection with such entry and shall fully restore the Property to the condition existing prior to such entry. Purchaser shall indemnify, defend and hold the City harmless from and against, any and all loss, cost, liability and expense, including reasonable attorneys' fees and litigation costs, suffered or incurred by the City as a result of the Purchaser's activities in accordance with the Right-of-Entry. Purchaser shall submit to the City a copy of each survey or report generated as a result of such activities.

6.02 Condition of Property; Inspection Period.

a. Purchaser takes the Property as it finds it, "AS IS", and the City makes no implied or express representations or warranties as to its fitness for absolutely any purpose whatsoever. By executing this Agreement, Purchaser acknowledges that it is satisfied with the condition of the Property, subject only to inspection of the Property, review of title, and the results of the tests, investigations, and surveys permitted under Section 6.01, above. If, within ninety (90) days of the Effective Date, Purchaser fails to undertake such investigations and/or obtain such test results and surveys, or fails to object to the condition of the Property based upon the results of such tests, investigations or surveys, or fails to deliver copies of any and all reports of such tests, investigations and/or surveys to the City, Purchaser shall be deemed to have waived any right to object to the condition of the Property and shall be deemed to have declared its full satisfaction therewith.

b. In order to facilitate Purchaser's investigation of the Property, within ten (10) business days of the Effective Date hereof, the City shall deliver copies of any existing (i) environmental site assessments, reports, notices or correspondence from environmental regulatory authorities or citations, (ii) lease agreements, lease modifications, or third-party property/occupancy rights, if any (iii) notices or other correspondence that has been received from any governmental agency regarding the condition of the Property or pending government actions, (iv) land surveys, and (v) soil reports (collectively, the "Due Diligence Materials"), provided the same are in the City's possession or control.

c. In the event Purchaser determines, based on its inspection of the Property, review of title, and the results of the tests, investigations, and surveys permitted under Section 6.01, above that it does not wish to proceed with the purchase of the Property, Purchaser shall have the right for any reason whatsoever in its sole discretion, prior to the ninety-first (91st) day following the Effective Date, to terminate this Agreement by delivery of a written notice to the City (the "Notice of Termination"). Upon timely delivery by Purchaser of the Notice of Termination, this Agreement shall terminate without liability of Purchaser.

6.03 Release of City from Liability. Purchaser hereby releases the City and its officials, employees, and agents (but not any third party) from any and all liability for any defects in or conditions of the Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party, or conditions currently existing thereon, including but not limited to conditions described in Section 11.04, but subject to Section 11.04.

6.04 Section 16 of NREPA. Pursuant to the requirements of Section 16 of Part 201 of NREPA, MCL 324.20116, Purchaser agrees that the City has notified Purchaser that the Property is a "facility" as that term is defined in Part 201 of NREPA. The general nature and extent of any land or resource restrictions or any release at or from the facility that is known to the City is more fully described in certain reports, copies of which have been provided to Purchaser. By its execution of this Agreement, Purchaser acknowledges receipt of the following reports:

Insert list of documents, if any, identified by DEA: NONE.

ARTICLE 7. CLOSING

7.01 Time and Place of Closing. The City will notify Purchaser of the prospective closing date not less than ten (10) calendar days prior to the Closing, unless otherwise agreed between the parties. The Closing shall occur within thirty (30) days after satisfaction of the conditions to closing as specified in Section 7.02 of this Agreement. The Closing shall take place at the office of the City's Planning & Development Department, or such other location in downtown Detroit designated by the City. If the conditions to closing specified in Section 7.02 of this Agreement have not been satisfied or waived by June 1, 2015, either party may, thereafter, terminate this Agreement without further liability.

7.02 Conditions to Closing.

a. City's Obligations to Close. The obligation of the City to effect a Closing hereunder shall be subject to receipt of a resolution(s) by the Detroit City Council authorizing the transaction and fulfillment of all conditions contained therein, and fulfillment by Purchaser of each of the following conditions precedent:

(i) Accuracy of Representations and Warranties. All representations and warranties of Purchaser set forth in Section 5.01 of this Agreement shall be true and correct as of the date of Closing as if made on that date.

(ii) Resolution of Purchaser's Authority. Purchaser shall furnish to the City a certified copy of a resolution satisfactory to the City in form and substance, duly adopted by the Board of Directors or Members of Purchaser, or an authorized vote of the partners or joint venturers, authorizing the execution, delivery and performance of this Agreement and all other documents and actions contemplated hereunder. Purchaser shall also furnish to the City an incumbency certificate, executed by the corporate secretary or proper manager of Purchaser, identifying the officers or managers of Purchaser.

(iii) Payment of Purchase Price and Closing Costs. Purchaser shall have tendered payment of the Purchase Price and the closing costs payable by Purchaser.

(iv) No Default. There shall be no existing Default by Purchaser under this Agreement.

b. Purchaser's Obligations to Close. The obligation of Purchaser to effect a Closing hereunder shall be subject to the fulfillment by the City of each of the following conditions precedent:

(i) Title. Title to the Property shall be in the form required by this Agreement.

(ii) City Council and Other Approval. The City shall furnish to Purchaser a resolution(s) by the Detroit City Council authorizing the transaction and all conditions contained therein shall be fulfilled.

(iii) Acceptable Condition of Property. The physical and environmental condition of the Property and the results of Purchaser's other investigations shall be acceptable to Purchaser, pursuant to Article 6.

7.03 Delivery of Deed and Possession. The City will deliver the Deed to the Property and the possession thereof to Purchaser at the Closing provided that Purchaser has complied with all conditions precedent as specified herein. Purchaser shall be responsible for recording the Deed and paying all recording costs (including the cost of the documentary stamp tax on the Deed, if any).

7.04 Payment of Expenses. Purchaser shall pay all costs, fees, and out of pocket expenses of whatsoever kind or nature related to the procurement of services of Associates and contractors, etc. which have been incurred pursuant to the making of this Agreement and shall hold the City harmless with respect to the payment of same notwithstanding anything contained herein or elsewhere to the contrary.

7.05 City's Failure to Convey. In the event the City does not tender the conveyance of the Property in the manner provided in this Agreement, and any such failure shall not be cured within thirty (30) days after written demand by Purchaser, then, provided Purchaser is not in material Default under this Agreement, at the option of Purchaser, this Agreement shall be terminated, or, if all of the conditions set forth in Section 7.02a above have been satisfied, Purchaser shall be entitled to seek specific performance of this Agreement. In no event shall Purchaser seek or be entitled to money damages.

ARTICLE 8. DEFAULTS AND EVENTS OF DEFAULT

8.01 Default by Purchaser. The occurrence of any one or more of the following events prior to Closing shall constitute a Default of this Agreement by Purchaser:

a. Purchaser admits in writing its inability to pay its debts generally as they become due, or Purchaser ceases to conduct business in the normal course by reason of any of the following: (i) The making by Purchaser of any general arrangement or general assignment for the benefit of creditors; (ii) Purchaser becoming a "debtor" as defined in 11 USC § 101 or any successor statute thereto (unless, in the case of a petition filed against Purchaser, the same is dismissed within sixty (60) days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Purchaser's assets located at the Property or of Purchaser's interest in this Agreement, where possession is not restored to Purchaser within sixty (60) days; (iv) the attachment, execution or other judicial seizure of substantially all of Purchaser's assets located at the Property or of Purchaser's interest in this Agreement, where such seizure is not discharged within sixty (60) days; or (v) its voluntary or involuntary dissolution. In the

event that any provision of this subsection is contrary to any applicable law, such provision shall be of no force or effect.

b. Purchaser violates any of the terms and conditions of this Agreement, except as otherwise provided in this Section 8.01, and Purchaser fails to cure same within thirty (30) days after receipt of written notice by the City to cure said Default.

c. Purchaser, not due to any breach of the City, does not acquire the Property pursuant to a Closing in accordance with this Agreement, unless such failure is due to the failure of a condition precedent to Purchaser's obligation to close as set forth in this Agreement.

8.02 Failure to Cure Default. Any such Default on the part of Purchaser as set forth in Section 8.01 and the failure of Purchaser to cure such Default or within thirty (30) days after written demand by the City to cure said Default for Subsection 8.01b shall be deemed to constitute an **Event of Default**, provided, however, that if the nature of Purchaser's Default is such that more than the cure period provided is reasonably required for its cure, then Purchaser shall not be deemed to be in default if Purchaser commences such cure within said period and thereafter diligently pursues such cure to completion. Defaults pursuant to Subsections 8.01a are hereby deemed to be material, non-curable Events of Default without the necessity of any notice by the City to Purchaser thereof. The City may, in its sole discretion, waive in writing any Default or Event of Default by Purchaser.

8.03 Default by the City. The City shall not be in default unless the City fails to perform obligations required of the City within a reasonable time, but in no event later than ninety (90) days, after written notice by Purchaser to the City, specifying wherein the City has failed to perform such obligation, provided, however, that if the nature of the City's obligation is such that more than ninety (90) days are reasonably required for performance then the City shall not be in default if the City commences performance within such ninety (90) day period and thereafter diligently pursues such performance to completion.

ARTICLE 9. REMEDIES

9.01 Remedies Cumulative. The rights and remedies of the City, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same default or breach. No waiver made by the City shall apply to obligations beyond those expressly waived in writing.

9.02 Reimbursement of Costs. Purchaser shall reimburse the City for its expenses, including reasonable attorney fees (whether inside or outside counsel), reasonably incurred by the City after an Event of Default in connection with the enforcement of or the preservation of any rights under this Agreement.

ARTICLE 10. RESTRICTION UPON SPECULATION AND ASSIGNMENT

10.01 No Speculation. Purchaser represents that its purchase of the Property and its other undertakings pursuant to this Agreement are for the purpose of development of the Property for use in connection with Purchaser's adjacent facility and not for speculation.

10.02 Prior Approval of Assignment. Purchaser will not assign this Agreement, without the prior written approval of the City, except for an assignment to a parent, subsidiary or other company controlling, controlled by or in common control with Purchaser. Any proposed transferee shall, by instrument in writing, for itself and its successors and assigns, and expressly for the benefit of the City, assume all of the obligations of Purchaser under this Agreement and agree to be subject to all the conditions and restrictions to which Purchaser is subject. The consent of the City to an assignment or transfer in any one case shall not relieve Purchaser or the transferee of the obligation to obtain the consent of the City for any additional assignments or transfers.

10.03 Consideration for Assignment. Prior to the City's approval of any assignment pursuant to Section 10.02, Purchaser shall certify to the City that the consideration paid for the transfer of any of Purchaser's interest in this Agreement does not exceed an amount representing the actual cost (including carrying charges) incurred by Purchaser in connection with this Agreement; it being the intent of this Section to preclude assignment of this Agreement for profit. In the event Purchaser transfers any such interest at a profit, said profit shall belong to and forthwith be paid to the City.

ARTICLE 11. INDEMNITY

11.01 Purchaser Indemnification. Purchaser agrees to and shall indemnify and save harmless the City, its agents and employees against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, losses and expenses (including without limitation, reasonable fees and expenses of attorneys, whether inside or outside counsel, expert witnesses and other consultants) (collectively, "Damages") that may be imposed upon, incurred by or asserted against the City related to this purchase by reason of any negligent or tortious act or omission of Purchaser or its Associates resulting in personal injury, bodily injury, sickness, disease or death, or injury to or destruction of tangible property including the loss of use therefrom, except to the extent such Damages are caused by the City's or its, employees', contractors' or agents' gross negligence or willful misconduct. Purchaser also agrees to hold the City harmless from any and all injury to the person or damage to the property of an employee of the City which arises out of or pursuant to any negligent or tortious act or omission of Purchaser or its Associates resulting in personal injury, bodily injury, sickness, disease or death, or injury to or destruction of tangible property including the loss of use therefrom except to the extent such loss or injury is caused by the City's or its, employees', contractors' or agents' gross negligence or willful misconduct.

11.02 Defense of Claims. In the event any action or proceeding shall be brought against the City by reason of any claim covered hereunder, Purchaser, upon notice from the City, will at its sole cost and expense, resist and defend the same, using legal counsel reasonably acceptable to the City.

11.03 Non-Liability of the City. From and after the date of Closing, the City shall not be responsible or liable to Purchaser, and Purchaser hereby releases the City from liability, for any loss or

damage that may be occasioned by or through the acts or omissions of persons occupying any part of the Property. From or after the date of Closing, Purchaser shall be solely responsible for all injuries to persons and property resulting from any accident, explosion, leak or other cause arising in or about the use of the Property and its appurtenances, as hereinbefore stated. The City shall not be responsible for any loss or damage resulting to Purchaser or its property or to any other person or persons on their property which may be caused by the bursting, stopping, or leaking of water, gas, sewer or steam pipes or from overflow or backing up of any sewer or water main, unless caused by the City's gross negligence or willful misconduct.

11.04 Hazardous Materials.

a. Definitions.

- (i) "**Relevant Environmental Laws**," as referred to herein, shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations, and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, whether in the past, the present or the future, with respect to:
 - (a) the installation, existence, or removal of, or exposure to, Asbestos on the Property.
 - (b) the existence on, discharge from, or removal from the Property of Hazardous Materials.
 - (c) the effects on the environment of the Property or of any activity conducted on the Property.

- (ii) "**Asbestos**," as referred to herein, shall have the meanings provided under the Relevant Environmental Laws and shall include, but not be limited to, asbestos

fibers and friable asbestos as such terms are defined under the Relevant Environmental Laws.

- (iii) "**Hazardous Materials**," as referred to herein, shall mean any of the following as defined by the Relevant Environmental Laws: Asbestos; hazardous wastes; solid wastes; toxic or hazardous substances, wastes, or contaminants (including, but not limited to, polychlorinated biphenyls (PCB's), paint containing lead, and urea formaldehyde foam insulation).

b. Release and Indemnity. The City shall give Purchaser the opportunity to inspect the Property and conduct such environmental assessments and testing as Purchaser has deemed appropriate. The City shall not be liable to Purchaser for, and Purchaser, for itself and its successors and assigns, hereby releases the City from, any and all liability for any violation or alleged violation of the Relevant Environmental Laws by Purchaser respecting the Property, whether such alleged violation occurred before or after Closing and the transfer of possession to Purchaser. The City shall not be liable for, and Purchaser shall immediately pay to the City when incurred and shall indemnify, defend and hold the City harmless from and against, all loss, cost, liability, damage and expense (including, but not limited to, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that the City may suffer or incur as a result of or in connection in any way with any violation of the Relevant Environmental Laws occurring after the Closing, any environmental assessment or study from time to time undertaken or requested by Purchaser, or breach of any covenant or undertaking by Purchaser in this Section; provided, however, Purchaser shall have no obligation to the City with respect to: (i) indemnified liabilities arising solely from the gross negligence or willful misconduct of the City; or (ii) conditions or Hazardous Materials existing at the time of Closing.

c. Survival. The provisions of this Section shall survive the termination of this Agreement.

d. Breach. Breach of any of the representations, warranties and/or covenants contained in this Article shall be a default under this Agreement; provided, however, that no breach shall be deemed to have occurred so long as, upon becoming aware of a possible breach, Purchaser proceeds to reasonably investigate and remedy in compliance with the Relevant Environmental Laws the matter giving rise to the possible breach.

e. Assignment of Cause of Action. The City shall, upon request of Purchaser, convey, assign and transfer to Purchaser any claim or cause of action the City may have against others in connection with any liability against which Purchaser has fully indemnified the City (including payment) under this Agreement.

ARTICLE 12. AMENDMENTS

12.01 Form. Any change, addition, deletion, extension or modification of this Agreement (including assignments) that is mutually agreed upon by and between the City and Purchaser shall be incorporated in a written amendment (herein called "**Amendment**") to this Agreement. Such Amendment shall not invalidate this Agreement nor relieve or release Purchaser of any of its obligations under this Agreement unless stated therein.

12.02 Binding Effect. No Amendment to this Agreement shall be effective and binding upon the parties unless it expressly makes reference to this Agreement, is in writing, is signed and acknowledged by duly authorized representatives of both parties. To be effective against the City, the Amendment must be authorized as set forth in Section 14.12 of this Agreement.

ARTICLE 13. NOTICES

13.01 Addresses. Except as otherwise specified herein, all notices, consents, approvals, requests and other communications (herein collectively called "Notices") required or permitted under this Agreement shall be given in writing and personally delivered with receipt obtained, or mailed by registered or certified first-class mail, return receipt requested, addressed as follows:

Any Notice given by a party hereunder must be signed by an authorized representative of such party.

ARTICLE 14. MISCELLANEOUS

14.01 Severability. If any one or more provisions of this Agreement or in any instrument or other document delivered pursuant to this Agreement or the application thereof to any person or circumstance shall to any extent be declared or determined to be invalid or unenforceable, the validity, legality and enforceability of the remainder of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected or impaired thereby, and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

14.02 Entire Agreement. This instrument, including the exhibits listed in Section 1.01 which are attached hereto and which are made a part of this Agreement, contains the entire agreement between the parties and all prior negotiations and agreements are merged herein. Purchaser acknowledges that neither the City nor the City's agents have made any representations except those expressly set forth herein, and no rights or remedies are or shall be acquired by Purchaser by implication or otherwise unless expressly set forth herein.

14.03 Terminology. Unless the context otherwise expressly requires, the words "herein", "hereof", and "hereunder", and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, or other subdivision.

14.04 Covenants and Conditions. All the terms and provisions of this Agreement shall be deemed and construed to be "covenants" and "conditions" as though the words specifically expressing or imparting covenants and conditions were used in each separate term and provision.

14.05 Captions. The headings of the Articles, Sections and other subdivisions in this Agreement are for convenience only and shall not be used to construe or interpret the scope or intent of this Agreement or in any way affect the same.

14.06 Cumulative Remedies; Jurisdiction; Venue. The rights and remedies set forth herein are not exclusive and are in addition to any of the rights and remedies provided by law or equity; provided, however, that if the City breaches any of its obligations under this Agreement, then, after reasonable notice and opportunity to cure, Purchaser shall have the right solely to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement, and in no event shall Purchaser be entitled to monetary damages as a result of the City's breach of this Agreement. All actions arising under this Agreement shall be governed by, subject to, and construed according to the laws of the State of Michigan. Purchaser agrees, consents, and submits to the personal jurisdiction of any competent court in Wayne County, Michigan for any action brought against it arising out of this Agreement. Purchaser agrees that service of process at the address and in the manner specified in Article 13 will be sufficient to put Purchaser on notice. Purchaser also agrees that it will not commence any action against the City because of any matter whatsoever arising out of or relating to the validity, construction interpretation and enforcement of this Agreement, in any courts other than those in the County of Wayne, State of Michigan.

14.07 Force Majeure. In the event of enforced delay in the performance by either party of obligations under this Agreement due to unforeseeable causes beyond its control and without its fault or

negligence, including, but not restricted to, acts of God or of the public enemy, acts of the government, acts of the other party, fires, floods, epidemics, or severe weather, the time for performance of such obligations shall be extended for the period of the enforced delays; provided that the party seeking the benefit of the provisions of this Section shall within thirty (30) days after the beginning of such enforced delay, have first notified the other party in writing of the causes thereof and requested an extension for the period of the enforced delay.

14.08 Provisions Not Merged With Deed. No provision of this Agreement is intended to or shall be merged by reason of any Deed transferring title to the Property from the City to Purchaser or any successor in interest, and any such Deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

14.09 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original document but together shall constitute one instrument.

14.10 Singular and Plural, etc.. As used herein, the singular include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

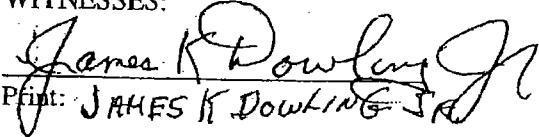

14.11 Time of the Essence. Time is of the essence of this Agreement.

14.12 Authority of City. Notwithstanding anything in this Agreement or otherwise to the contrary, the City shall not be authorized or obligated to sell the Property to Purchaser until the date that this Agreement has been fully executed by the duly authorized representative of the City pursuant to the resolution of the Detroit City Council or other governmental official or agent with jurisdiction over the matter and approved by the City of Detroit Law Department (the "Effective Date"). Any amendments or modifications must likewise be duly authorized by resolution and approval of all of the same parties.
